A NEW YEAR WEDDING

A pretty wedding took place at the residence of Mr. C. J. Brown at five miles south of Alix, on Monday, January 22, at 2 p. m., when his only daughter, Olive Rose, was united in marriage to Mr. Robert Russell, third son of Mr. F. Mac

The ceremony was performed by Rev. Gordon. Methodist minister, (Oxbow), in the presence of about 100 of the intimate friends and relatives of the contracting parties. The bride had a charming bouquet of white roses, carnations, and lilies, wearing a wreath and carrying a bouquet of orange blossoms. She was attended by Miss Houston of Haines, while Private J. Sims of the 101st Battalion, was groomsmen.

At the conclusion of the ceremony the company sat down to a dinner comprising all the good things which the season had to offer and to which all did justice. The happy couple here took up their residence on the groom's fine farm which adjoins that of his father on the Red Deer river. We in their many friends in extending best wishes for a long and happy married life.

A CHRISTMAS WEDDING

A quiet wedding took place in Lacombe on Christmas Day when Miss E. O. Caldwell, teacher in the Alix Consolidated School, and Miss E. M. Crawford, principal of the Clara P. C. School, were united in marriage. Wedding in extending congratulations and best wishes.

JOINED THE KITHS

Mr. Tom, late Agent in the 8th Dist. which took part in all the battles from Vim and to the battle of the Somme, has now joined the 20th Division. This unit is expected to be sent to the front in the near future. Mr. Tom is a native of the 8th Dist. and has been in the service for some time.

To Our Customers

At the commencement of 1917 we wish to extend to our many customers the warmest greetings which the season has to offer and to which all did justice. The happy couple here took up their residence on the groom's fine farm which adjoins that of his father on the Red Deer river. We in their many friends in extending best wishes for a long and happy married life.

Yours sincerely,

L. B. L. & Thompson

The . . .

Veterinarian

A Book which will prove a
blessing to the Stockman

The Free Press
Special Offer to Our
Subscribers

We have just completed arrangements whereby
we are now able to give as a premium with
every yearly subscription in advance to The Alia
Free Press one of

Dr. Charles J. Korinek's
Veterinarian Books

Note—Dr. Chas. J. Korinek is one of the most eminent Veterinarians
in America and was former State Veterinary
Surgeon for the State of Oregon

This book consists of 250 pages containing over
1000 reliable prescriptions and treatments for dis-
eases of domestic animals. It is written in plain
language so that anyone can understand it and is
sold everywhere at \$2.50 per copy.

The success of every farming community largely
depends on the health of its livestock. You can-
not afford to be without the "Veterinarian." We
have only a limited number of these books and
The Free Press will cost you \$1.50 anyway so
be on time and get a "Veterinarian" FREE

This is a rare chance to get a valuable book, the
only one of its kind in circulation, which will
surely save you many \$ by helping you to care
for your stock. Money will be refunded if the
book is not all we claim it to be.

Remember—The Paper for
One Year and the book
ONLY \$1.50

Can You

THINK of any other commodity except news-
papers and their like whose price has remained
unchanged and unchanging year after year

Why, then, should your newspaper's price remain forever the same—
same, for example, as when you could buy

a cord of wood for \$1.50
a bushel of wheat for 50c
a common fowl for 30c
a dozen eggs for 10c
a pound of butter for 12c
a cow for \$25

The war has brought us a crisis a condition of things which has vexed
publishers for years the selling price of their news paper. It has sent
prices of paper, ink, type and supplies skyward. It is costing us more
dollars to produce The Free Press than before, consequently we must get
more for The Free Press

Subscription \$2.50 and in the United States \$3.00

COMMUNICATION

Hustling, Dec. 1916

Dear Mrs. Peter:

Just a line thanking you very
much for several copies of the
book of the Alia Red Cross Society

and other such values on the road.
With you thank them all for me
most heartily. They have been
so good and have been forgotten
on my way out. I expect to
look back again to the first some
as I have been charged from
hospital. Well, I don't get a
copy to the New Zealand as yet
though the books I hope to see
you again when this comes in
later. Mention with best re-
gards and thanks to all the
family and best wishes for a
Happy Xmas and Happy New
Year.

With kind regards,
W. L. Wright

JANUARY WE DING

A quiet wedding took place on Wednesday January 10th at 10:30 a.m. at the home of the bride's father, at Mirror, when Edith Haines, daughter of Mr. & Mrs. C. Haines, the bride, and Mr. & Mrs. W. C. Haines, the bridegroom, were united in the bonds of matrimony by Rev. J. H. Haines, pastor of the Methodist church at Mirror.

The bride who was given away by her brother, entered the parlor in the attire of a wedding march, escorted by Miss D. Walker of Leduc.

The bride was very becomingly attired in a cream de-bone satin gown with silk all-over lace and pearl trimmings, and carried a beautiful bouquet of white roses and lilies. Only the relatives of the bride and groom were present, and many were the beautiful presents which they received.

After a most splendid dinner the happy couple left, with a shower of rice, on the L.R. train for their new home in Mirror, Sask. where they will be at it another five years.

RED CROSS NOTES

The very pretty tin cany donated by Miss A. B. Bismarck brought in the nice sum of \$5 through the kindly efforts of Mrs. Siddons and Mr. M. M. S. Parley. Mr. F. R. Mitchell was the fortunate party to carry home the prize.

A new shipment of garments has just arrived to be made up. What are you doing in the great battle? Don't you think you could help a little? Think for a moment what these fighting men have given up for you. Won't you devote a little time now for them? Save your appreciation in some way, by saving these garments for some one's boy.

Miss Hood and Maryann are getting up a concert in aid of the Red Cross, to be given some time next month.

Paul Torgler unveiled another work of his Valley and the world.

In the matter of the Estate of John
Good late of near Alix, Alberta, Pass
by, deceased

NOTICE is hereby given that a person having claims upon the estate of the said John Ward, deceased, on the 8th day of June, 1908, are required to file with the undersigned Karetchuk this will, by the 8th day of March, 1909, a full statement duly verified by oath, of all claims and securities held by them, and that after that date the Executor will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed or brought to his knowledge.

Dated this 8th day of February, 1909.

Alfred E. Shore,

Once more we approach the season of Lent. The word Lent is derived from the old English "Leahten" meaning spring. For centuries the season has

Dear Sir:—Kindly allow me space in your paper to correct an error which apparently exists in the notice of some of our residents. Namely, that Open Valley School District is not paying sufficient taxes to take care of the transportation of their children to Allis. I was at the meeting on Monday and some of your reporters make this assertion. Before we act on the statement for 1916 as taken from the books of the secretary of the consolidated district:

Teacher's gross	\$120.75
Van Grants	\$18.00
Tax levy	\$148.75
(148.75) 50 p id	92.50

Total receipts	\$1407 00
Paid to van drivers	019 00
Balance	\$1388 00
Plus 1911 taxes unpaid	\$403 85
Total no. 1 transport station	\$1791 85

I do not claim that Open Valley is paying its way (we were never expected to do so) but the above is proof sufficient that we are paying taxes above the cost of transportation, and helping to meet the other expenses connected with the operation of the Consolidated School District.

Signed,
C. N. Williams

from the subject was "I wasn't trespassing on property I gave you my right to trespass on." The boy was sitting on the ground, and eyeing me with teeth bared. I thought about all the letters I had been writing my mother and how practically nothing was coming of it. I stood up and began to walk away, and the boy followed me. I said, "You can't help. I suppose it had to be found out some day. I don't want to say any more about the letters." I said, "From every crime in his field."

The Chas. H. Smith & Company Novelty Entertainers, will appear in Alix tomorrow (Saturday) evening in high class vaudeville and Farce Comedy, introducing a practical feature with acrobatics, stunts and stunts. See Dany Hanks, the acrobatic tramp, in dancing and comedy. Come and laugh. Admit also 25c and 10c. The program call for a dance after the show.

WE NEED YOUR HELP

From time to time there has appeared in our columns an invitation to our readers to send in anything in the way of news, yet last week we received a jacking-up for not reporting a certain line of news which would have been of benefit to the community. While we try to cover the ground and record every thing of interest we are not acquainted and if the party most interested fails to give us the news he has himself to blame, not us. If this gentleman and a few of our business men could get together and make up a committee to look after the news of the town and the district more to the editing, as it is we have a limited time at the paper's disposal and must publish in that time. Again we say every little thing helps.

Notice!

Members of the 191st orchestra of Calgary will supply the music for the I. O. O. F. "At Home" on March 23rd.

The short is the substance of the notice, as we have received from the 191st orchestra of Calgary (Thursday). It had been rumored that the services of said orchestra were not available and we take this opportunity of contradicting the report.

A FEW FACTS

Every family should have a mirror which should "ring in" and all other things it needed. These mirrors are inexpensive and can be made at home. Take a piece of sliding two feet long and white one end to a handle. Take the child that needs a mirror and hold him over a bar. Now look the sliding and use it as a mirror. Put it on the back dividing the strokes evenly and use that same idea. Good for a girl or boy up to 12, and three applications are required to cure the most pronounced case of almost balding that exists. The mirror is said to be more effective than anything. "Where is my wandering boy tonight?"

So many women expect to reap an enormous yield of grain from one little grain of corn, but a lot of so-called business men who have a little old firm or the lack upon the local paper once a year and then spend fifty-one weeks hawking their "miraculous" thing doesn't pay. —B.

A man is wealthy who has a happy home life, a business in which he is interested and successful, a passion for growth, the ambition to be of service to a fellow man, and health. With these he has all he wants and he need not get more out of life.

The . . .

Veterinarian

A Book which will prove a blessing to the Stockman

The Free Press

Special Offer to Our Subscribers

We have just completed arrangements whereby we are now able to give as a premium with every yearly subscription in advance to The Alix Free Press one of

Dr. Charles J. Korinek's Veterinarian Books

Dr. Charles J. Korinek is one of the most eminent Veterinarians in America and was former State Veterinary Surgeon for the State of Oregon

This book consists of 750 pages containing over 1000 reliable prescriptions and treatments for diseases of domestic animals. It is written in plain language so that anyone can understand it and is sold everywhere at \$2.50 per copy.

The success of every farming community largely depends on the health of its livestock. You cannot afford to be without the "Veterinarian." We have only a limited number of these books and The Free Press will cost you \$1.50 anyway so be on time and get a "Veterinarian" FREE

This is a rare chance to get a valuable book, the only one of its kind in circulation, which will surely save you many \$ by helping you to care for your stock. Money will be refunded if the book is not all we claim it to be.

Remember-The Paper for One Year and the book ONLY \$1.50

Can You

THINK of any other commodity except newspapers and that like whose price has remained unchanged and unchanging year after year

Why, then, should your newspaper's price remain forever the same—like mine, for example, as when you could buy

a cord of wood for \$1.50 a bushel of wheat for 50c a common fowl for 25c a dozen eggs for 10c a pound of butter for 10c a new pair of shoes

The war has brought to a crisis a condition of things which has raised the price of paper, ink, type and supplies skyward. It is costing us more dollars to produce The Free Press than before, consequently we must pass on The Free Press

KEETON-WOOD

A quiet wedding, which is of interest to Alix people, took place in Stoller on Tuesday March 20th at 8 p. m., when Hazel, fourth daughter of Mr. and Mrs. A. M. Keeton, was united in marriage to Mr. Tom Wood at the home of Mr. and Mrs. George Rathburn. At the time the ceremony being performed by the Rev. Mr. J. H. Smith of the Presbyterian Church.

The bride was beautifully attired in a costume of silk crepe cloth and carried a bouquet of white flowers.

At the conclusion of the ceremony the happy gathering sat down to a sumptuous wedding dinner comprising all the delicacies which the season had to offer.

After spending a couple of days at the home of the bride's parents Mr. and Mrs. Wood left for their home at Vancouver, B. C., carrying with them their bride from a home of friends.

Among the guests at the wedding were Mrs. H. Heston and Mr. A. McDevon of Alix, visitors from the bride.

DEATH OF MRS. COATER

It is our duty this week to chronicle the death of Mrs. George Coater, beloved wife of Mr. Elmer Coater, which will occur last place at their home at nine o'clock on Monday, March 19th, after an illness of last a few days.

The deceased, who was born in 1841, was born at Milton, Scotland, England, on October 10th, 1841, and came to this country some fourteen years ago. Six years ago she was married to Mr. Coater, by whom she is survived today with two little children, four and two years, and one daughter, Mrs. Coater now residing, kindly by, motherly woman, one who was devoted to her family and all will be greatly missed in the mourning home and old Alix' town.

She was beloved by all who knew her and a large circle of friends join in a extending sympathy.

The funeral took place on Wednesday, March 21st, at 10 o'clock and the casket to the Alix cemetery where interment took place, the services being conducted by the pastor, Rev. M. H. Heston.

THOSE WEDDING BELLS

A very pretty wedding was celebrated at the home of Mr. and Mrs. A.M. Keeton, Balthora Hill, on Monday afternoon of this week when their third daughter, Mary, and Mr. Louis Steinley Sweet, the popular station agent at the C. P. R., Alix, were united in the holy bonds of matrimony by Mr. Wm. Glegg, pastor of the Presbyterian church, in the presence of the immediate relatives.

At 6 o'clock the bride beautifully gowned in a costume of white lace, entered the parlor where she was given away by her father. The bridal party then repaired to the dining room where all sat down to a sumptuous repast to which all did honor.

The young couple are well known throughout the district where they are very popular and a host of friends join in wishing Mr. and Mrs. Sweet a happy and long trip down the road strewn with married life.

The young couple left about 8 o'clock for view and guests, on Tuesday morning for their

My Dear Mrs. Darlow
On my return from Scotland I had a pleasant surprise awaiting me, the parcel which all the lovely friends sent me from Alix which arrived in good order. It was a kind of you all to remember me and I wish you had not so long after the mail, etc. Yum, yum.

We had a lovely spring season. I never saw the ocean so calm. We were so busy but were prepared there was an escort along, we had two guns on board, one fore and aft, and 180 projectiles to work them. Every, there were 5000 troops on board.

We had a horrid time after our arrival, with measles, mumps, diphtheria and gastroenteritis. For a month we were not allowed to come on land, it was just like being in jail.

The installation is nearly all broken up now. I asked for a train for and was not over here although so the owner continues on the Island in Westchester. I like very much and am interested in everything made there. I saw the land a large gun the other day. It took two 8 ft ones to hold it, and was at least 60 ft long.

Now, I must let you something about the country. It is a horrid climate, give me Henry Alberta, and everything is so high.

I had a couple of weeks' leave and went up the St. Lawrence to the Gulf, especially with me, the St. Lawrence, I went to the Gulf. I was very to the Gulf and I was very to the Gulf and I was very to the Gulf.

Please thank all those dear friends who helped with the parcel.

Now I will stop as it is too late and the hours are dwindling down from 8 a. m. till 9 p. m. the boys included. I have to get up every morning at 6 a. m. the boys included.

Now give my love to inquiring friends and thank you again. Yours truly,
Sgt. Alex. Macdonald

NOTICE

After Saturday, April 14, the elevator will be closed till the end of evening.

We would like to see these men awarded medals and have them at their post of duty.

The entry of the U. S. into the Great World War has made a difficult situation still more difficult. Prices already high are advancing by leaps and bounds.

Nearly all foodstuffs are soaring skyward, notably Sugar and Flour and are likely to see much higher prices.

Many of our customers sounding danger have bought and are buying flatter. We congratulate them upon their foresight.

We cannot offer you low prices—that is a thing of the past but we can and will give you good value for the least possible margin of profit. Let us serve you, we will do you good.

Tea and Coffee are still fairly reasonable in price—Buy Now.

House cleaning is now the popular game. We carry a good line of Brooms, Brushes, Sops, Etc.

We have a nice stock of High-Class Beds and Chairs (bought before the crisis) which we can sell at less than wholesale prices.

Interesting to Ladies:

The Misses Johnson, Fleetish, will display in our store on Wednesday, April 25th, an up-to-date stock of Millinery, Etc. Ladies cordially invited.

DEATH OF MRS. GREEN

The death occurred at Edmonton on Thursday last week of Mrs. George W. Green, at the age of 65 years.

The deceased was born in Prince Rupert, Quebec, where she spent her childhood days, but later the family moved to the States, residing for a great number of years in Dakota and Iowa. Fifteen years ago with her husband and family she moved to Alberta and Alix where she continued to reside until five years ago when the family moved to Edmonton.

The late Mrs. Green was a devout Christian, being a member of the Presbyterian church, and in Alix and district was much beloved and trusted as a kind motherly woman, one who was ever ready to lend a helping hand to the needy.

The funeral took place at the Edmonton cemetery on Saturday. We join in extending sympathy to the bereaved husband and surviving family.

U. F. W.

The dramatic play "Jesse of Arc" which was reproduced in the Mosaic Hall on Saturday afternoon last, was much enjoyed by those who had the pleasure of attending it. Much credit is due to Miss Margaret and Band and their troupe for the stirring song they displayed in producing and staging such a play, one which in times like these grips our hearts with a sense of the reality of present history and aims in us a desire for the possession of protection that inspired the immortal Jesse. It is to be regretted that so many neglected to attend the play.

The sum of \$16 was amount. Contributions to Red Cross: Miss Cleaves \$10.

The ... Veterinarian

A Book which will prove a blessing to the Stockman

The Free Press Special Offer to Our Subscribers

We have just completed arrangements whereby we are now able to give as a premium with every yearly subscription in advance to The Alix Free Press one of

Dr. Charles J. Korinek's Veterinarian Books

Notes—Dr. Chas. J. Korinek is one of the most eminent Veterinarians in America and was former State Veterinary Surgeon for the State of Oregon

This book consists of 250 pages containing over 1000 reliable prescriptions and treatments for diseases of domestic animals. It is written in plain language so that anyone can understand it and is sold everywhere at \$2.50 per copy.

The success of every farming community largely depends on the health of its livestock. You cannot afford to be without the "Veterinarian." We have only a limited number of these books and The Free Press will cost you \$1.50 anyway so be on time and get a "Veterinarian" FREE

This is a rare chance to get a valuable book, the only one of its kind in circulation, which will surely save you many \$ by helping you to care for your stock. Money will be refunded if the book is not all we claim it to be.

Remember-The Paper for One Year and the book ONLY \$1.50

Can You

THINK of any other commodity except newspapers and their like whose price has remained unchanged and unchanging year after year

Why, then, should your newspaper's price remain forever the same—the same, for example, as when you could buy

a cord of wood for \$1.50
a bushel of wheat for \$1.50
a common fowl for \$1.50
a dozen eggs for \$1.50
a pound of butter for \$1.50
a cow for \$30

The way has brought to a crisis a condition of things which has vexed subscribers for years; the selling price of their news paper. It has been a constant of paper, ink, type and expensiveness. It is costing us more dollars to produce The Free Press than before, consequently we must get from The Free Press

Subscription \$1.50 and to the United States \$2.00

THE PLOW OUR HOPE

This was One of the Significant Phrases Recently Used by the Prime Minister of Great Britain

There is Only One Way to Reduce the

HIGH COST OF LIVING That is to INCREASE PRODUCTION

Everyone cannot OPERATE A FARM, but every GARDEN that is cultivated this year will increase the Food Supply.

EVERY KID YOU SEE
will make more children, and the more children, the more the INCREASED PRODUCTION IN CANADA. The more is the WAY IN WHICH YOU CAN HELP.

THIS SHOULD BE CANADA'S GREATEST YEAR OF NATIONAL SERVICE
The most common to everyone. Whether you live in a City, Town or Village or in a house, the nation has need of your produce, it will help.

The Alberta Department of Agriculture is at your service in this work. If you want information or assistance, write to the Department, or write to the nearest branch of Agriculture or Demonstration Farm and your request will have immediate attention.

TEST ALL THE SEEDS YOU SOW

We will do this for you if you send in samples of the seed.

FARM HELP. If you require farm help, write to one of the following—

Agent of Department of Agriculture, Board of Trade Building, Lethbridge.
Agent of Department of Agriculture, Dairy Commissioner's Office, Calgary.
Agent of Department of Agriculture, Office of Forestry Commissioner, Edmonton.

Let this year be one of

THE GREATEST EFFORT OF ALBERTA

We shall be pleased to assist you in your "Vegetable Gardening."—Poultry Raising or any other agriculture, indoor or out, as well as to give assistance through the officials of the Department.

HON. DUNCAN MARSHALL,
Minister of Agriculture

Messrs. Packer and Mitchell returned on Thursday from their month's tour in B.U.

The interior of the Meslow Creamery has been undergoing a change during the past week which will make it up to the minute in every way.

RED CROSS NOTES

The next sewing afternoon will be held in the Parish Room on Wednesday next at 2:00 when the volunteers will be under the direction of Mrs. Wm. Dring and Mrs. E. E. Anderson.

If anyone has a sewing machine not in use the Red Cross will be glad to hire one.

We are grateful to the steady worker at these sewing afternoons and would like to see a greater number avail themselves of these opportunities of showing appreciation for what is being done for them over there. We will gladly welcome all ladies who are willing to put in a stitch or two. Won't you come?

The secretary will be glad to receive your April contribution—can you bring it?

RED CROSS NOTES

The Red Cross work has been moved from the Passmore store to Mr. Dick's office. Members of the committee will be present every Saturday afternoon to assist and receive work. A number of shipments of food have arrived and many are out to private individuals willing to work.

It is hoped that many of our ladies will be able to help with an effort. Our boys are fighting every day of the week. Sunday is a legitimate day for Red Cross work. In all large cities Red Cross parties are held after church, and go on with this very practical Christmas work. A lady with a returned soldier, especially with one who has returned recently, is a great blessing for a Red Cross worker. Never has money been more needed than right now.

Thanks are due to Mrs. T. Panter for her loan of a new car to Mr. D. W. of Ekin for a number of days. It was used by Mrs. D. W. for a number of days and brought in \$10.00 each. Mr. D. W. of Ekin for a number of days and brought in \$10.00 each. Mr. D. W. of Ekin for a number of days and brought in \$10.00 each.

The weekly meeting will be held at 8 o'clock Wednesday in the Parish Room attached to the Anglican church until further notice which will begin at 8 o'clock.

DEATH OF MISS RUSSELL

The death occurred at Lacombe, eldest daughter of Mr. and Mrs. F. Russell, at the age of 31 years and 7 months. The deceased was taken to Calgary on April 2nd where she underwent an operation for internal trouble and the wound having healed she was doing nicely. On Saturday of last week, at her request, she was brought to the Lacombe hospital to be nearer home and under the care of the family physician, but her strength failed to return and she succumbed to heart failure on Wednesday morning.

The funeral takes place today (Friday) from the Presbyterian church, where service will be conducted by the pastor, Mr. Wright, at 1 p.m., to 1:30 p.m., at cemetery where the funeral will take place.

The young lady was well on her feet, namely: Post (Glenora), Free Press, Daily Herald, Lloyd, Kellie (Glenora) and (Glenora).

We join the many friends in extending sympathy to the family in their hour of bereavement.

Local Interest

East Hall who has been with the Union Bank at Urmah for the past couple of years, returned to Alix on Tuesday of this week.

J. B. Markie is in Calgary this week, having gone down for his "leave-of-absence."

Regular meeting of Diamond L. L. O. L. on May 1st.

We wonder if our citizens are sincere in their desire to squish the proposed "Transient Traders Bazaar?" If so they will have to get busy. The only way to put their vote on this legislation is to present a petition, signed by the citizens, to the council board at their next meeting on May 7th, and we would also urge that they get in a body to present. In the best interests of Alix and district this bazaar should be thrown out.

R. Wadger is moving onto a farm for the summer but will be on the job for any work in his line. If you want to make arrangements for a foundation or anything else in the village Blacksmith.

A good paper is necessary to any community. It is the home paper that keeps the people of the community in touch with each other by giving them all the news of the town or neighborhood. For that alone they are of value and worth far more than the small subscription price. They keep the local pride and progressive spirit awake and in various ways are found for more to a community than a newspaper ever spends on them. The daily paper, with its large news service and quicker facilities may be some instances over and over the weekly but the weekly home paper fills a place in the hearts of the people that the daily cannot fill. It comes to your home as an old and tried friend while the daily enters as a stranger.

Miss Johnson of Seattle was in town a couple of days this week with an angina checta of summer heat, drowsy, etc. She was quite satisfied with the results made during her visit.

At the Liberal Convention in Lacombe on Monday Mr. Puffer was again chosen to contest this riding in the Liberal interests at the forthcoming election.

Building material is still going up but in these unparalleled prosperous times the high prices do not check buildings from getting up also.

A. G. Dittie was a business visitor to Red Deer on Monday.

A department of business men from Miramichi in Edmonton this week endeavoring to have a permanent bank place a branch in their town.

Twenty of next week is the Best of May.

Have you caught the change?

It feels like spring but we wish the nights would warm up.

The 50th anniversary of the founding of the Independent Order of Oddfellows in America was celebrated in Alx on Sunday last when Alx Lodge No. 14, and the sisters of the Rebekahs, gave a splendid dinner service in the Presbyterian church. Rev. Brodley of Olney, a member of the Order, occupied the pulpit and his discourse was interesting and highly pronounced at the organ.

Dr. Shiner was in Red Deer on Monday and Tuesday.

Monthly session of the village council on Monday evening next.

On Monday afternoon a case of assault was tried before two of our local justices. The complainant was Mr. J. G. Goss and the defendant was Mr. H. Baker. After summing up the evidence the honorable learned a fine of twenty dollars and costs on the defendant.

We understand that next week a new C. P. R. service will be inaugurated, the run to be between Red Deer and Kiverton.

Undertaking is in order. Have you made a start?

Beautiful this time, a lamp of clay. Just under Peter Dunlop, who was in the month of May. Took of his winter equipment.

RED CROSS NOTES

The monthly meeting of the
Red Cross Society was well
attended. The following were
present: Mrs. J. J. Mahaffy, Mrs.
J. J. Mahaffy, Mrs. J. J. Mahaffy.

May 15, 1917

President Mrs. J. J. Mahaffy

After Mrs. J. J. Mahaffy accepted
my resignation as secretary of the
Albx Branch of the Red Cross
Society. We were leaving Albx in
a little while which will make it
impossible for me to fulfil the
duties. Wishing this branch
every success and thanking all
the members for their co-operation
which has made the office
pleasant.

Believe me to remain,

Yours faithfully,

Albx Branch

After a vote of thanks for her
work and the pleasure of having
her observations on Red Cross
workers in other towns and
districts. We are still doing our
share. In one place which smaller
than Albx 100 pairs of socks was
the average now only 100 pairs, while
42 inches was the average weekly
attendance at the sewing meeting.

Mrs. Pomeroy desired to ex-
press thanks to all those who had
helped her in the past. Mrs. J. J.
Mahaffy had been always ready to
convey them to the depot and
bring back bales of work. He
had never given tired of cutting
sewing machines about and had
been a real help. Then again Mrs.
Mahaffy had been always ready to
bring them through the train by keeping
the paid a well informed state of
the needs of the Society. It was
impossible to mention all the people
who had helped.

Later in the meeting a vote of
thanks was passed in Albx. Pomeroy
who had helped in the
sewing of coats that had gone
from here and had given society
free use of his upper floor for so
long.

According to the value of \$75.00
were paid.

The new secretary-treasurer
Mrs. W. H. Mitchell who has up
till now been superintendent of
supplies. Mrs. E. Parley now has
taken over.

The Society still feel that their
provision income is a drawback
to good work. The expenses this
month exceeded the income. However
a donation of the new suit for
medical supplies in addition
to the monthly \$10 for Soldiers'
Comfort Kit-Bags. The committee
feel sure that the citizens
who provided one have not paid
yet. Mr. Mahaffy also
is a good time to pay. Mr.
Dawley's old office, now the work
room is open from 10 a. m. to 5 p. m. every
Saturday.

If you have any business to do with a bank, put it off until two o'clock, or, in principle, a little later, as it has more business like to rush in just before the clock is closing.

On depositing money, try to get a receipt drawn and a strong endorsement so that the teller may have a reference in straightening it up before returning it.

It is best to ask your bank to withdraw but call at another time to have it credited. You can then use the money to the bank where one was

This Good Old Remedy

Isn't just a purgative. Quite the contrary. It makes purgatives unnecessary by loosening the liver flow.

Take small doses regularly—a larger dose only if you're sure you need it.

That's been the rule of healthy, virgility, happy folk for 60 years.

Caution: Faces often show the absence of liver flow. CARTER'S IRON PILLS will help this condition.

Doctor Tells How to Strengthen Eyeglass 50 per cent. in One Week's Time in Many Instances

Many people who wear eyeglasses are not aware of the fact that their eyes can be strengthened. A doctor has found that in many instances, the strength of the eye can be increased by 50 per cent. in one week's time. This is a remarkable achievement, and it is a remarkable achievement that can be accomplished by many people who wear eyeglasses.

A FINEST TOBACCO OF THE FINEST QUALITY

for three days, it was not as good as the bread we became quite fond of. The grain was even less husbanded in the ordinary way, made into loaves, and baked after being allowed to "rise." Bread made in this way has a much higher food value than the ordinary article, and even the break has useful dietary qualities.

the veterinary exhibits. There will also be exhibits of grain, grasses,
grain, weeds, samples of Canadian work on the Agricultural Institute
dairy products, and Farm Dairy Equipment.

FARM WOMEN'S SECTION
There will be one car containing exhibits from the Household Science
Department of the Ministry of Agriculture, and another under the direction
of the Women's Institute Department, where demonstrations will be
given in large quantities, cooking, and in the making of various products.

U. F. W.

At the meeting on June 8th at a hall held at the home of Mrs. McEwen of Edmonton, who addressed the meeting, giving to those who had the pleasure of hearing her some most inspiring and instructive ideas in regard to our work as domesticity and public women. In succeeding a vote of thanks to her for her address Mrs. Barris took up the subject of conservation of food which Mrs. Malvine had touched on. We agreed to save the transportation food such as meat and wheat and use more largely the products of the soil.

A joint picnic was arranged by the U. F. A. and U. F. W. A. for July 14th on the river. The picnic was given by Mrs. Barris, Mrs. McEwen and Mrs. Malvine. The picnic was held at the home of Mrs. G. H. Findlater on Wednesday, July 12th at 2.30 p.m.

The sewing box held last week at the home of Mrs. Barris was very well attended and a nice lot of work was accomplished.

A shipment containing the following articles was forwarded to Calgary on July 1st.

CHAMPION MILKER IN ALIX DISTRICT

Walter Free Press
Dear Sir—Certificates have been received from Ottawa for the following cows qualified in the Standard of Performance:

Queen Queen Wayne (sire) 28.00 lbs. milk, 94.00 lbs. butter
Lola Duke Lady (sire) 17.00 lbs. milk, 73.00 lbs. butter
Alixie Males Christie (3-year-old) 11.84 lbs. milk, 57.00 lbs. butter
Alixie Males Wilhelmina (3-year-old) 10.61 lbs. milk, 50.75 lbs. milk (1 year 358 days)

We have also received a report published from Ottawa giving a list of all the cows qualified. It reads in part: "During the month of April 50 cows and heifers qualified in the Record of Performance."

Queen Queen Wayne, owned by P. Russell of Alix, Alberta, leads the matter sales for the Dominion of Canada, bringing Champion Cow of the Prairie Province with 94.10 lbs. milk, 94.00 lbs. butter and 20.00 lbs. milk. It is worthy of note that this record was made without any outside help or assistance and at an altitude of 2700 feet above sea level.

We cannot remember that the average price for cows is \$100.00 and the price of this cow is \$150.00. It will give you some idea what our cows are doing.

Yours truly,
P. Russell & Sons

OF LOCAL INTEREST
The attention is under way for the new residence being erected by Mr. Panuscher on his farm west of town.
Mr. Orvig wishes to heartily thank the ladies who decorated the church for the special service last Sunday evening.
One day this week Mr. J. Todd brought to our office six stacks of rhenish which tipped the scales at 44 pounds. By the way, it would pay you well to see the garden in which these stacks grew. There are a large number of beautiful gardens this year but no equal Mr. Todd is in the land.
We have made arrangements with a Calgary firm for the handling of farm lands and are desirous of securing listings. The next time you are in town have a description of your property at The Free Press office.
Mrs. E. H. Henderson of Calgary came up on Saturday and is spending a month with her parents, Mr. and Mrs. Schlegel.
Mr. and Mrs. O. Gilmore and the Misses Pearl and Rose visited the Edmonton Exhibition on Tuesday.
The wheat throughout the district is heading out slowly.
Mrs. O. R. Stone and two children are spending the week with her sister, Mrs. Herman Henderson of Camrose.
A joint picnic was arranged by the J. F. A. and U. F. W. A. for July 18th on the Red Deer river. Arrangements are under way for the holding of a joint picnic

Flower Show in The Methodist Church

The Flower Show to be held on Saturday, July 28th, will be opened by Miss Noble of Dayland, Provincial President of Women's Institutes, at 2 o'clock. A special feature of this year's show will be the Tea Gardens on the pattern of a Cafe Chantant, served by the younger members of the club who will be the dress of French peasants.

The gardens will open at 3 and everything sold there for the benefit of the Red Cross Society (U. F. W. A.) Tea, ice cream and cake served; candies sold. We hope the show of flowers may attract many and that we may have a larger crowd than last year. An entrance fee of 10c for adults, children under 13 years free.

In the hall will be stall of useful articles sold for the benefit of the club, at which will be found many interesting things. Will all concerned bring candies for sale next Saturday to our hall. Let me mention also that all exhibits of flowers, etc., must be brought in to the church on Saturday, 28th, before 12. After that time they will not be open to competition.—Jean O. Reed.

ALIX RESIDENT HEARS FINAL SUMMONS

The death occurred on Saturday last of a highly esteemed resident of Alix when Mr. Everson Early obeyed the final summons.

The late Mr. Early came to Alix from the U. S. with his wife and children some eight years ago and with the exception of a year in Edmonton has resided continually in our midst. He was born in the state of Iowa on March 17, 1858, and has ever been known as a quiet, honest, and industrious man, thereby winning a large circle of friends wherever he located.

In April of last year his life partner was stricken and he left the loss nearly twice so great as he had anticipated the end, but the ultimate result of death was more of the stomach. Up to a few hours of his death he was perfectly conscious and the end came in a peaceful sleep.

He is survived by a family of two sons and three daughters. Mrs. Fred McDonald of Two, Mrs. E. E. Farlow of Canora, Mrs. P. T. Graham of Chicago, Frank of New Albany, Kansas, and Harry of Alix.

The funeral took place on Monday last from the Presbyterian church, Mr. Grigg conducting the service at church and graveside.

The pallbearers were Messrs. E. L. Toepfer, G. A. Thompson, W. L. Potter, A. G. Blais, W. G. Patrick and P. C. Toepfer.

RED CROSS NOTES

The roll of four donated by Mrs. F. R. Mitchell realized the sum of \$615. Mrs. Walter Purley being the lucky winner. We are grateful to Miss Katie Ross and Miss Arnold for selling the tickets for rolls.

The next sewing bee will be held at the home of Mrs. C. H. Pinnell on Wednesday, July 25th at 2.30 p. m.

MARRIED

At the Presbyterian manse, Alix by Mr. Wm. Grigg, on Wednesday, July 18th, Miss Christian Pedersen and Elaine Rieder, all of Jarvis, Alberta.

BORN

At Alix on July 17th, to Mr. and Mrs. Bert Harris, a daughter.

WHO MAY COLLECT

At the last meeting of the Great War Veterans' Association, Alberta branch, the following resolution was passed:

Resolved.

"That the Secretary of the Provincial Executive be authorized to issue a circular letter to Mayors, Wardens or Chiefs of Police of all Villages, Towns and Cities in the Province of Alberta, warning them that only those persons or persons who can furnish recommendations from the Provincial President or Secretary, or President of Local Association, are permitted to solicit money, hold banners or in any way endeavor to solicit financial assistance for the Great War Veterans' Association of Alberta, on any of its units."

Horace Estrey

SAND A NECESSITY

I observed a locomotive in the railroad yards one day.
It was a waiting in the roundhouse where the locomotive stay;
It was waiting for the journey, it was called and fully manned,
And it had a box the wheels was filling full of sand.
It appears that locomotive cannot always get a grip
On the slender iron pavement, unless the wheels are wet to slip;
And when they reach a slippery rail, they screech and scream.
And to get a grip upon the rail, they sprinkle it with sand.
It's about this way with travel along life's slippery track;
If your load is rather heavy and you're always sliding back;
So, if a common locomotive, you completely understand,
You'll then, by yourself is starting with a good supply of sand.
If your track is steep and hilly, and you have a heavy grade,
And when you're before you have the rails quite slippery made
If you ever reach the summit of the upper level road,
You'll find you'll have to do it with a liberal use of sand.
If you strike some frigid weather, and discover to your cost
That you're liable to slip on a heavy coat of frost,
Then some prompt, decided action will be called into demand,
And you'll slip down to the bottom if you haven't any sand.
You can get to any station that is on life's slippery track,
If it's then for beneath the boiler of a locomotive's strong machine,
And you'll reach a place called Freshness at a rate of speed so good
If for all the slippery places you're a good supply of sand.
Now, this locomotive I observed has taught me how to live,
But my faith must not be punctured like a farmer's window pane,
I must stand my ground in confidence that all will turn out well,
Then the good will go to heaven and the bad will go to hell.
The place they fit these lines for:
Uncle Peter of the Gospel was as timid as a sheep,
When he viewed the stormy waters all his nerves began to creep,
But when he observed the Master standing by upon the sand
Then he tread the waters safely with a firm and steady hand.
So with life, one end to follow, you must have a grasping grip
(in the sand, or the other fallers you will get by the hip.
But if you keep both steady on the ground in command,
You will not regret the placing of your feet upon the sand.

Mrs. — I should think that
you would get tired of going motoring
alone.

Andy—Oh, I usually run across
somebody before I have gone far.

Flower Show in The Methodist Church

The Flower Show to be held on Saturday, July 26th, will be opened by Miss Noble of England, Provincial President of Women's Institutes, at 2 o'clock. A special feature of this year's show will be the Ten Gardens on the pattern of a Cafe Chateau, served by the younger members of the club given in the dress of French peasants.

The gardens will open at 8 and everything sold there for the benefit of the Red Cross Society (R. F. W. A.). Tea, ice cream and cake served; candies sold. We hope the show of flowers may attract many and that we may have a larger crowd than last year. An entrance fee of 10c for adults, children under 18 years free.

In the hall will be stall of unusual articles sold for the benefit of the club, at which will be found many interesting things. Will all concerned bring candles for sale next Saturday to our hall. Let me mention also that all exhibits of flowers, etc., must be brought in to the church on Saturday, 26th, before 12. After that time they will not be open to competition.—Jean C. Reed.

Editor Alix Free Press:

Dear Sir—Within my whole eleven years as Inspector have no pointed me as you attack me in your write up at the Alix school sports in your issue of June 26th. The attack was such a piece of sheer injustice, I am sure, that had both eyes opened and saw that in the program handed to him by the management the words in No. 5 "unaccompanied by musical instrument" were crossed out, in fact, so the item read simply "Individual Singing."

If the committee in charge straggled out the above restriction it is evident that they intended to allow an accompaniment by a musical instrument. Parties who attempt to write up events should first inform themselves of the conditions under which they are held. I took charge of the drill and singing at the request of the management in order to put the program going. After attending the sports and fair at the conclusion of time and the personal discomfort to which the night kept me as I had to drive home that night thirty miles in the mosquitoes!

Of bank, just "just" mosquitoes, it does not give one a pleasant feeling of reward and gratitude to be treated as I was in your paper.

In Wabaker your authority for using such chemical words as "bank" is lacking.

If you want to put the matter fair before the public why not show your statement that Alix got awards in 11 classes, and Ripley 6th, rounded the public that Alix is a three-teacher school, and Ripley a one-teacher school. Thus Alix averaged only 17 points per teacher. Also in the basketball that Mirrer is a three-teacher school, Beaver a two-teacher school, with no high school boys, and Ripley a one-teacher school. A school with twenty to thirty pupils from which to pick a basketball team cannot be expected to compete successfully with one that has sixty to seventy. And any party writing up a school fair or sports, with any desire to put the matter fairly and squarely before the public would mention the size of the school.

I cannot see but that I played my part and that I brought the matter as far as I was concerned in the drill and singing, and I trust the management of the fair and sports feel the same.

F. B. Thibodeau, Inspector of Schools

"Stagnant to few girls at once" mentioned the horrified reader.

"How do you explain such abuse?"

THE KIND THAT HELPS

If you should see a fellow man with trouble's heel unbarred, And looking like he didn't have a friend in all the world, Go up and slap him on the back and holler, How'd you do? And grasp his hand so warm he'll have to have a friend in you. And ask him what's a-burttin' him and laugh his cares away, An' tell him that the darkest hour is just before the day; Don't talk in graveyard parlour, but say it right out loud, That God will sprinkle consolation in the trail of every cloud.

POEMS OF PASSION

It's time to be a somebody. The friend of Mr. It. I've got to stand on velvet. When you have to do you hit. Oh, the tale that goes a-begging. Oh, the children you can't deny. If your pain has got a cousin Who is booming on the roof. It's tough to be a Nobody. Ask work for Mr. His. To sweat up drill till midnight And to go parade at night.

Thinking fast-foot how to double— Thinking one-foot men to shoot When you haven't got relations And you're just a common Loon! The world would willingly snog. The master of good byes. If all the girls who would be wives Can only say, come.

Gold is generally at a premium when a dentist handles it. Men who know themselves are often suspicious of others. London is the father of profligate and ignores the mother. The law said about the age of women and married girls the matter.

You better to have kissed once than never to have kissed a man.

Prize Winners at Flower Show

The annual flower show, under the auspices of the U. F. W., was held on Saturday in the Methodist church. In spite of the weather, a surprising variety of flowers was brought in, filling the long table arranged for them with a mass of fragrant bloom. From beautiful crimson roses to hardy wild flowers of the prairie.

Mrs. Noble of Dryden, who is President of the Women's Institute of Alberta, kindly acted as judge and opened the flower show with an appropriate address.

A sale of work for the benefit of the club and Red Cross branch was also held.

The tea garden, with its bery of maidens in the picturesque costume of French peasants, was much patronized and appreciated. The carrying out of such a program by busy farm women requires untiring energy and some sacrifice and much credit is due to them for their yearly effort.

The fine display of vegetables brought in by Mrs. Schnepf and Mrs. F. Pinell were donated by them to the Red Cross and sold for the same.

- The prize winners were as follows:
- | | | |
|--|----------------|----------------|
| 1.—Best collection of Frenchies | Mrs. Todd | Mrs. Brownson |
| 2.—Best collection of Arsenals | Mrs. Schnepf | Mrs. Nelson |
| 3.—Pansies, 1 down bench. | Mrs. Brownson | Mrs. Nelson |
| 4.—Delphiniums | Mrs. F. Pinell | Mrs. W. Parly |
| 5.—Single poppy | Mrs. Brownson | Mrs. W. Parly |
| 6.—Double poppy | Mrs. W. Parly | Mrs. Schnepf |
| 7.—Candy tuft. | Mrs. Dill | Mrs. Brownson |
| 8.—Higonette. | Mrs. W. Parly | Mrs. Schnepf |
| 9.—Sweet Peas. | Mrs. W. Parly | Mrs. Schnepf |
| 10.—Yantriums | Mrs. Finch | Mrs. Shere |
| 11.—Child's collection of wild flowers | Miss Doherty | Miss Nelson |
| 12.—Salads | Mrs. Schnepf | Mrs. W. Parly |
| 13.—Best collection of Vegetables | Mrs. Schnepf | Mrs. F. Pinell |
- Red Cross donations made July 14th: Mrs. W. Parly \$5.00; Mrs. Schnepf \$1.00; Mrs. Stone \$1.00; Collection \$1.75.

DROWNING ACCIDENT

An extremely and event occurred on Saturday last in the accidental drowning of Freeman, the eldest son of Mr. and Mrs. George of the Nebraska district north of Town. The couple was on a Sunday school picnic, the father of drowned being the honored superintendent, and the young man was in bathing when he went beyond his depth and sank. He was but 22 years of age, of athletic qualities and respected by the entire community.

Interment took place on Monday in the Maritime cemetery the service being conducted by the pastor, Rev. T. Ben. Goodwin of the Millen field, assisted by Rev. Mr. Millen and Mr. Grice, a former pastor. We join the host of friends in extending sympathy to the bereaved parents, four sisters and two brothers.

George H. Larkin has arranged to meet Alex Boode of Lacombe in a three-hour wrestling bout in Battle on Friday, August 10th. Best two out of three falls.

THE PRIZE LISTS

ARE OUT FOR

THE ALIX FALL FAIR

A man there was in our town And he was wondrous wise, Not like the fast character Who scratched out both his eyes. But one who worked and won a prize.

"What prize?" you ask sarcastic, And think perhaps of me, Why raffle of some paltry thing, No worth a laying line, If eggs from the dropped to 10

He room here for easement, The fast my friend is true, The prize was won in Alix And should appear to you, For you may work and win one too.

What need relate the story Of the Alix Annual Fair? The prize—but oh! the secrets out: Where else such prize rare, In which you ought to have a share.

Be sure "Bill P." the secretary Has your name and your address That he may send a Prize List To round these lists, unless Already you a list possess. The Lists are out! The Lists are out! This very day, The Lists are yours.

There are prizes for the ladies. There are prizes for the men. Prizes also for the babies, Prizes for the and the again. For the ranch will bring you profit The garden and the dairy, too. Would you Special Prize for it? If they like you your deer? Pheasants and Curlew Hens. Cycles and headcases thousands There will be upon the courses Deeded with cards of blue and red. Haleside and Shorthorn cattle, Dairy breeds and all the best; Swine and Sheep in finest fettle For the place will contest.

Vegetables will bring you money, Grains and roots will do the same. Better, bread and milk and honey For and eggs increase your fame.

Ladies' Fancy Work and Painting Find their places upon the list; "Would you've seen that's painting Just to read these o's, I visit.

Fables and fables are not confined, Nor the children who attend; Arithmetical, or musical, Maps and maps they may send One you think with hand that's steady

What this you will make the bid If you get your list now ready, And your entries now prepare! **FRIDAY, SEPTEMBER 21**

Get busy today and be doing your bit to make the 10th Annual Fair of the Alix Agricultural Society the best yet. The sporting program is being prepared a list of which will appear in our columns at a later date.

The main thing is to get busy on your entries today.

OLD TIMERS' SERVICE

It is proposed to hold an Old Timers' Service in St. Monica's church, Mirror, on Sunday, Aug. 19th, at 2 p. m. It is hoped that many old timers who helped build the church, over twenty years ago, will make a special effort to be present. Special psalms, lessons and prayers will be used and a special commemoration at those who have passed into the fuller life and those bodies lie in the church yard. Those who can please bring flowers to be placed on the graves after the service. It is hoped that the old timers from Alix and Beshaw will be present.—M. W. Mahlon.

ANNIVERSARY SERVICES AT HAYNES

On Sunday next, August 19th, Anniversary Services will be held in connection with the Haynes association when Rev. William Shaver, Rector of Windsor for Alberta, assisted by the pastor, pastor, will conduct the services at 11.30 a. m. As there will be no service at Beshaw all are invited and will be heartily welcomed. Appropriate music will be provided.

The rains of the past week have been most welcome and no doubt have, together with cool days and nights, averted the crop situation. The farmer has been living in dread on account of the continued hot weather without action, but now he laughs and rightly claims that the grateful showers have meant thousands of dollars to our district. We are over ready to "try before we are burnt" but it will be always that the Alix district is always favored with a crop, which is more than can be said of all portions of our fair province.

On going to his pasture Wednesday morning J. W. Beak discovered a large bull mess peacefully feeding with his herd. Joe had a good view of him as he was contented enough and made off for the north.

"THE FLOWER FADED"

The following, clipped from the Alix-Union Mail, Cookstown, Ind., refers to a daughter of Prof. David Hill, well known in the Alix district:

"On Wednesday evening the remains of Miss Little Hill, whose death occurred at the residence of her uncle, Annapolis, on Monday were interred in the family burying ground, Orange. The deceased was a great favorite with all her school mates and was deeply loved by her sorrowing uncle and aunt, who mourn her death. On the death of her mother in Canada, several years ago, she came to reside with her aunt and uncle, and they longed for her during her illness and did everything possible to prolong her life, but God willed it otherwise and took her to Himself away from all sin and sorrow. Much sympathy is felt for her sorrowing father, who is serving with the Canadian Expeditionary Force in France. The funeral was very largely attended by friends and neighbors who wished to show their sympathy with the friends in their sorrow. The coffin was borne by four friends."

ANNIVERSARY SERVICES AT HAYNES

Sabbath, August 12th, was a notable day in the history of the Haynes church, the occasion being the first anniversary of the opening of the same for Divine Worship.

Rev. William Himmer of Calgary, our honored guest, of Missions gave an inspiring sermon, his theme being "Pursuing Jesus."

The church, beautifully decorated with flowers and bunting from the Sunday School children, was packed to the doors, many being compelled to listen from outside. The large number of friends from Galt and St. Mary's and Alix was an inspiration. The hymns selected were especially appropriate and the service was beautiful.

The pastor, Mr. Gray, and the people are very united after this month of happy fellowship.

L. I. D. NO. 398

The council for the Local Improvement District of Lacombe, No. 398, met in the town hall, Alix on Thursday, 2nd inst., with all members present except B. F. Allison, W. Weatherill occupied the chair.

Minutes of previous meeting were read and approved.

Resolved that the question of taxation for Patriotic Fund be left over till first meeting of council in 1918.—Carried.

That the meeting of the local improvement district be left over till next meeting.—Agreed.

Council agreed to allow Mr. Gibbard to work out all taxes due by him except one fourth of owner's taxes, the work to include delivery between Dec. 7/18-40-34-40 sufficient to carry off all the water at that location.

Council resolved to recommend a small Government grant to assist with work to be applied between Dec. 13-40-34 and Dec. 15-40-34, leading from the south into town.

Resolved to ask for inspection by Department of Public Works on road between Dec. 15-40-34.

Meeting adj. Alix from 10:30.

Secretary was instructed to write the Provincial Fair Council requesting all railways operating in the district to bare along side their respective tracks early this season, as owing to the dry condition there is much danger.

Resolved that councilman for division 4 be requested to build the road agreed upon in resolution of March 18th last in N. 1, of Sec. 25 and N. W. 1 Sec. 26 and 2-4 leading from the north into town, within six weeks from this date. It did not do this time the chairman has authority to hire men and teams and to purchase necessary machinery and equipment to complete the work, changing all of the expense to Division 4.—Carried.

LOCAL INTEREST

Master Leslie Peers went to Calgary on Tuesday for a two weeks holiday.

Instructions have been issued from the liquor license department to the merchants informing them that they must stop selling spirits. As these commodities contain a large percentage of alcohol, a large number were dealing there, thereby violating the liquor act.

Mrs. Brooker and children have been given the Dick Wadger for the past couple of weeks, returned to their Calgary home on Tuesday.

Political gossip would indicate that Mr. Michener will visit at Ottawa in a day or two, with a view of accepting appointment to the Dominion Senate. In that case there will be a vacancy in the leadership on the Conservative party in Alberta and a by-election in the Head Deer provincial constituency.—Bad Deer Advocate.

Mrs. H. G. Finch and children are at present visiting friends at Calgary.

There are some who are more than a little disappointed at the way that winning it, and plans which led to victory. If they progress the conflict, have their disapproval, and the people responsible for such plans have their commiseration. Let us keep our eyes steadily on the winning of the war, say, my I say, let us keep both eyes. Some have a smat in their eyes, and whilst one eye is fixed firmly on victory, the other is wandering around on other things or staring steadily on some yet further project of their own. Beware of becoming cross-eyed. Let both eyes be set on victory, looking neither to the right nor to the left. That is the way to win.—Bad Deer Advocate.

Mrs. Griggs of Calgary is visiting Alix friends for a few days.

A garden party with the object of raising funds for the Belgian Relief will be held at the residence of Miss Reed at 5.30 p.m. on Saturday. Ice cream will be sold and refreshments served. Admission free. All are welcome.

Mr. A. Moore of Morling was a guest the forepart of the week at the home of J. W. Rees.

"To my mind there are only three fundamental principles in advertising, namely, be honest, be specific, be persistent. I say be honest, because every advertiser should remember that advertising doesn't create value, it merely tells of it. The value has to be in the article itself. I say be specific, because the majority of people who read are endowed with common sense. I say be persistent, because you have to keep persistently at it. People soon forget and unless we keep persistently at advertising we had better not begin at all."—Hugh Chalmers.

RED CROSS NOTES

A special committee meeting will be held in the workroom on Monday, August 27th, at 2.30 p.m.

The sewing box will be held at the home of Mrs. C. H. Finell on Wednesday, September 27th at 2.30 p.m.

Donations received:

We draw your attention to our advert of a special arrangement with The Family Herald and Weekly World which appears on the back page. We save you money and all trouble by not writing through us. Drop in today and receive your sub to both papers.

MORTGAGE SALE OF FARM PROPERTY

By virtue of "The Land Titles Act" under a mortgage which will be prepared at the sale, there will be offered by Public Auction, opposite the Post Office in the Village of Alix, Alberta, on

Saturday, Sept. 15th, 1917 at the home of Thomas Clark in the foreman, the following property, namely:

The South West Quarter of Section 16 (S. Township Thirty three (33), Range Twenty three (23), West of the Fourth Bridge.

Reserving there a road-way containing 1/4 acre and minus and contents. Terms of sale, Fifteen per cent (15%) cash and balance according to terms to be made known at the sale or upon application to the vendor's solicitors.

The property will be offered for sale subject to a small reserve bid and free from all encumbrances, save the reservations contained in the original grant from the crown and to the existing easements of title appurtenant and in use for the current year.

The vendor is informed that the property is situated about one and one quarter miles from the railway station of Chaplin and that there is about forty (40) acres open, twenty-five (25) acres cultivated in timothy and one hundred (100) acres brush.

For further particulars and conditions of sale apply to Chas. W. Gilmore, a Solicitor, Alix, or to

MCDONALD & TIGHE, Vendor's Solicitors

A BIG BOOST FOR ALIX AND DISTRICT

A few weeks ago the Department of Colonization and Development of the C. P. R. wrote their last agent at Alix, Mr. S. Cruijsen, requesting information with respect to our local creamery. The data was supplied and the following letter has been received in reply:

Calgary, August 17th

Dear Sir:
I appreciate your letter of August 16th, and as a proof of our desire to co-operate with you I may say the following telegram goes out tonight to the principal news-distributing centres of Western Canada and the United States:

"Alix, Alta., August 17—Creamery established here two years ago will produce this year over one hundred twenty thousand pounds better. Success of dairy industry this district has led the management to contemplate installing complete cheese making equipment in addition to present butter plant. Growth of the business last two years ample proof that farmers are not neglecting dairy industry nearest high price grade products."
I will be very glad to have similar items from you at any time, or mailed copies of your local paper, and you can depend upon anything of the kind being given fullest publicity.

Yours very truly,

Robert J. C. Head,
Publicity Agent

LOCAL INTEREST

Mrs. F. E. Eaton and daughter of Calgary are guests this week at the home of her brother, Mr. G. G. Eaton.

St. Elmo Henderson of Calgary was a guest of Alix friends from Saturday until Wednesday.

Mr. Wm. Oring attended the Presbytery sessions at Wetaskiwin this week.

The "Impressos" are busy this week remodeling the new telephone exchange building.

Mrs. A. H. Rogers, Provincial Secretary of Women's Institute, will visit Alix on Wednesday, September 13th, for the purpose of holding a meeting at which she will lecture and, if thought advisable, will form a local branch of the Women's Institute. All ladies in the town and district are invited to this meeting.

Mrs. Lacombe received a telegram on Wednesday informing her that her son William had been admitted to a hospital in Phoenix on August 15th suffering from gunshot wounds.

Edna Holey returned to her home at Chumey on Friday after staying for a week with her mother, Emma Postel.

RED CROSS NOTES

The regular committee meeting will be held in the workroom on Tuesday, September 4th, at 3.30 p. m. instead of Monday (Labour Day.)

The sewing box will be held at the home of Mrs. C. H. Pissell on Wednesday, September 26th at 3.30 p. m.

We are grateful to Mr. E. L. Trickey for donation of a splendid Union Jack. We hope to see it flying over our workroom very soon.

Have you purchased a relief ticket for the greatest need yet? The tickets are being sold very quickly thanks to the efforts of Miss Katie Ross and Miss Arnold.

ECONOMY NOTES

Yuk is to become more plentiful in the Canadian market. Hon. W. J. Hanna, Food Controller, has inaugurated a special refrigerator express car service direct from the Nova Scotia coast to St. Toronto. This is a first step in the plan to get a full car express service from both Pacific and Atlantic points to supply Central Canada with sea food cheaply.

The foods called for by Great Britain and the allies from Canada and the United States are beef, butter and wheat. These are the export staples.

Canada, last, back yard and school gardens have produced \$300,000,000 worth of vegetables this summer in the United States. In Canada, by the same proportion, the increased production of vegetables in cities and towns amounts to about \$25,000,000.

"It is now vital for the United Kingdom and the Allies in Europe to obtain from Canada foodstuffs in far larger quantities than under peace conditions," says Lord Blandford.

A telegram arrived on Thursday conveying the news that Private Osmund Bland had been admitted to hospital suffering from gas poison.

LACOMBE PRESBYTERY

The following report, proposed by Mr. Young and seconded by the clerk, was unanimously adopted, and a copy of same to all congregations within the bounds of the Presbytery.

"Whereas our men at the front are making such tremendous sacrifices in advancing the allied cause, and in view of the necessity of mobilizing all our available resources in man and money to the end that our advance may be maintained;

"We, the Presbytery of Lacombe, do hereby to record our approval of The Military Service Bill as necessary for the successful prosecution of the war.

"Further, we urge a more rigorous enforcement of all laws and regulations to the end that our men at the front may be well provided for."

Wm. Hamilton, Clerk
Wetaskiwin, Sept. 1st

Your Stationery is Your Business .. Photograph ..

How do men size you up when they hold your business photograph in hand? Does the firm seem cheap and weak? Or does the Paper and Printing of your Letterheads suggest your standing and importance?

To write on a spineless, cheap, flimsy sheet gives your trade a picture of a firm indifferent to appearances and service.

But a well executed Letterhead reflects your business ideals, proves your preference for substantial quality and honest value and insists the importance of what you say.

Something New At The Alix Fall Fair FRIDAY, SEPT. 21st, 1917

The Alix Fall Fair promises to be the very best in the history of the society. In addition to the large exhibit of stock, poultry, truck, grain, fancy work, etc., there will be a new departure this year in the exhibit.

The Dominion Government will have on the grounds a fine exhibit which is of special interest to the farmer and comprises a booth sixty feet in length. It is something new and attractive and should prove an attraction to the fair.

Booths will also be erected by the following local merchants for displaying their merchandise—

G. A. Thompson, Hardware
W. D. Rich, Hardware Shop
C. Woolgar, Machine Agent
B. L. Toepfer, "

The Alberta Lumber Co.
The Meadow Creamery
F. R. Mitchell, Machinery

The grounds will be well provided with refreshments as in addition to the Red Cross booth stalls will be run by B. F. Frazee and D. A. McNeal.

The society is doing all in its power to enlarge on the attractiveness of our Fair and you will be surprised at the results.

A phone will be installed in the fair building for that day.

The entries are coming in already. Make yours today.

COME NEXT FRIDAY TO ALIX

RED CROSS DAY ON FAIR DAY

A booth will be erected on the Fair grounds and refreshments, ice cream, grain, fancy work, etc., will be sold.

Young ladies, dressed as Red Cross nurses, will sell tags on the grounds and in town.

Big dance at night at 8 p. m. Splendid music. Admission free.

Young ladies, dressed as Red Cross nurses, will be served at moderate charge.

It is hoped that everyone will support this effort of the Red Cross committee to make the day a successful one.

Will the ladies who are donating cakes, sandwiches, etc., kindly leave same at the house of Mrs. W. B. Mitchell not later than 10 a. m. on Fair Day, Sept. 21st.

The young ladies who have already promised to help with the tagging and booth on Fair Day and those who will volunteer places meet in the workrooms on Saturday, September 16th, at 5.30 p. m.

RED CROSS NOTES

A special committee meeting will be held in the workrooms on Wednesday September 19th, at 5.30 p. m.

A shipment containing the following articles is being sent to headquarters this week.

5 suits of pyjamas
4 pillow cases
5 day shirts
15 pairs socks

ANNOUNCEMENT

We wish to inform young men who are desirous of joining the army before Conscriptio is put into force, that the Army Medical Corps is still recruiting men for overseas service, and the present may probably be the last opportunity they will have of joining this popular unit. Under conscription it seems likely that there will be no chance for the Branch of the Army in which a man will serve and we would suggest men to take advantage of this privilege before it is too late. We realize that there may be some who are under the impression that voluntary enlistment is already at an end and we wish to correct any misapprehensions there may be in this regard. By application to Recruiting Headquarters, A. M. O. Training Depot No. 12, Sherburne, Alberta, full information can be obtained.

The regular meeting of the L. I. D. council will be held on Thursday, Sept. 27th.

I am undertaking a run of Calgary, Calgary, Ont. and will be in the province of this time through the winter months. Telephone your orders to the Every here. — F. C. Topley.

1917 Alix Fall Fair

The tenth annual fall fair of the Alix Agricultural Society was held on September 21st and a perfect day greeted the event. The fair was most successful and all its proceedings, attendance, entries, quality and number of exhibits and lastly the gate receipts. The attendance was remarkable as it is considered that on all sides the thrasher is taking advantage of the excellent weather to rush the harvest into the bin. The exhibits from the Lacombe Experimental Farm and the displays by our merchants proved an appetitive addition.

All classes of livestock were of particularly good quality and the judges expressed themselves highly pleased with the character of the animals shown. The poultry exhibits were very much in evidence and easily outshone all previous records. As this is essentially a mixed farming district no branch of agricultural produce was neglected. There was a fine selection of vegetables, including potatoes, cabbage, turnips, carrots, cauliflower, corn, tomatoes, beets, onions, squash, cucumbers, etc.

The ladies' department showed a splendid display of fancy work, embroidery, lace, crochets, knitting, etc., and many useful articles were shown here.

A good program of sports was provided including horse races, foot races, a baseball match and in the evening a dance under the auspices of the Red Cross in Masonic Hall.

In addition to the Red Cross refreshment booth on the grounds Messrs. D. A. McDowell and E. P. Francis assisted in catering to the large requirements of the visitors.

Professor Francis kept the crowd in front of the "music booth" with selections on the piano and patriotic songs.

We believe the 1917 Fair at Alix will long be remembered by all the best in the history of the society.

Your Stationery is Your Business .. Photograph ..

How do men size you up when they hold your business photograph in hand? Does the firm seem cheap and weak? Or does the Paper and Printing of your Letterheads suggest your standing and importance?

Written on a spineless, cheap, flimsy sheet gives your trade a picture of a firm indifferent to appearances and service.

But a well executed Letterhead reflects your business ideals, proves your preference for substantial quality and honest value and insists the importance of what you say.

STORIES OF CANADIAN HEROES THEIR LAND ASSURANCE

Any man who is the only breadwinner in his family and who has no other means of support, should consider the benefits of the Canadian Land Assurance Company. This company is the only one of its kind in Canada, and it is the only one that will pay out the full amount of the policy in the event of the death of the insured.

Death is the only certain thing in life, and it is the only thing that we cannot avoid. Therefore, it is wise to make provision for the future. The Canadian Land Assurance Company is the only one that will pay out the full amount of the policy in the event of the death of the insured.

RED CROSS NOTES

Letter from Mrs. Waagen —
Dear Mrs. Mitchell —
We beg to acknowledge with thanks a shipment of supplies from Alix Branch and herewith enclosing a receipt.
The work which you have sent in is very satisfactory and we are delighted to have it. We hope that you will think all the work on and ensure them that we very much appreciate all they are doing for the Red Cross.
Yours faithfully,
Mary C. Waagen
Hon. Secy. Beglins

The annual meeting will be held in the Town Hall on Saturday of this week, Oct. 6th, at 3.30.
The next sewing box will be held at the home of Mrs. Ferguson on Wednesday, October 10th, at 3.30 p.m.

Thursday, October 18th, is being set aside as a day of special appeal on behalf of the British Red Cross Society. On that day throughout the great Commonwealth of Nations which compose the British Empire, our people will be united in a combined effort to raise funds to help the sick and wounded who are being cared for by our parent Red Cross Society.

It should be borne in mind that though the Canadian Red Cross is responsible for the care of Canadian wounded, yet our Society is subsidiary to the British Red Cross on whom falls the great burden of ameliorating conditions for wounded soldiers and sailors in every theatre of the war.

L. I. D. COUNCIL

The council for Local Improvement District of Lammerton No. 288 met in the town hall, Alix, on September 20th.
Present, Councillors Allison, Jewell, Merrifield, Ross and Tallman. Mr. T. J. Ross in the chair.

Minutes of the previous meeting were read and approved.
Mr. Allison stated that he would improve the road on division through Sec. 25 and 26 & 24 & 4, the council granting him authority to pay current rate of wages and also extending the time for doing the work to 18th October next.

Resolved that anti the question of Rural Municipal Hospital was taken up by a Municipality and the incorporated towns and villages within the area of Local Improvement Districts or Municipalities interested come to this council agreed to let the matter stand. — Carried unanimously.

Secretary was instructed to request the department to complete their agreement re dividing in Sections 10 and 15-45-24-4, the council having done their part in Sections 3 and 4.

Secretary was also instructed to ask the department to complete their agreement as to grading between sections 19/30 and 30/30-40-23-4, the council having completed them.

Department inspection of bridge over creek west of Section 20-30-23-4, was asked for.

Resolved that Alix Day Labor Pay Lists be put in the hands of respective co-operators not later than the 10th November next, otherwise co-operators shall forfeit ten per cent. of their pay. — Carried unanimously.

Accounts passed for payment:

Lumber 200 10
Lumber 1900 90

Meeting adjourned.
P. Russell, Secretary

U. F. W. MEETING

The regular meeting of the U. F. W. held on Saturday last was well attended.

The Hospital Act was read and explained by Mrs. Farley and discussed by the members. Mrs. Burdett gave an interesting address on women's work for social betterment.

Two resolutions were framed with a view to being presented to legislators.

Ten was carried by Mrs. George and Mrs. Stone.

Ten days will see the wind up of the annual meeting on Monday evening last.

There was very little doing at the council meeting on Monday evening last.

Laurier Resigns Leadership

Toronto, October 3rd.—The Star (Liberal) today features a dispatch from its resident correspondent at Ottawa announcing that Sir Wilfrid Laurier is retiring from the leadership of the Liberal party on his own initiative. The Star's dispatch says that F. B. Carvell will probably be chosen leader in Sir Wilfrid's place.

Lost on the trail between Alton and C. C. K. (Laurier) on September 1st, a light overcoat, green shade. Mr. and Mrs. Morrill intend to find it kindly leave same at The Free Press office.

On Wednesday Mr. G. Nicholson purchased the Morrill quarter. Mr. and Mrs. Morrill intend to move to B. C.

BUSINESS MEN ARE INTERESTED

Employers Have Been Quick To See Practical Advantages Of Military Service Act.

Ottawa, Oct. 4.—Canadian business men express themselves as highly pleased with the provisions by the Military Service Act of Medical Boards for the early medical examination of men liable to be drafted under the Military Service Act. This introduction of system and order into the raising of men for military service has commended itself to the business community throughout the country, according to all reports received here.

Heavy promises of co-operation in having an early report made by all men in the various classes are also coming to hand, and this co-operation promises to simplify the working of the Act. The vast majority of men in the various classes can be reached through the business houses where they are employed, so that as the cities are concerned at least a new force getting behind the Act in the business interest of co-operation will be under the co-ordinating system, have had unsatisfactory experiences through the haphazard dropping off of their employees.

All the Military Service Act really does to get the military military system down to a business basis as well as to make it more democratic and systematic in every particular.

**RED CROSS HOLD ANNUAL
MEETING AND ELEG
NEW OFFICERS**

The annual meeting of the Red
Cross was held in the town hall
on Saturday last when a goodly
number were present. The past
year has been a most successful
one but we must still strive to do
more.

The officers elected are as fol-
lows—

President—Mrs. R. M. E. Parley
Vice President—Mrs. Durwin
Hon. Sec. Treas.—Mrs. W. H.
Mitchell

The financial statement for the
year is shown below—

—Receipts—
Bakers in bank Oct. 1916 \$ 51
Membership fund 130 00
All other resources 865 20
Total receipts \$1100 00

—Expenditures—
Kit bag fund \$ 40 00
Band office 700 40
Supplies purchased 303 01
Expenses 82 01

Total Expenditures \$1005 42
Balance on hand \$54 58

through the kindness of the
town's council the Red Cross com-
mittee are permitted to hold their
meetings and serving here in the
town hall. This is a splendid help
to the society and we are very
grateful. Hereafter all Red Cross
meetings will be held there but
the department for giving out and
repairing garments and wool will
still have its headquarters at Mr. Dur-
win's office on Main street.

The ladies on Jamieson street
will give an afternoon tea at the
home of Mrs. C. B. Farwood on
Thursday afternoon, October 18th,
from 5 to 5.30. Proceeds to buy
Christmas gifts for the Alix boys
at the front. Everybody come
and help along a good cause.
Donations from Mrs. Schmalz \$1

Local Interest

Private Ike Burton of Mirror
returned home from across the
pond on Wednesday. He has
done his bit and carries the marks
of battle, being still on crutches.
B. E. Todd has disposed of his
farm east of town to Mr. W. T.
Clark, which now makes a half
section owned by the purchaser.

On Wednesday a telephone was
installed at the Alberta Profile
sheds, No. 1.

The telephone gang have been
busy this week transferring the
exchange across the street to the
new premises.

A prairie fire was started on
Wednesday opposite the P. E. B.
depot by some children who were
playing with matches. Fortunately
it was discovered before any
damage was done, but it leads us
to ask who is authorized call out
our children in a case of necessity.
We should have a fire warden.

The parcels contain socks, trousers, handkerchiefs, cigarettes, chewing gum, needles, coffee, salt, chocolate, soap, etc., etc.

HARVEST THANKSGIVING

The Harvest Thanksgiving will be held on Sunday, November 4, at 11 a. m. We hope that all our members will be present. Mr. Stanley Boshart, of the Farmers' Union, will deliver the address.

There will be a meeting at the parish room on Saturday, November 3rd, at which Mr. Hamilton will speak.

DISTRIBUTION OF SEED GRAIN AND POTATOES

From the Dominion Experimental Farms 1917-18

By instructions of the Hon. Minister of Agriculture a free distribution of superior seed of grain and potatoes will be made during the coming winter and spring to Canadian farmers.

The samples of grain for distribution will consist of spring wheat (about 5 lbs.) white oats (about 4 lbs.) barley (about 4 lbs.) and field peas (about 5 lbs.) These will be sent out from the Experimental Farm, Ottawa, by the Dominion Council who will furnish the necessary application forms.

A distribution of potatoes in samples of about 3 lbs. will be sent out from seed of the Dominion Council, the latter farm supplying only the Province of Ontario.

All samples will be sent free by mail. Only one sample of grain (and one of potatoes) can be sent to each applicant. As the supply of seeds is limited farmers are advised to apply very early.

Your Stationery is Your Business .. Photograph ..

How do men size you up when they hold your business photograph in hand? Does the firm seem cheap and weak? Or does the Paper and Printing of your Letterheads suggest your standing and importance?

To write on a spineless, cheap, flimsy sheet gives your trade a picture of a firm indifferent to appearances and service.

But a well executed Letterhead reflects your business ideals, proves your preference for substantial quality and honest value and insists the importance of what you say.

DON'T DELAY! Do It TODAY

THE MILITARY SERVICE ACT is passed; the Proclamation issued October 13th. It is now the boulder duty of every man in Class One to report for service or claim exemption. This includes all bachelors and widowers without children (not otherwise excepted) who were 20 years old on the 12th October, 1917, and whose 34th birthday did not occur before January 1st, 1917.

What To Do

Go to your Post Office and ask for the form for reporting for service or for claiming exemption. The form contains clear instructions for filling in. Do this not later than NOVEMBER 10th.

Beware of the Last Minute Rush

With so many thousands of reports and claims to be dealt with, the rush of Class One men will grow heavier day by day. You will waste less of your time and your own best interests if you avoid the horrible rush on the last days.

The law is being enforced with the Government and the People firmly behind it. Obey the law. Do it today.

Judicial Sale

Pursuant to the final order for sale made by His Honor J. J. MacKay, dated Monday the 22nd day of October, A. D. 1917, there will be offered for sale by Charles Williamson, Auctioneer, at his office in the Town of Alix, Province of Alberta, at two o'clock in the afternoon, on FRIDAY, the 2nd day of November, A. D. 1917, the following lots and premises:

Lots nine (9) and ten (10) in block four (4) and XXX, Township of Alix, in the Province of Alberta.

There is conveyed upon the said lots:

A frame barn 24x32 and a lean to here, used as a livery and feed stable, also a horse buggy about 1914, all in a good state of repair.

The property will be offered for sale subject to a reserve bid which will be made known at the time of the sale.

Terms of Payment—10% to the plaintiff's solicitor at the time of the sale; the balance to be paid in four equal instalments with interest. The sale is subject to the standing conditions of the Court.

Further particulars may be had from G. G. Norris, Auctioneer, Alix, Alberta, or United at Red Deer, Alberta, the 22nd day of October, A. D. 1917. (Signed) J. J. MacKay, Justice of the Peace, Acting Clerk of the Court.

When Does a Feller Need a Friend?

EVERY boy will find the answer in the Briggs' series of intensely human "boy life" pictures reproduced exclusively by THE HERALD. Briggs is a cartoonist of international reputation.

So keen is his insight to human nature he may aptly be termed "The Mark Twain of the Brush."

Other Briggs' features published exclusively by The Herald include "The Days of Real Sport"—they bring you back to your own boyhood days; "Someday is Always Taking the Joy Out of Life"—you've met that pleasant (?) individual, have you not? "The Handy Man Around the House"—willing but inefficient; "Kitty Pood"—there's much good natured argument in every page; "Ain't it a Grand and Glorious Pettip!" when the unexpected good thing happens.

Briggs makes a direct appeal. He has a message to all members of the family.

Woman's Work and the Home

Nowadays the sphere of a woman's work extends far beyond the home but no condition can ever remove the beautiful influence which she must ever exert over the domestic aspect of woman's work. The Herald has kept to the fore on all points appertaining thereto. Its daily Woman's Page is carefully edited and compiled with a view to furnishing interesting news and information. The new magazine Page for Mothers and Children is a special feature in the Saturday issue, and every Friday there is a special article by "Ginger Snap," Mrs. Alberta Farmer's Wife, a feature which is eagerly read by all who enjoy breaking news and a good laugh. The Herald is a household companion.

The Battle of Ypres

question arose whether he should be sent to protect Rawlinson, who otherwise might be overwhelmed, or sent north to cover the flank from Zennobor, through Langwemark to Sitchecha. Because a failure to stop the march on the north between Zennobor and the marches would permit the wedge to be driven between the British and Afghan armies and leave a gap open from Calais and Mesopotamia was decided that Rawlinson was to have to fight it out for himself.

The Glory of the Western

From October 20 to the end of the month the fighting about Ypres was intense. The seventh division was almost annihilated when Haig was able

Ypres alone the British losses were 40,000. The German loss has been placed as high as 200,000, and probably exceeded the loss at the Marne.

For three weeks the British fought an enemy five times as numerous and equipped with heavy artillery and machine guns, both of which weapons were lacking to the British in any useful number. Probably 60 per cent—perhaps more—of the Egyptian army were killed, wounded or captured, but in the end they still held Tyre and the lines before it. For such an achievement all praise is inadequate. And at Tyre Britain's professional army perished, but its traditions became henceforth imperishable. Unlike the Spartans, who died in defeat, the British army held its own."

Doing nothing may become profitable for Dutch fishermen this winter since according to the new agreement proposed by the British Government thirty-five per cent of the Ynabde fishing craft are to be laid up. Provisionally the agreement is to last for two months as a trial period, after the condition is made that during this period not more than two thousand barrels of fish shall be exported to Germany. The British Government will pay a substantial financial compensation for the laying up of the fishing boats.

A thrilling escape from a burning balloon was effected by a man the other day. An observation balloon was crossing over London when it was seen to catch fire. While crossing the Thames the airman was seen to leave his parachute, and watched thousands of people, he leapt from his burning basket, making a successful descent. The remains of the balloon came down a few miles away.

Dr. Clark Explains Union Government

On Friday evening one of the
speeches in the history
of our town greeted the audience.
Candidate, Dr. M. Clark and
listened to one of the ablest ad-
dressers of the day. It has been the
fortune of the citizens of our district
to hear in years. The Dr. was
his old genial self and his dis-
course on the aims and objects
of the Union government was
tempered with just sufficient
wit to make the facts "slip down
easily". He was accompanied
by our Provincial member, Mr.
A. Gillmore, who in an able man-
ner set forth his reasons for sup-
porting the Dr. as a Unionist.
Mr. G. G. Norris made a very
efficient chairman and introduced
the speakers with a neat speech.
Andrew Gillmore, M.P., gave
a strong patriotic address in
which he pointed out the reasons
why he was supporting Dr.
Clark and the Union govern-
ment in this campaign. He said
that he could not support Laurier,
with Bourassa, (who has debar-
ed himself against helping the
also in any way), dictating the
policy Laurier was following.
The speaker said that in union there
was strength, and that a strong
government, made up of stand-
ing Liberals and Conservatives
of the Dominion will in this critical
time do what is best for Canada.
He was certain that Dr. Clark
stood firm for the support of our
soldiers at the front, and that was
the greatest issue of this election.
He urged the people of Alix to or-
ganize, stating that we must or-
ganize to win elections as well as
war.

Dr. Clark was then called upon
and his appearance was the signal
of great ovation. In a brilliant
address he pointed out the errors
leading up to the war, the reasons
why he and Laurier had separated
politically. Laurier was against
aiding help in our men already
in the battle lines, while the Union
government was determined that
help should be sent. The trouble-
with us in Canada was the fact
that we were too far away from
Germany. 20 men German boats
were dropped in Alberta by
(Dr. Clark) would be returned
not be a Laurierite in Canada. We
did not yet realize that there was a
war on. Laurier's policy was not

Local Happenings

Mr. R. F. French was a business visitor in Calgary and Lethbridge, from Friday last week until Thursday last.

The regular session of the Village Council was held on Monday evening. Several members of the Eastern Star Lodge visited Lethbridge, Thursday and Wednesday of last week, where they assisted in putting on the work.

Miss Helen Clough, accompanied by Miss Peter Southey, spent from Friday until Monday at her home north of town.

Four visitors entered into the members of the Lethbridge and Old Park Lodges at progressive bridge on Friday evening of last week in the hall near Johnson & Andrews' store. A good evening was enjoyed and the luncheon at midnight was most delicious. Mrs. Pitt was winner of the highest prize, W. L. Peiser the first, while Art Swanson carried off the second.

Reinasser, it has been sighted through Alix Christmas. Do your shopping early and then help the merchant to give you the best service in his power. We note that the drug store, the hardware store, the jewelry store, the restaurant and Messrs Johnson & Andrews, are all equally prepared to give you the goods that you wish for your shopping of this season.

The interior shop will also have all the choice meats available for the holiday trade and we advise you to leave an order at once for whatever you require.

Messrs. W. L. Peiser and T. Bellard were Lethbridge visitors on Thursday and Friday of last week.

W. D. Rich made a business trip to Calgary on Saturday, returning on Monday.

Mrs. C. E. Stone left on Tuesday on a two weeks' visit to Lethbridge, Regina and St. W.

Mr. Ray Simpson was a visitor to Lethbridge on Friday and Saturday.

A. Gilman, M.P.P. and Mr. John Lundy, of Lethbridge, were marketing through the district last week and spent several hours in town on Thursday.

LYON PARK, LONDON

(By a Canadian Officer in England.)
"We will not endure the idea that we are on a line of war to cause blood. Is it that for which our men have died?"

Hours of approval from the crowd, which seemed and justified about the organ that did duty as platform. The speaker was a stout man with a kind face and a pleasant manner.

I had come to Lyon Park to see a London. For on a Sunday afternoon Lyon Park is London in little. It is a complete picture of the metropolis in our time. To the Canadian it has that fascination of something very common which is peculiarly London's.

I had followed the American procession across the park towards the traditional form of English free speech just inside the Marble Arch.

All the labor leaders in the London were invited to be the parade. The bands were gloriously discordant.

The banners were of a red color and defaced with English. Bunting adorned the line, bearing banners and standards. Moving hand instruments or just marching along with intense earnestness, and even leading children in their state, formed the bulk of the parade.

There were many returned soldiers in the procession, too.

How they were crowded into particular sections, each crowd in particular sections, carrying their own flags.

"Lord Randalph, the new Lord Curzon, has said that any individual convicted of any crime, whether a soldier or a civilian, will be properly dealt with," shouted the center on the wagon.

They were so dense that the first step in that direction the immediate arrest of the old Lord Curzon.

"Yes," said the crowd. The crowd was a good-natured crowd, but it was a crowd.

All on side other crowds were cheering similar sentiments from officers just as dignified.

One group was being addressed by an officer in black. By the end of each shouting I got within hearing. It was a cultured voice that reached my ear, but the audience was not sympathetic.

"What I ask you, my friends," said the speaker, "is to open a measure which is sure to prove disastrous. Since this is not what I intend to do, I will tell you why?"

to the platform by the crowd. "It is as good as London as Lord W. Laurier, I am!" The crowd grew tumultuous. There were two Irishmen, one an officer bearing a stick, the other a humble private who had been wounded in France, appeared to each other on the same platform. Any attempt to speak that Tuesday was out of the question.

To an audience of Home Rulers such action would be as symbolic. The meeting was being taken over by the Home Rulers. The chairman's face was a study of suppressed temper, but he was wise.

The Tuesday had spoken for five minutes without advancing any argument for Home Rule other than his own service in France when I left the background of propaganda for a low salary section of the party.

Blue-red, in the neighborhood of the band stand, was through with the non-conformist, who had come to Lyon Park to rest their heads and refresh their bodies, not to engage in mental battles.

Almost every topic for the London streets may be seen in Lyon road on a Sunday afternoon. Here you will see how we have done with the London 750 of London. Those earnestly dressed young men, healthy and happy with youth, would have led to put up with nothing but the London of London.

Three years ago, the conditions have raised them from poverty to comparative wealth, the conditions have raised them from poverty to comparative wealth.

And yet, the conditions have raised them from poverty to comparative wealth, the conditions have raised them from poverty to comparative wealth.

And yet, the conditions have raised them from poverty to comparative wealth, the conditions have raised them from poverty to comparative wealth.

And yet, the conditions have raised them from poverty to comparative wealth, the conditions have raised them from poverty to comparative wealth.

WE WISH YOU ALL A MERRY CHRISTMAS

From the week before Christmas, and
all through the home

The folk were so thrifty to harbor a
feast.

From the week before Christmas
(sure, please do not slight)
I know you're not ready yet—wait—
and sit!

The stockings were waiting on men
to be seated,
While Mother, the patriot, meeting
attended.

The cook in the kitchen was trying to
make
An elegant and sufficient and butterless
cake—

The men would not be especially
glad
In deference to the Controller of
Funds.

The shopping was somewhat delayed
in its action,
Father had finished his year's
subscription.

The baby was dry and the milk later
in the action,
The evergreen wreaths were quite
easily and tenderly.

The turkey was tough—indeed,
nothing was seen,
If you couldn't afford an earthen
plate—

Oh, really, this story is getting too
and
I declare I can't finish it—no let's be
glad!

Let's make him real home and try to
be gay
For it's the best once a year—we are
thankful to say.

BANTA ON THE WAY
W. H. Meek

I can hear him singing softly,
As he goes on his way,
And his song is melodic melody,
As the measure of the sea
But the life of it is jelly,
And the words of one guy!
"Get the children and baby,
I have started on the way."

I can hear Uncle Sam's shouting,
As the snow is flung along,
While the ladies sing in a chorus
With the children "O' my wind,
And the children "O' my wind,
Broken pieces of the song.

That "O' my wind" is singing
While the children sing along:
"Little Father, little father,
While you sit and dream of us,
And the mother of the morning
That shall close the window pane,
For your trust in all the future
Of the shadow and the glass,
I am starting on my journey
From the highway of your dream."

That something happened long ago

A LESSON FROM THE MANGER
(Martin Britton Crutcher.)

When Jesus left His heavenly throne
A babe on earth to be,
He chose a manger for His birth
In great humility.

He came to the world's mother
In all the crowded town,
For her dear babe, who came to save
The world from death and sin.

Oh, child and mother was the night
Here spent the mother lay
Her baby babe in peaceful rest
Upon a bed of hay.

The dumb beast, with their patient
eyes,
Upon Him wondering gazed;
Almost they felt His majesty
And trembled at His word.

Yet still the tender love they knew
Of Him who needed them;
And nearer drew in reverent mood
Around the blessed pair.

Their ragged coats, their worn soft
feet,
Brought close that childly sight
To Him who lay in lovely glory.

Beneath the lantern's light,
His baby eyes looked lovingly
On these His creature kind,
The Prince of David's royal race.

They gazed on Him, so still they gazed
To see, their humble best,
These dumb friends of the gentle
Christ—

By humans soon forgotten.

The patient beasts will stand patiently
With us for an occasional folk
The bluntness of the soil.

On gray paths of our they strive
Unmindful of griefs
How strong their voices were made
(John)

To hearts compassionate.

All are men, no superior folk
Without His tender care—
The cattle on a thousand hills
Are silent; His words declare.

So much we have them, so we know
His creature great and low,
And loving and remembering find
The Christ in each and all.

Final Appeal Judge Gives Ruling on Exemption of Farmers

Mr. Justice Duff (the Final Court of Appeal) Declares it is Essential that there shall be No Diminution in Agricultural Production.

(Published by authority of Director of Public Information, Ottawa.)

Hon. Mr. Justice Duff gave judgment on December 6th, in the first test case brought before him as Central Appeal Judge (the final court of appeal), for the exemption of a farmer. The appeal was made by W. H. Rowntree in respect of his son, W. J. Rowntree, from the decision of Local Tribunal, Ontario, No. 421, which refused a claim for exemption. The son was stated to be an experienced farm hand, who had been working on the farm continuously for the past seven years, and ever since leaving school. He lives and works with his father, who owns a farm of 150 acres near Weston, Ontario. With the exception of a younger brother, he is the only male help of the father on the farm. The father is a man of advanced years.

In granting the man exemption "until he ceases to be employed in agricultural labor," Mr. Justice Duff said:

"The Military Service Act does not deal with the subject of the exemption of persons engaged in the agricultural industry; and the question which it is my duty to decide is whether the applicant being and having been, as above mentioned, habitually and effectively engaged in agriculture and in labor essential to the carrying on of agricultural production, ought to be exempted under the provisions of the Military Service Act."

These two propositions are indisputable:

"(1) In order that the military power of the allies may be adequately maintained, it is essential that in this country and under the present conditions, there should be no diminution in agricultural production.

"(2) The supply of competent labor available for the purposes of agricultural production is not abundant, but actually is deficient.

"The proper conclusion appears to be that the applicant, a competent person, who had been habitually and effectively engaged in labor essential to such production, ought not to be withdrawn from it.

"It is perhaps unnecessary to say that such exemptions are not granted as concessions on account of personal hardship, still less as a favor to a class. The real ground of them is that the national interest is the better served by keeping those men at home. The supreme necessity (upon the existence of which, so far as I am above, this is the State of the Military Service Act) that leads the State to take men by compulsion

"THE CHRISTMAS LEAF"
The date for the opening of the show play by local talent has been set for 5 P.M. December 23th, the day after Christmas. The play is a comedy from start to finish and beyond question the greatest "various" ever staged in this. The curtain will go at 10 sharp and for one solid hour there will be fun for everyone. The following is the cast of characters:
Historians Haines, E. P. The cheerful lad—H. C. Plach.
Rashley Duvall—An accessory before the fact—P. C. Taylor.
Rev. Mrs. Higgins—A gold coin practitioner—A. E. C. Jones.
Gen. Bennett—A Chicago real estate millionaire—H. C. Plach.
Gay McElroy—A country constable—A. E. Jones.
Thos. Bennett—A girl who has a good time when she wants to—Lester Dwyer.
Rev. Secretary—Headmaster of the gold coin establishment—Mrs. R. L. Taylor.

LEGAL HAPPENINGS
To-day (Friday) is the shortest day of the year.
Don't make the Christmas tree and entertainment in connection with the Allie Public School to be held to-night (December 21st) in Masonic Hall. A good programme has been prepared and the tree will be laden with gifts for one and all. Come.
Keep in mind "The Cheerful Lark" on December 30th. The advance sale of tickets promises a crowded hall and you are guaranteed a treat.
Miss Jessie Beattie leaves tomorrow for Wadena, where she will spend the Christmas vacation with her grandparents. On Christmas day she will attend the reading of a few books. Mr. J. D. Hamilton, of Peace River and Miss Haight, 1 Edenview.
Monday, December 24th, is the date set for Ray Taylor's sale. This is a short notice but nevertheless the goods are of 21st class and there will be good value. See posters and advert.
P. J. Dewak was a Wadena's wife who a couple of weeks ago and while there we understood he purchased an all well from the city side of the northern city.
G. Thompson, of Bala, was a guest of Alex friends from Friday of last week until Tuesday.
Lester Duvall and Mrs. Bennett were in Calgary last week, where they will spend the winter.
Tuesday of next week is Christmas Day.
School closes today for the Christmas holidays.
It is about time you were compiling the list of "subscriptions" for the new year, the same as you have done heretofore, but see that you live up to them this time.
A large number from town took in the dance in Hudson House on Friday night of last week and all report a glorious time.
There is only two more days in which to finish your Christmas shopping.
Dr. Hogg was a Calgary visitor the latter part of last week.
Mr. L. Frederick has been recognized for another term by the Town School board as an instructor in history.
Don't forget the monthly and quarterly meetings for the village on Monday, January 1st, 1917.
Special Christmas service will be held in the churches on Sunday next. There will be appropriate music for the day.
Willie A. B. Bennett and children went to Edmonton this week to spend a couple of weeks. Also go to the capital city.

WORKS THAT EAT IRON

A familiar explanation of the
disaster that struck old metal cities is
suggested by the recent discovery of
some Italian engineers of a mine
which leads to iron. The discovery
was made through the frequency with
which railway accidents occurred in
one particular portion of the railroad
in a certain district.

An examination of the rails was
made and the presence of severe cor-
rosion was revealed. A rail was found
up and broken. It was then found to
be hollow, and further examination
showed the presence of a thin, soft
threadlike worm about a third of an
inch in length. A careful examination
was made of the hole in the appearance
of this worm by the engineers.

Upon the head a reserved tin little
rhyme filled with a corrosive secretion
which is ejected every few minutes
to the iron. The secretion has the
property of rendering the iron soft
and spungy, when the worm at this
point to devour it - Chicago Tri-

COMMUNICATION

Red Deer, Alberta,

Dec. 25, 1917

G. G. Morris, Esq.,
Alix, Alberta.

Dear Mr. Morris—

We are extremely gratified at the result of the recent election, a result that was in no small degree due to the faithful and tireless work of yourself and others in your district.

The writer has been associated more or less with every political campaign in Alberta for the last fifteen years but never found the response from voters so spontaneous and the result so satisfactory as in our present campaign. Candidates by birth and by

intermarriage, especially in the West, show that they are big enough to cut loose from party ties and work for their country where they believe their country needs them, and the stand for Dr. Clark that has been taken in this case goes well for the future of the country.

Wishing you the Compliments of the Season, we remain,

Yours truly,

Win-the-War Association.

By W. E. Payson,
Secretary.

S. PANGLOSS CHURCH

In accordance with the King's command there will be a special Service of Intercession for the War on the Feast of the Epiphany, Sunday, Jan. 6th at 11 a.m.

The Annual Parish Meeting will be held in the Parish House on Friday, Jan. 11th at 8 p.m. We hope that those who attend our services will be present.

Miss Pate, who has been engaged for the past two years as primary teacher in our school, has received her position and will leave today for her home at Minot, Manitoba. On Wednesday afternoon the pupils of both primary and intermediate presented Miss Pate with two beautiful pieces of art glass. The address was read by Curtis Hill, and presentation made by Joanne McEwen—Hawkins.

The above refers to Miss Jean Pate who was at one time teacher in Alix Public School.

A WONDERFUL NEWSPAPER

The Family Herald and Weekly Star, of Montreal, is the most unique and very popular in every house in Canada. It is a paper that great value to the reader is contained in every issue. Few papers are with it and they are the best, in not having it. The subscription price is \$1.00 a year, and includes a colored war map of the fighting area in Europe. It is a splendid map and of great assistance to understand the war. We understand the map offer is shortly to be withdrawn. The year's subscription and war map are certainly big value at \$1.00.

SHOOT BOWS TO FARMERS AT COST

In order to secure an increased production of bacon in Alberta, the Provincial Government is buying grade bred sows, which will be sold to farmers at prices prevailing at time of delivery, with one dollar added for service fee. These animals are being purchased at current prices in the stock yards and the packing plants in Edmonton and Calgary. Especial care is exercised to select animals of good length and depth. Growthy but underfinished animals are the kind chosen. These will be bred between December 20th and January 10th, and repaid, if necessary, between January 11 and February 1st. All animals that expect a second time, also all that fall to come in season at all, will be discarded because of the lateness or seasonality of the time when they will farrow.

A record will be kept of the male to which each sow is mated, and the date of season, in order to be able to inform the purchaser as to the time when, and the type of pig each will farrow.

Bones of Berkshire, Yorkshire, Duroc Jersey, Poland China, Hampshire and Tamworth breeding will be used. Inquiries and applications should be addressed to the Live Stock Commissioner, Department of Agriculture, Edmonton, Alberta.

ALBERTA FARM LOAN ACT

War conditions and unforeseen developments incident thereto have prompted the Provincial Government to make a statement of situation with respect to the operation of the Farm Loan Act.

It will be remembered that up to that time the United States had not entered the war and that the American market was then open to the world for borrows purposes. At present, however, as the United States joined the Allies, her markets were closed to outside borrowers with the result that our source of supply—money which is now scarce—has a substantial portion of our borrowings had been restricted—was cut off.

There remained only the Canadian market and it was hardly necessary to add that the large requirements of the Dominion Government for war purposes preclude our borrowing in that quarter at a rate low enough to make the plan a success.

The main principle of the Farm Loan Act involves the borrowing and the re-lending money with a percentage added to cover administration charges, and it will be seen that in no more effective results a continuous supply of money at a reasonable rate of interest is essential. The Government has, therefore, determined that in the interests of the farmers themselves, the present is not an opportune time to commence the lending of money under the Farm Loan Act, and it has been decided to postpone its operation until conditions become more normal.

HALFAX POLICE FORCE

The Hon. C. B. Mitchell, Provincial Treasurer, Monetary Treasurer of the Halifax Relief Fund, announces that the Committees in charge of the campaign are doing splendid work. As in the Victory Loan campaign, their own selfish and patriotic efforts have met with a ready response from the public generally. It is, only fair to say, however, that better results were expected from some parts of the province than have been forthcoming. The appalling nature of the disaster has been further added to by recent disclosures which show that the loss and suffering are intense. Each one, therefore, should recognize his individual responsibility in the matter and help the Fund by a prompt contribution.

A NEW YEAR'S GIFT

Every home in Canada should boast itself to The Family Herald and Weekly Star of Montreal for 1918. It will bring pleasure and happiness to every member of the family for every week of the year. The price is only \$1.25, and if your subscription is renewed on time you'll receive a copy of their great War Map, size 2 1/2 feet x 2 1/2 feet, in four colors and surmounted with a border of tearful badges representing nearly every battalion that left Canada. It is the biggest value ever offered the people of Canada and no home can well afford to be without it.

The Family Herald and Weekly Star has no equal on this Continent as a sweet family and farm paper.

"JOAN OF ARC" PLAY QUITE
SUCCESSFUL

In spite of the extreme cold, Miss J. C. Reed, of Albx, and her group of willow workers arrived in Clive last Wednesday and delighted a good audience with the production of "Jeans of Arc" by Mark Twain.

Miss Marriott gave a splendid representation as "Jeans of Arc" while Miss Reed and Mr. Work were equally good in their parts. *—New Union.*

THE LATE CLIVE RECORD CO. has expressed the much like gratification to these ladies and gentlemen for their generous and unselfish labors, including the expense.—Clive News Record.

INDICIOUS ADVERTISING

A good illustration of what private fish can accomplish when applied to the abundant and popular idea is shown in the results obtained from advertising the Province of Alberta Savings Certificate.

A small sum was set aside by the Provincial Government for the purpose of familiarizing the public with this excellent saving plan. Advertising inserts were inserted from time to time in the daily and weekly papers of the province and also in the various fish journals of Western Canada. The results were in five provinces in Canada, five states of the Union and a new movement even in New-Zealand.

The western and western extent of the territory is eight thousand miles while its northern and southern limits extend from the Peace River in the north to the Strait of Gibraltar in the south.

When Does a Feller Need a Friend?

EVERY boy will find the answer in the Briggs' series of intensely human "boy life" pictures reproduced exclusively by THE HERALD. Briggs is a cartoonist of international reputation.

So keen is his insight to human nature that he may aptly be termed "The Mark Twain of the Druish."

Other Briggs' features published exclusively by The Herald include "The Days of Real Sport" where they bring you back to your own boyhood days; "Somebody is Always Taking the Joy Out of Life" — you've met that pleasant (?) individual, have you? — "The Handy Man Around the House" — there's much good natured argument in every game; "Ain't it a Grand and Glorious Feeling" when the unexpected good thing happens.

Briggs makes a direct appeal. He has a message to all members of the family.

LOGAL HAPPENINGS

Miss E. Sandberg left on Saturday morning by her duties as teacher in the school at Delburne.

Mr. J. H. Thompson, of Bids, was a guest of old friends from Bids, last Saturday.

Briggs parties are the order of the day. On Friday evening of last week several happy bands were at Mr. Fox, north of town and spent an enjoyable evening with music and games. Saturday evening also a party was given to the residents of "Mr. and Mrs. J. H. Marks" was of great and enjoyed several happy hours at their hospitable home.

The merchant who advertises here a measure for you and he cannot make a \$1000 profit, unless it is important.

Miss Clara Sandberg left Saturday last on her duties as one of the schools near Buffalo, Alberta.

We understand that the Red Cross committee has been very successful in their efforts for the society. We trust this is so, however, we will let you know what is transpiring in a few days.

A concert company appears in the Maudie Hall on Monday evening next. J. R. Smith, has disposed of his farm, over of town to Mr. Wm. Lough, leaving the main price of \$25 per acre. We understand that Jack is on the look out for another place.

Dr. M. Mackenzie, the eye specialist, will again visit this town at 4 p.m. on Thursday, January 15th till 4 p.m. on Friday, January 16th. He will visit Clinic on the 25th and 26th.

Rumer bath it that J. Waterman, who is at present visiting his home at Fraserburg, Ont., will return in another month, but not alone. He is ready to give John a warm reception.

Art Dumas is the self-medical man, he having taken the recognition of D. A. McDonald's name for the winter months. He will be on the job himself as soon as spring opens.

Mr. Johnson, Mr. of Bids, was visiting in town the morning of the week.

The Annual meeting in connection with the Alex Comstock School will be held this Friday afternoon at 2 p.m. Election of our trustees from Alex and one from Open Valley District. The annual report will be read.

The merchant who advertises here all the time to buy in stock things that are not available.

Dr. Clark's supporters are invited to a meeting in Red Deer on Tuesday of next week, January 15th. The Dr. and others will address the gathering. A banquet will be held at 6.30 p.m.

Power O'Brien, W. L. Power, President; Robert Pearson, J. G. Smith, Secretary; G. G. Smith, Treasurer.

GROW WHEAT TO THE LIMIT OF ABILITY

The man who has good wheat land and who lives in a district where wheat will stand three years out of four, is justified in specializing in wheat raising to the extent that it is possible to grow wheat and keep land in wheat producing condition. Exclusive wheat raising results in "cheat" wheat. The greater the rainfall and the richer the soil, the more will "cheat wheat" be the result. The rainfall is high, the more wheat is raised and unprofitable, necessary, wheat may suffer wheat for several years without serious detriment, but in proportion to the rainfall and better income and the accuracy for unprofitable conditions, rotation of crops becomes necessary. Crops of coarse grain must then be interplanted between crops of wheat, or "cheat" wheat is sure to follow. The only way to secure a fair price for coarse grain is to convert the greater portion of it into milk, but for poor. There will come a time when the price of grain will soon level in comparison with the price of grain, but it should be remembered that the grain was made grain in price before part of it was sold.

As a rule coarse grain will not bear shipping long distances. Just as soon as the supply of these coarse grain requirements the price goes down. During a grain shortage a period of low shortage, prices range still lower. The safety valve is the feed lot.

XMAS PARCELS ACKNOWLEDGED

At the monthly meeting held on January 10th, representatives of the C.F.W. were present and expressed thanks on behalf of their organization to the donors of the Alix branch of the Red Cross Society. This expression was received with great pleasure and all four ladies of the C.F.W. were elected on the committee as follows:

Miss Board, Mrs. Pauline, Mrs. E. Sullivan, Mrs. T. Pinnell, Misses Kellie and Pauline were also elected to act on the work committee.

The sum of \$40 was sent to headquarters for surgical and medical supplies.

The following shipment of garments was sent to headquarters last week: 6 shirts, 12 pair socks, 20 pairs pajamas.

We all those who support the society by monthly subscriptions and have not yet completed their subscriptions for 1915 kindly leave some with secretary, the ladies need your help.

The sewing box will be held on Wednesday, Jan. 19th, in the town hall at 2.30 p.m. We will be served by Misses Margaret and Pauline.

The following letters have been received from boys at the front who have received the Red Cross Christmas Parcels:

France, December 16th, 1915.
My dear Mrs. Mitchell,
Representative Alix Red Cross Society, Alix, Alberta.

Dear Mrs. Mitchell:
The parcel from the Alix Red Cross Society arrived in good order yesterday and I must thank you very much for it. Everything in the parcel is just as I and Jean receive you that I am very grateful to the Society for the kindness which prompted it to send such nice parcels to the Alix boys overseas.

Please convey to the ladies (and gentlemen) of the Society my best thanks and say the same yourself. Wishing you all the "happiest of the season." Believe me, sincerely yours

G. H. Dawson.
G.F.C., 319 Coy.
Overseas.

To the Hon. Alix Red Cross Society
I wish to thank you very much for the parcel safely received yesterday. It is very kind of you and other citizens of Alix to remember to such as I am overseas. I don't know when the war will be over and we are sent to Brany A.S., but only hope it may be.

Yours sincerely,
G. H. Dawson.

Brandy Coy, Regt.

Dear Mrs. Mitchell and members of the Alix Red Cross Society:
I received your Christmas parcel yesterday, for which please accept my sincere thanks. It is good to be remembered by those at home. I duly hope I will be back among you by this time next year. I repeat that Christmas is the best and the one before that is the best, that I am going to be in France, and I am going to be in France, and I am going to be in France.

Yours sincerely,
G. H. Dawson.

Brandy Coy, Regt.

I am still among the temporary staff, but I may be marked fit any day now. I will say my Alix friends are very, and I hope it won't be long till I can be back with you again. I will be very glad to settle down for a while after this mix-up is over. I have had enough of the excitement of war to last me for some time.

Well I must close, again thanking you and wishing you all kinds of luck throughout the coming year.

I am
Yours sincerely,
Alfred Foster.

Beauport,
Dec. 11th, 1915.

Dear Madam:
I wish thank the Alix Red Cross Society very much for their kindness in sending the parcel.

I hope that next year you will not be in need of parcels and that we shall all be home.

Kindly remember me to all my old friends.

Yours truly,
W. L. Winkler.

Dear Mrs. Mitchell:
Just a line to thank the Alix Red Cross Society for the clothing parcel which I received in sight yesterday. I wish you all could have seen how much it was enjoyed. We are just like kids at Christmas when we get a parcel and I can assure you we enjoy them just as much.

The last bunch that came from Alix.

Yours sincerely,
C. B. Howe,
Dec. 11th, 1915.

I am sorry to say, getting very badly depleted. We were altogether here in the same little town pretty much and common was both killed. Hunt and Alix Parley are missing and George Fothery went out and I don't know where he is as I haven't heard from him since he left and I hope he is alright. He or not, now there are only Carr, Ed Harbison, Bob Brown, Simon, O. M. L. Kellie, T. Pinnell and myself left.

We are all having a chance to ride now and the village is going on now. It will be interesting to see how it is.

Stinson	.. 11	Kellie
Loughhead	.. 12	Kellie
Culm	.. 13	Kellie
Mar. 27	.. 14	Kellie
Illiss	.. 15	Kellie

NOTE—Moving inspection men from 9.00 to 12.00 and afternoon from 2.00 to 5.00, except a heavy or heavy inspection.

It is essential that owners have their stallions at their respective stations, as indicated in the above schedule, at the time set, as inspectors cannot remain longer than the time specified is indicated. It is essential that owners have their stallions in their stallions the day before, especially when inspection hours will be made in the morning.

In the case of part-breds, owners are requested to produce registration papers.

NOTE—Any owner who does not have his stallion inspected at the time the inspectors go to his vicinity and who wishes to stand or break a stallion during the 1916 season, will be required to have his horse examined by the stall inspectors at his own expense.

NOTICE TO STALLION OWNERS

Under the provisions of the new Stallion Act all stallions which stand or travel in the Province of Alberta hereafter must be inspected by inspectors appointed by the Department of Agriculture. The schedule to be followed by the inspectors in this district is as follows:

Morning	Date	Afternoon
Dryland	Jan. 31	Redwood
Harding	Feb. 1	Highlander
Quinn	" 2	Proctor
Cumper	" 4	Manning
Loyalist	" 6	Coronation
Castor	" 8	Blackbird
Shelton	" 7	Dominion
Alix	" 9	Barbar
Fortnash	" 9	Cumpro
	" 10	Red Winner
Beef	" 10	
Strom	" 11	Killam
Longhead	" 12	
Cadogan	" 17	
	Mar. 27	Mirror
Cire	" 28	Kirkham
	" 30	

NOTE—Morning inspections must be from 7:30 to 12:00 and afternoon from 2:00 to 5:00, except where otherwise specified.

It is essential that owners have their stallions at their respective stations, as indicated in the above schedule, at the time set, as inspectors cannot remain longer than the time specified in the schedule. It would therefore be advisable that owners bring in their stallions the day before, especially where inspection has to be made in the morning.

In the case of parades, owners are requested to produce registration papers.

NOTE—Any owner who does not have his stallion inspected at the time the inspectors are in his vicinity and who wishes to stand or travel his stallion during the 1918 season, will be required to have his horse examined by the said inspectors at his own expense.

A CROSS NOTES
The regular committee meeting will be held at the Town Hall on Monday, Feb. 1st, at 2:30 p.m.
The sewing box held last Wednesday afternoon was very well attended and a good lot of work was accomplished. Our country ladies were very much in evidence.
Dorothy, Mrs. Pratt, etc., received from supper at dinner, held on Jan. 1st, \$2.00.
We are very grateful to Miss Kathleen Duchy for donation of handsome crocheted lace. This will be raffish and shorty and to be sold on an early date.
The following letters have been received from more of the boys at the front.
Clenden Park Hospital, Goldfield, Huron, 27-12-17

Dear Madam—
Very many thanks for the welcome parcel sent to me by the Alix Red Cross Society, for Xmas. The contents of which I much appreciated. While in hospital, I spent a very enjoyable and peaceful Xmas. It was a very pleasant change, after the last two spent in France.
I was wounded on the 20th of November, as you mention was later, when I was sent to go over to take the village of Pommersbach. I was wounded in the left eye, both legs and wrist. I was sent to the hospital in the ambulance, and I was very much surprised to find that I was not hurt.
All wounds are going so well, I have been out of bed a week now and can get around quite well with the aid of a stick.
I remain yours truly,
Capt. R. W. McDermott.

No. 1 Canadian Yrly. Hospital, 27-12-17

Dear Mrs. Mitchell—
Thank you for the gift of Red Cross Society for the splendid box received? Everything was in good shape and thoroughly enjoyed.
Congratulations to the members of the Society for their noble work. I wish them every success in the forthcoming year. Kind regards to all Alix friends.
Yours sincerely,
John A. Wynn

Dear Mrs. Mitchell—
Just a few lines to let you know I enjoyed the Christmas parcel which I was in the best of condition and I enjoyed the contents fine. Thanking you all very much for the gifts. It is nice for me to know we are not forgotten by our friends at home. I've been out a little over six months and I'm pleased to say, I've come out in a little better shape than I went in. I'm glad to say that I'm in a better shape than I went in. I'm glad to say that I'm in a better shape than I went in.
The troops here are all very up-
cheerful and we are just waiting for the troops to get back in the Spring. We can expect another winter in this country. But then, we have said that for the last three years now.
I am very much interested in all the Alix friends and tell them that I am writing to you to the day when I shall be back in Canada for Alix.
Yours very sincerely,
R. W. McDermott

From Mrs. John Wynn

Dear Madam—
I am very much interested in the work of the Alix Red Cross Society and all the other members of your society in Alix for the Xmas parcel just received, and all the good things contained. Everything arrived O.K. and good time here, and the gifts and kind thoughts which inspired them all are with deep gratitude and appreciation. I have just returned to France for the last time.

Myself, I was wounded the 1st time on the 20th of September at the Somme and sent to England, returning to France in the early spring, when I was again wounded at Arras, on the Arras front, 20th of April and sent to England again. I am now back in France and at present, my part of the front line is quiet. We had a good Xmas dinner on the 25th at the Div. Staff Camp, where our Battalion was resting up after the last trip in the trenches. I never forget any of the Alix friends, and long to see them some more. I met one of them the other day (Mr. Earl) who used to be in the Union Bank. He is now out here but has been injured in another battle, so that I am at present the sole representative of Alix in the 16th Batt. My dear friend (Lorne Todd) was killed, as you know, this summer, much to my regret and deep regret. I have written to my friend, Mr. W. L. Point, several times, but am afraid that my letters have never reached him as he has written to me a few months ago and mentioned the matter of having gone to the front. With the very best wishes and best compliments of the season and hoping, at some future date, to see you again in person, and to see you among you, I remain
Yours very sincerely,
W. Lorne Wright

Mrs. W. H. Mitchell, Secretary, Alix Red Cross Society.

We are all quite sympathetic with the same reason. It seems as if something big happens in Germany and Austria before long that will settle the war.

Mrs. Arthurs has lately arrived in England and has returned to her home and more work in V.A.D. in a hospital at St. Albans, near London.

That the farmers of Alberta are in a better position than they have been for some time, is evident from the reports which have reached us from time to time regarding the fact that in the allied countries of Western Europe, it is evident that the people of those countries are in danger of a serious food shortage in the near future.

And whereas, owing to insufficient ships to carry food stuffs over land distances, the sources of supply are almost exhausted, and the United States...

I don't suppose it will be very long now before most of our draft will be in our frame, we are just now completing our final practice on the range.

We did not think our trip would go through with such a heavy baggage. I think it is thanks to the women's value that the bill has done so well.

I want my get sample to cut into it, to determine or even things, but these can be obtained if we have the money. I should if far better off than I expected to be. We can always get by for a few cents but I wonder if it is able to get you want it anywhere.

NOTICE TO STALLION OWNERS

Under the provisions of the new Stallion Act, stallions which stand or travel in the Province of Alberta hereafter must be inspected by inspectors appointed by the Department of Agriculture. The schedule to be followed by the inspectors in this district is as follows:

Morning	Date	Afternoon
Delapland	Jan. 31	Bodgen, Ish
Hastings	Feb. 1	Waggoner
Chapman	2	Proctor
Langley	3	Munster
Chapman	4	Corbett
Chapman	5	Halket
Chapman	6	Doble
Chapman	7	Brown
Chapman	8	Albright
Chapman	9	Robinson
Chapman	10	Kilham
Chapman	11	Waggoner
Chapman	12	Mirror
Chapman	13	Robinson

NOTE—Morning inspections from 9.00 to 12.00 and afternoon from 2.00 to 5.00, except where otherwise specified.

It is essential that owners have their stallions at their respective stations, as indicated in the above schedule, at the time set, as inspectors cannot remain longer than the time specified in the schedule. It would therefore be advisable that owners bring in their stallions the day before, especially where inspections have to be made in the morning.

In the case of parcels, owners are requested to produce registration papers.

NOTE—Any owner who does not have his stallion inspected at the time the inspectors are in his vicinity and who wishes to stand or travel in the stallion during the 1915 season, will be required to have him examined by the said inspectors at his own expense.

THE MAN WITH THE CRUTCH

Do you have that man with the crutch?
I wait an answer true,
Do you have that crippled man as
much

As he loved you?

Will you carry his crutch for a day—
I'll give you for one single day
Will you hobble along, make the road-
ing through.

While he goes striking away?

Will you climb the mountain side
Where the big men roared and roar,
And face the "beast the lion's"
pride—

For he has done this, and more.

Will you change your place with him,
And live in the conference trench
Biding your shattered and dragging
limb.

And wait for the ambulance?

Then groaned in agony.

But that was not the worst of it—
He saw most like this.

His limb they lay in Flanders clay,
And gave him the crutch, instead.
His hope was now in Canada,
His hope was now his daily bread.

The man who carried the crutch
Should move then brother he.

Then great him with your tenderest
And let him live on then.

When the day of the crutch you leave,
Borne by some soldier brave,
Oh, brother, greet him with a cheer:
For you, his limb he gave.

There are battles yet to win

Will you let him fight alone?

Think the man who carried a crutch
In a world a happy man.

Our debt to him so great we pay,
For it is far too much.

But our gratitude at his feet we lay,
"THE OFFICE" to the man with the
crutch.

should have said: "You can feel a sur-
ge of the people at the line, but you
can't feel all the line."

The following letters have been
received.

December 20th, 1917.

To the Secretary,
U.F.W.A., Alix, Alberta.

Dear Brother:—
Will you please convey to the mem-
bers of the club in Alix my heartiest
thanks for the ripping parcel they sent
me and it arrived on Christmas
Day, and as I was on guard that day
it was appreciated ten times as much.
It is a real joy getting Christmas par-
cels and we enjoy them every bit as
much as the kids enjoy their toys at
Christmas and every mail is looked
forward to as there is always parcels
for two or three in the Phoenix, and
on always, of course, where they are
sent.

It certainly helps tremendously to
brighten the life of gloom and war.

Next Christmas or if not home, that
the world will move more by it.

We had a great feed of turkey and
chicken, roast beef and various
kinds of vegetables as we did well and
for a number we were out to the line.

Will you please thank you all for
the lovely parcel and wishing you all
the best wishes for the New Year.

I remain,

U. G. Murray.

To the Officers and Members
of the U.F.W.

Dear friends:—
Accept my very best thanks for
your welcome remittance, in the shape
of a parcel, that I am almost lost in
forgetting. Our last little trip up the
line was not, by any means, the most
pleasant one that I have taken part in,
but as I am now in pretty good shape,
the moneyed thing that you so kindly
sent were greatly enjoyed and I can
assure you that such things make a
valuable addition to my daily life,
and are not easily obtainable in this
part of the country. Having so
many friends in your club it gives
me very great pleasure in wishing you
all a Merry Xmas and a Happy New
Year.

Yours sincerely

Dear Mrs. Mitchell—

I wish through you, to thank the members of the Alix Red Cross Society for their great kindness in sending me a few parcels of good things.

I would, therefore, have treasury in earlier had I been in France, but unfortunately I was not. Late, though it was packing mail, I am sure you appreciate the contents none the less.

I have been in England some little time now. It is all the time that I was sent over from France.

I don't fancy I shall be in hospital much longer, perhaps (?) I shall be out back home, whilst things do happen sometimes, you know, especially in the army.

Well, I must close now. Have given boys of seeing the old town soon.

Many thanks to all. I might not say that the work which the Red Cross is doing over here and in France is untireless and cannot be appreciated too much.

Yours very sincerely,

G. W. Lambbridge

SUGGESTION OF FOOD CONTROLLER TAKEN UP BY LOCAL U.F.W.

At the meeting of the U.F.W. on Saturday last there was an interesting discussion over a letter from the Controller.

Donald Thompson, speaking the importance of stopping undue profits on goods caused by excessive charges, which were looked on as a serious step but which have grown so common for several years and allowed to grow up to waste, etc. It is urged in the mind of food prices for our European friends that it is almost a crime to allow any kind to remain like.

After some discussion it was decided to form a committee to make a list of unscrupulous dealers in the district and report at next meeting, and at the same time secretary Puchon was instructed to write the Food Controller to see if these lands could be stopped, with or without the co-operation, and the report presented from members by the owner, or by Municipality for taxes.

While all agree that the farmers of this district will be long enough without any added work, still for patriotic reasons some might feel that making a little extra effort and put in an extra field being overruled by the committee appointed were J. H. Yarnold, J. W. Enns, John E. Mackie and W. Langbridge. Any knowledge of any reason could be reported to the chairman, Mr. C. H. Yarnold, or any other member of the Committee, who will make a report at the next meeting of the U.F.W. on the 28th Sunday of March.

If the approval and sanction of the Food Controller is received by that time this committee will consider applications for the calibration of various farms for 1919.

VARIATION IN CREAM TESTS

One of the most common causes of dissatisfaction in selling cream is the variation in the test. A farmer naturally thinks, that when the milk is from the same cows, fed the same ration, milked by the same person, and separated by the same separator, the test or percent of fat should remain the same, and when sudden variations occur he feels that the test is incorrect.

When a quart of cream has been gathered during the whole week without being stirred up in the can, the chances are that the cream will be thinner at the bottom and thicker at the top, in particular cream testing from 30 to 35. The cream will freely admit that if such cream is not very carefully stirred up at the creamery before taking a sample a slight variation may occur in the test but that may just as often be in favor of the farmer as to the favor of the creamery. Nevertheless it is a most important part of the creamery to stir the cream thoroughly before taking the sample, to insure getting a true test.

Errors in testing when done by experienced men can be eliminated by a systematic procedure. The cream is very adhesive, therefore, over a test shows a variation of 3 points or over, from one shipment to another we always repeat the test to satisfy ourselves that the test is absolutely correct.

However, variations constantly occur in the tests that are not due to errors in testing but to the conditions under which the milk is separated. It is impossible to run a separator under firm conditions without variation. It is possible to run a separator under firm conditions without variation. It is possible to run a separator under firm conditions without variation.

The most common causes are these variations are:

1. Variation in the speed of the separator.
2. Variation in the temperature of milk when separated.
3. Variation of the milk flow into the separator.
4. Variation in the richness of the milk separated.
5. Variation in the amount of separated milk or water used to flush the separator.

SPEED

Change in speed in using the separator is undoubtedly the most common cause of variation in the cream test. The greater speed of the separator the smaller the amount of cream and consequently a higher per cent of fat. A separator run at three-quarters the regular speed may deliver cream testing from 35 per cent to 40 per cent fat, that when the same machine is run at the regular speed. When run at a lower speed a larger quantity of cream is separated and the test will probably not be more than 7 per cent.

A variation in speed has a much greater effect on some machines than upon others. Speed also makes a much greater variation in the test of the cream when the separator is not delivered with the same regularity. This variation is compensated. If the separator is adjusted to deliver the cream testing from 35 per cent at regular speed, the test will probably not be more than 7 per cent less if the machine was run only three-quarters speed, while if the separator is adjusted to deliver cream testing 40 per cent at the regular speed, at three-quarters speed the test will be from 7 to 8 per cent.

The variation due to speed is not caused by a difference in the amount of fat remaining in the separated milk, but by the proportion of the milk that takes out as cream and as skim milk. In other words, at a lower speed more skim milk goes into the cream.

THE TEMPERATURE OF THE MILK

The temperature of the milk separated varies on the farms in some extent from day to day. While there is a great deal of difference with different machines of separators in regard to the effect of temperature on the test, the rule is that the colder the milk the smaller the amount of cream and the higher the test. Variations in temperature of the milk are not so great as the variations due to speed. If cream tests 35 per cent when the milk is separated at 50 degrees, it may from some machines test as high as 40 when separated at 70 degrees and the reverse in the other extreme. On the farm, cream will not vary 5 or 6 per cent of fat due to the change of temperature, that way to be found. Separating the milk too cold results in the loss of cream in the skim milk, but this is not the cause of the variation in the per cent of fat in the cream.

So far the theory. During the cold spells in the winter the test goes down for a number of cream shipments, usually the extreme low temperature has no effect on cream separators, generally on the farms, we can easily realize this, but we are anxious to locate the real reason, why, which is that extreme low temperature gives a lower test for some separators. We always advise everybody to have the milk as near blood heat as possible to avoid any better fat going into the skim milk. If the reading of the test is done in a cold room, the fat adheres to the separator. To be sure, this is a very old theory, but it is not the cause of the variation in the test as we have already seen.

FLUSHING THE MILK PLO INTO THE SEPARATOR

Ordinarily the flow of milk into the hand separator is regulated by a float and does not vary to any great extent. Occasionally, however, the separator is not fully opened and the inflow is for the reason that most all times the supply into is kept nearly full during most of the time the separator is running, and on other times when the milk is almost empty. This makes a small variation in the test. When the supply into is kept nearly full there is more pressure and more milk flows into the separator. The test of the cream per cent of fat is higher than it would be if the separator was flowing into the test. A difference of 1 or 2 per cent may occur with some separators by changing the level of the milk in the separator.

BY TIMES OF MILK SEPARATED

The per cent of fat in the milk separated has a marked effect on the per cent of fat in the cream. It is a common experience that more cream is taken from milk rich in fat than from milk poor in fat, but much is not the case. The richness of the milk varies during the day and the test varies. The richness of the milk, and practically the same amount is obtained whether the milk is a high or a low per cent of fat. It is a well known fact that the cream per cent of fat is higher in the morning than in the evening. The test of the milk varies in the morning and in the evening. A sample of cream usually contains a lower test in the morning. These variations in the richness of the milk also are reflected in some variations in the test of the cream that will not be noticed.

The per cent of fat in general is highest in autumn and early winter, and lowest in the spring and early summer. This is due to the reason that the cream is generally richer during the fall and winter and drops to the lowest in the spring and early summer. This is a matter that is almost certain to be proved by all cream collectors. If the cream is collected during the summer average test it is separated so that the cream tests 40 per cent and the skim milk 35 per cent, it will show that the cream tests 40 per cent and the skim milk 35 per cent. The amount of fat lost in the skim milk is not affected to any great extent by the richness of the milk separated.

FLUSHING THE MILK

A very common cause of variation in the test of cream from the separator is a variation in the amount of skim milk or water used to flush the separator at the end of separating. It is apparent that separating the cream

where a small quantity of cream is separated, a marked difference in the richness of the cream will occur by a change in the amount of milk or water added. It is as easy matter to vary a plot or more in the amount used and this shows may easily change the percent of fat in the cream from 3 to 5 per cent.

ADJUSTING THE CREAM SCALES

The per cent of fat in the cream may be readily changed as well known, by adjusting the cream scales, however, the cream scales are not changed frequently, and is not the common cause of variations in the cream tests which occur between 35 and 40 per cent. The cream scales are adjusted to the test between 35 and 40 per cent of the most desirable richness. This cream tester before the test cream, separates to standard and test, and over the skim milk is kept on the first for feeding calves and pigs. If the cream is to be used in the test it goes slowly and adheres to the scales and then covers the scales, if the scales are not adjusted to the test the cream will be lower than the test of the milk and thus being better in the skim milk. Feed out some of the test of the cream. It is more reasonable to adjust the scales of the milk scale to be influenced by the character of the feed given to the animal. However, it has been thoroughly proved that for all practical purposes it is impossible to adjust the scales of the cream scales to the test of the milk and the cream to be changed permanently than the test of the milk by its own fat. When the milk is adjusted to richness by the test, it is clearly impossible for the cream to be influenced in this way.

TESTING CREAM ON THE FARM

While the farmer selling cream must expect to experience a reasonable variation in the percent of fat in the cream, he is entitled to have his cream tested accurately and carefully by a person who thoroughly understands how it should be done, and who has the proper appliances at hand and the right place to do so.

No impartial person should be allowed to test cream where such testing is used as a basis for payment of better fat. No dealer in the near future will use the same device in the prevailing system, as the Dairy Commission held at Edmonton last week passed certain resolutions regarding the provincial government to pass certain regulations with regard to the purchase of cream. The most important one of these resolutions is the one that it shall be obligatory for farms testing cream as a basis for payment of better-fat, to obtain a license for cream testing from the Dairy Commissioners Department.

Let us hope that this will give more satisfaction. There is no reason why the farmer should not satisfy himself regarding his test. Our persons are always welcome to watch us doing the testing. Furthermore we strongly recommend every farmer to buy his own testing outfit. A farmer will not be able to test his own cream approximately correct and satisfy himself regarding the accuracy of the test he is running. We always find that those who test their own cream at home, are the most satisfied shippers.

We will supply to order a complete testing outfit for approximately \$20 also we will give instructions in using same.

Arab Prisoners

Indian Soldier Given Same Facts From Personal Experience

An Indian soldier belonging to a mercenary gun corps, who escaped the hands of the Germans in the last days of the war, writes as follows to a friend in India:

I have learned that the Arab prisoners taken by the enemy were at once set to work in the fields and in the woods and a hall dance, as the English in the American zone, and the British in the French zone, had working word and provided into two groups. During the last one hundred years, the army of the German empire and the United States have lived on steadily with arms, never a hostile word between them. In this period the old feelings of bitterness, the suppression of each will, the old animosity, the old hatred, died away and died, passed.

And now, says the Regina Leader,

Miss Helen Clough is spending the Easter holidays with her parents, near Teas.

The Misses Sandhu went to Dalhousie on Friday to spend Easter week with their sister, Mrs. McKinnon.

W. L. Potter spent the greater part of last week in Calgary. Miss Ella Temple and Edith Sims, of Calgary spent the Easter holidays with Alex Friend.

Misses Pam Gilmore and Pam Dunn spent the Easter vacation at their home in Teas, having come down from Edmonton.

The annual "All Home" in connection with the local I.O.O.F. last week (Wednesday) was, as usual, up to the top of the old standard. The members of the I.O.O.F. and a large number of guests were present for an hour and a half the hall was crowded with dancers and spectators. Music was supplied by the Seven orchestra and was the best we have heard for some time. The supper at midnight in the Imperial Hotel was eaten good and Miss Rose French is to be congratulated on the efficient manner in which it was served, and favorable comment was heard on all sides with regard to the quality. But always does it. The program will long be remembered by the members.

G. H. Johnson is in Calgary this week, having been called to the city for consultation by the medical board. Miss C. Ross came home from Edmonton for the Easter holidays. Mr. Walker, of Teas, wife a guest on Friday and Saturday at the home of Mr. and Mrs. W. L. Potter.

Miss Fox, of Edmonton, was a guest last week at the home of her mother, Mrs. Annie Fox.

Mr. Frank Goble has moved to family into town and takes up his residence in the house recently vacated by J. McCutcheon.

Last week Mr. C. Gilmore moved his family to Stettler, where he has purchased a property. We are sorry to lose this amiable family from our midst but wish them every prosperity in their new home.

Miss Susan Todd, teach at Camrose is to leave for Stettler Sunday.

Miss L. Logan, sister of Capt. Logan, with her family, was a guest last week at the home of Cpl. and Mrs. C. H. Pinnell. Miss Logan is teaching at Stettler.

Mr. and Mrs. J. R. Maclellan left, this week for Calgary, where they will visit for the summer.

Mr. and Mrs. W. H. Maclellan of Stettler (see Maclellan) were visitors to our town the latter part of last week.

The teachers of Alix Consolidated School are in Edmonton this week attending the Annual Convention.

Watch for the date of the "Bismarck Sale" in connection with the Red Cross. It will be held before long.

The summer crop on the land and in the short time coming will be the best.

W. H. McNamee, who is holding a number of his effects on the 25th of this month, will see the Clerk for a year.

Don't miss the sale of P. G. Greenhead's effects between afternoon (Saturday) on the north of the C.P.R. bridge.

The "Catholics" of Alix, are holding a hop this evening (Friday) to raise funds for purchasing hospital uniforms.

Maria Tallman has purchased J. R. Maclellan's son.

The services on Easter Sunday to the Anglican Church were well attended and enjoyed. Flowers were much in evidence.

A representative of the Holbrook Tailoring Company will visit Johnson & Andrews' store on Saturday, the 10th of April. If you require a new suit have a try chance to see all the latest samples and styles. Come and see them anyway.

Miss Hall, formerly teacher in Alix School, was a visitor in our town over Sunday.

Old March came out on the line and the health struggles continued on Monday, from their visit to Stettler.

Dr. and Mrs. A. E. Shaw returned on Monday, from their visit to Stettler.

On Wednesday last week, Mr. Charles Maclellan, of Alix, held the afternoon tea at the home of his wife, Mrs. Maclellan, in the Parish Hall, Red Deer, on Thursday afternoon, Mr. E. H. Mr. F. W. G. Smith, editor of the Red Deer Advertiser, was present in connection with the Union candidates for the Provincial election in Red Deer made necessary by the election of Mr. E. Maclellan to the Dominion Senate.

Keen to read the 10th of April (Saturday), the day that the Bismarck is again to visit "The Big Bear."

Have your measures taken for a spring and summer suit.

Mrs. G. H. Darrow entertained a party of her intimate friends at bridge on Monday evening.

Miss Dorothy Darrow is spending the Easter holidays with friends in Red Deer.

PERSONAL ITEMS

With so much fall work done last year and so early spring this year, the farmers should plan on doing a large amount of bookkeeping to aid the greater production of food for 1918.

A letter from Mr. P. B. Greenough was received on Monday, announcing the safe arrival of himself and wife at their future home in Iowa. He says they stood the trip well and are having a good time.

Frank Darlow came home from Edmonton to spend from Saturday until Monday.

Mr. W. R. McKenzie and children went to Red Deer last week where they are spending a week and when joined by Mr. McKenzie will proceed to Vancouver, where they will reside for a time.

Farmers, do not give up hope of the coming success of the season and the year, before beginning of the food and Wood Street at Edmonton.

Mr. F. R. Mitchell was a Calgary visitor the day of the week.

Those who attended the L.O.G.F. dinner at Mirror on Friday evening of last week report an excellent time.

Mr. Froelich, of Tien, was a visitor in our town the day of the week.

Illustration of a man riding a horse.

Mr. J. C. Barrow has departed of his farm to Mr. W. P. Poles, of Winnipeg.

D. B. Rich was a business visitor to Calgary on Monday. BQ has shown off his business shop for the time being and, we understand, will go on the road. However, he will make his headquarters at Alix and the family will continue to reside here.

Burns-Morrison Alix on April 18th, to Mr. and Mrs. J. W. Wines, a son.

Death entered the home of Mr. and Mrs. A. B. Blunt on Thursday morning and took away their little daughter of seven months. Helen had been suffering for some time with whooping cough which developed into pneumonia. Interment took place at Alix Cemetery Wednesday afternoon, services being conducted by Rev. Wm. Orwig. We join in extending sympathy to the bereaved parents.

In remembrance of the loving memory of our daughter, Christine Gertrude Russell, who died after a long and painful illness in Lacombe Hospital, April 26th, 1917, deeply mourned—

Children Joe, Todd married word on Monday that his oldest brother, Dr. George Todd, had passed away at his home in Judo, B.C., on the 21st of April, at the age of 23 years. This is the first time in a family of six, of which Mr. Joe Todd is the youngest and he is entering the 30th year.

With the spring coming up a month earlier this year, the farmers should be able to secure the Alix of the largest amount possible in crop this year and an abundance of food for the winter.

The Bill returned on Friday of last week from his trip to Calgary after a week.

George Smith, of Oakley, was an Alix visitor the day of the week. He and Mrs. Wm. Orwig were the other visitors for a couple of days early in the week.

Miss Curran is the owner of a new "medium buggy" and intends to show a few of our little women what speed means.

Miss Edith Curran left a few days ago on an extended visit to the western states. We trust that the change will completely restore her to perfect health.

The Farmer's part in the greater production of food is the hiring of more help, sowing of more seeds, raising of more stock, and preparing more land for next year's crop.

Recently the most public trial has been held in our district was last Wednesday afternoon, when to the north and west farmers could be seen looking along before a strong wind. Clouds of smoke were blown through our streets and a few were imagined that we were doomed. However with the coming of evening a gale rain intermingled with more clouds the crowd of people at the court house and eventually it did not. To the north it made a change away from the West-bound track looking up the underflow and down the river to the south shore. We are indeed glad that the season for public trial is almost at an end.

Mr. Elliott, Sr., of Edmonton, is spending a couple of weeks at the home of his son, Mr. A. G. Elliott.

We understood that G. H. Barlow, the late agent of a couple of years in Tien, is on his way home. He is expected to arrive some time next week. We will see you sometime George back next week.

The daylight saving law, which became operative on the 14th inst., is now a matter of course and is proving a desired adjustment. It took a couple of days to get into line, but now the extra hour is hardly noticed.

On Sunday last our local minister was a half hour late for services and some loss of the congregation came in just as the service was being completed, and could not imagine what was the matter. The same thing happened at the Sunday School when some of the teachers and scholars were half an hour late, however, by this time all children will have been adjusted. Alix will go up to the 11th o'clock on October 1st.

There is one patriotic thing that we can all do. That is to buy at home and keep our money in circulation at home as much as possible. And the local dealer can demonstrate his patriotism by buying his prices down as much as possible. Every little helps—both ways.

PRISONERS OF WAR

Many appeals are now being made for PRISONERS OF WAR. It is especially necessary for any other organization among the Canadian Red Cross to collect for Canadian Prisoners of War, as the Society supplies them with bread and other food to the maximum permitted, tobacco and clothing as allowed by the regulations.

CANADIAN AVIATORS before the Imperial Army receive their parcels from the Central Prisoners of War Committee of London, which they are taken over by the United States Prisoners of War Society, which is willing to undertake to care for them in a similar manner. It is a privilege to bring over from the Society's funds necessary amounts for their parcels, without making any further appeal to the public for this support.

The Ford is Now Considered a Necessity for Large-Scale Farming

Whether you are doing work on a large scale, or a small scale, you endeavor to reduce the delays of your farm machinery to a minimum and save time. A Ford will assist you in doing these things.

If your tractor runs short of gasoline, the Ford will bring a few cans right to the spot and greatly shorten the delay. Or if you need a repair, or even new power parts, you can "trust" the nearest town and back in overnight the time it would take with a horse and rig.

With a Ford you can supervise the work on your ranch much more thoroughly. You can get your mail and supplies often, and take more enjoyment out of your life. A Ford will do all these things and many more, and at the same time save you money.

The strength and endurance of the Ford has been proved the world over. It is equal to the western roads and the distances. The Ford is the car for the Western Farmer.

Lord Rhondda Cables: "We Cannot Achieve Victory Without Food."

"Canada Food Board," Ottawa

"In these stern days it is inspiring to learn that Canada is tackling the food problem with resolute energy. The terrific pressure on our military front makes it all the more imperative that those behind the line should strain every nerve to defeat the enemy's avowed object of destroying the British Empire."

"Germany hoped first to starve the Old Country by the submarine campaign and then to smash her land forces. She has failed to starve us and she will fail to smash us but we cannot achieve victory without food. There never was a time when it was more needed."

"The Canadian farmer and the Canadian farmhand now have the opportunity to make an effective reply to the enemy's present onslaughts by bending their undivided energies to the increased production of those food supplies for which we depend so much vital extent upon your great Dominion."

(Signed) "RHONDDA"

London, April 10th

"The Prime Minister of Canada, in a call to Greater Food Production, has called for more food than we have ever produced in our history."

"Our Allies are depending upon Canada to produce this year more wheat—especially Spring Wheat—and more meat—especially Pork."

"The world shortage will inevitably continue for years after the war—until the continent the nearest source of supply for the 300,000,000 people in Europe who will be starving for food."

Measures have been taken and plans have been formulated which, on the authority of the Director of Agricultural Labor, will provide help needed for harvest.

City and town people who cannot get the farm are helping to feed themselves by growing their own vegetables, so that the farmers may grow more food for export.

The food crisis calls for the utmost effort by all the people of Canada. As Lord Rhondda says, Food is essential in Victory.

RED CROSS NOTES

The Spring Box will be held in the Parish Room on Wednesday, May 22nd at 8.30 p.m. You will be served by Mrs. Ferguson.

The following letter has been received:

Calgary, Alta., 24th May, 1918.

Dear Mrs. Minihoff:

We again have pleasure in acknowledging shipment of Red Cross supplies from the branch at Alix, for which we extend official receipt.

As we have mentioned before, we are very glad to get the work, and especially at the present time when the need for supplies of all kinds is greater than at any previous time during the war. In view of this, we hope your branch will be as active during the Summer months as it has been during the winter.

Again thanking your workers, I remain,

Yours faithfully,

Mary E. Waagen.

Gen. Secy. of Supplies and Joint Sec.

Alberta Provincial Branch

Mr. Minihoff.

CARRIAGE ON THE GRAVE

TRUCK BRIGHT-OF-WAY.

Encouraging reports have been received by the Great Truck Pacific Railway as to the use of recent loads in right-of-way and section grounds as gardens. This year, as last year, Mr. W. F. Blanton, Vice-President and General Manager of the Great Truck Pacific Railway notified employees at the head of the Company along this right-of-way and in section grounds that were not in use for any purpose, might be used for garden purposes by any employee willing to cultivate same.

Last year there was a hearty response to this invitation, and as great was the success of the railway gardeners that this year there has been enthusiasm in taking advantage of the offer. It is expected that a considerable addition to the various sorts of vegetables will be made through these railway gardens.

Truckmen have noticed that garden plots close to the tracks seem to do remarkably well, and agricultural experts expect that the continual vibration of the ground by passing of trains is a source of strength. The ground is exposed by the water penetration by the tracks.

WOMEN WILL HAVE THEIR SAY

Absolute knowledge I have seen, but my men's workmen's sister's son

Said a policeman on his beat,

Say to a laborer on the street,

That he had a letter just last week,

Written in the faintest Greek.

From a Chinese couple in Timbuctoo

Who said that the negroes in Cuba

Were a colored man in a Tuxedo town

Who got it straight from a Chinese clown,

That a man in the Klondike heard the news

From a gang of South American

Zens.

About a lady in Buenos who knew

A man who seemed to know

Of a small society female club

Whose mother-in-law will undertake

To prove that her seventh husband's

Letter ended in a printed place.

That she said to a man who had a friend

Who knew when the war is going to end.

Chevrolet AUTOS

Six hundred and twenty-one used cars were offered for sale in New York's great Sunday newspaper on April 21st.

And there were but nine Chevrolet cars on the list. What a magnificent tribute to the car, what a splendid endorsement!

What better proof could there be that the Chevrolet is meeting the needs of the motorist?

What a fine testimonial to the Chevrolet's reliability!

It doesn't come from the dealer's mouth.

It doesn't come from the owner, the dealer.

It comes from the customer—the owner, and it is silent proof of his satisfaction in the car he is driving.

Think of the thousands of Chevrolet cars in use in greater New York—a most remarkable figure.

And yet also Chevrolet owners desiring to dispose of their machines. It is true, too, that when a used Chevrolet is offered for sale, the owner, as a rule, wants a good, round sum for his car.

The used Chevrolet is seldom seen in the "For Sale" column.

Nothing as you might say, could add to this statement. It is conclusive.

For it comes from the court of last resort—the consumer the owner.

Mrs. Carman, of Calgary, is a guest at the home of Mr. and Mrs. C. M. Yarbrough.

A number of our citizens intend taking in the sports at Rielville today. The proceeds will go to the Y.M.C.A. fund.

The annual sale of pure horse bulls with a back to Banquette on the fifth of this month (Wednesday). We call attention to advertisement.

Mrs. J. F. Macdonald spent a few days in Calgary last week visiting her sister, Mrs. Fitch.

Mr. George Rice was a visitor of friends at Edmonton and Calgary from Friday last week until Tuesday last.

The Annual U.P.A. Sunday will be observed on the fifth of May, Sunday next, when the service will be held in the Presbyterian church at 3 p.m., which will be addressed by Dan Brown, of the University of Alberta, Edmonton. Everybody cordially invited to the service.

Mr. and Mrs. J. D. McKinnon and Miss S. Sandberg, of Delburne, motored up on Sunday last and spent the day with Alix friends.

A. W. Lee was a business visitor to Edmonton this week.

Last Thursday evening, a large number of young people met at the home of Mr. and Mrs. H. Hamilton to bid farewell to Miss Hamilton and Harry Burg, who have emigrated to the city.

The evening was spent in songs and games, Orpheo Clark winning the prize for pinning the tail on the donkey.

After supper John Watersman made a very fitting speech, thanking the girls while they were going to do their bit over there, the folks at home would be doing their best to support them.

Then each of the boys were presented with a feminine pin, a little remembrance from their Jungle Friends. —Contributed.

WEDNESDAY & THURSDAY

A very quiet wedding took place in Edmonton on Monday eve. May 20, when Robert James Rogers, of Mirvot, and Beulah Louella Dean, youngest daughter of Mr. and Mrs. L. Dean, of Alix, were united in marriage by Rev. McQueen, of that city. Their many friends join in wishing this young couple a long and happy married life.

TWO PUBLICATIONS

Two Grand "A" Pacific publications of travel to the traveler have just been issued from the press. One is entitled "The North American Alps" and describes the magnificent mountains and river scenery uncovered by the C.P.R. on the Mount Robson Shores route to the Pacific Coast.

The other is entitled "British Columbia Along the Grand Trunk Pacific Railway between Edmonton and Prince Rupert." It is intended primarily for the use of the passenger on the route. A series of small illustrations are accompanied by descriptive notes on the passenger will be aware of the principal points of interest he is passing and will have a general

view of the trip.

In addition to the distribution on the train, it is being sent to interested persons who apply either to the Agents of the Grand Trunk Pacific Railway, or to Mr. W. E. Duggan, General Passenger Agent, C.T.P., Railway, Winnipeg.

BULL SALE AT LACOMBE

The tenth annual session sale of bulls at Lacombe will be held at the Fair Grounds May 29th. The bulls will be judged in the forenoon and sold in the afternoon and evening. There are 305 entries. The bulls will be sold in the following order: 1st Aberdeen Angus, 2nd Hereford, 3rd Red Poll and 127 Shorthorns. This is by far the largest entry for this sale in the two years since the sale was started and will be a good opportunity to get hard heads of the very best quality, as well as good serviceable bulls for the range. With such a large entry, bulls will be sold by the lot to suit the purse of everyone.

The catalogue for this sale is arranged according to a new plan introduced at the annual meeting of the Alberta Cattle Breeders' Association. While such many entries are members of associations for obtaining services, the catalogue arrangement is by classes according to age. The price of other breeds is also included.

The business of the sale before the sale than in the past. The advertisement of the new plan are that no intending purchaser has a chance to bid on all the other bulls of a certain age it is in fact to be seen at the sale of the prime values. Also if he wants a two year old bull, for instance, he has the advantage of having all the two year olds brought forward in succession, and then can get through his business more expeditiously. These features of the catalogue of entries should write to E. L. Richardson, secretary of the Alberta Live Stock Association, Calgary.

NOTICE

Notice is hereby given that W. G. Patrick of Alix is in the Province of Alberta, desiring to apply for a license to operate a pool room at Main Street. The application has been approved by F. E. Mitchell, S.W.

The advertisement features a map of Canada with the names of major cities: ST. JOHN, MONTREAL, TORONTO, WINDSOR, SASKATON, and VICTORIA. Below the map, there is a large illustration of a shoe sole, which is the 'Shoemaker' brand logo. The text 'When you buy Ames holden shoes you get' is written above the sole, and '—the "Shoemaker" on every sole.' is written below it. The company name 'AMES HOLDEN MCARDREY' is prominently displayed in large, bold letters, with the tagline '"Shoemakers to the Nation"' underneath it. A paragraph of text describes the company's shoe-making business and its commitment to quality and value.

The various committees soliciting donations to the Y.M.C.A. fund are working with equal success in our district. In almost every case they are being welcomed with open arms and substantial contributions. We are inclined to attribute the fact that outside clothing, shoes and household articles, are being regrettably something more, a good which the Triangle Fund is supplying, but this idea is fast becoming distinct and the real sense of our summer help becoming more felt every day. We are pleased to report that Alix district will not be behind when the totals of the campaign are made public. The "MEN and WOMEN" of our locality are responding nobly and the BEST need not wait. It is a fine will not do what he can be should be put into "his own district" and not what he will learn his lesson. We expect to publish a full list of the donations next week.

In its report of the graduation and prize distribution in connection with the Alberta Ladies College, the 24th annual Bulletin featured the names of Miss Mills Parsonson as winner of the gold medal in the Academic Department for Grade 11 and Miss Gert Parsonson as winner of the gold medal prize in Grade 8. In Physical Culture Certificate carried off first prize while Mills took second to her. We are always pleased to learn when Alix graduates carry off honours.

There is no lack of molasses now, all we require is some bright days and lots of kumblers.

Remember that the C.P.R. time table changes on Sunday. The west-bound train reaches Alix at 1:15 and the eastbound at 4 minutes to 1.

Excelsior arrangements are under way for the annual school picnic and sports day which will be held this year at Mirer on Friday, June 7th.

Regular meeting of the Village council next Monday evening, June 24th, The King's Birthday, is the date to which the sports, which were scheduled for Victoria Day at Stettin were postponed.

O Thompson left for Mirer for Calgary to drive the mail.

Rev. Mr. Osborn, the new pastor of the Presbyterian church, occupied the pulpit for the first time on Sunday evening last and was greeted with a large audience. He delivered a stirring discourse from the text, "He came here just to the land to the plough and looking back, is it for the Kingdom of God."—Luther 2:11. Rev. Osborn of Calgary, was present and also spoke very nicely in introducing the new pastor. We welcome the new minister and his wife to our town and trust that their presence among us may be pleasant and profitable.

After service last Sunday evening in the Presbyterian church the election of a new board of managers will be held. Everybody try and be present.

Pas. T. Sullivan, of Calgary, was a guest in our town here this week.

Mrs. Curran returned to Calgary on Monday after spending a week with Alix friends. She leaves in a few days for B.C. where she will spend the summer.

W. Tallman went to Calgary on Thursday to see the school.

James Brasher has returned from a week's "somewhere" in B.C. We haven't heard whether he renewed his patent or not.

Arrangements are being made throughout the Province of Alberta for a BAILORS' WEEK, commencing with the King's Birthday, June 24th, and ending on the 30th with "Big Day."

During the week a general appeal will be made to all citizens, men, women and children to contribute something towards assisting the Navy League of Canada in caring for the Widows and Orphans of the men of the Navy and Merchant Seamen, as well. The committee in charge of arrangements hope to raise at least \$150,000 in Alberta.

The patients have been busy this week brightening up the prison formerly occupied by E. L. Trickey.

S. Cruikshank reports the sale of another quarter of land in the Alix district this week to Mr. Allen, of Mirer who will move onto it at once. Stick up a flag on the "King's Birthday," June 24th.

NOTICE

Notice is hereby given that W. B. Patrick of Alix in the Province of Alberta, intends to apply for a license to operate a pool room at Miss Brown. The application has been approved by F. R. Mitchell, Reeve.

JOHNSON & ANDREWS

Canada's Registration

Its Purpose and Application

CANADA faces the gravest crisis in her history. Four years of war have taken from the Dominion a heavy toll in talent and labor, yet despite the shortage of manpower, our Allies have been able to produce a surplus of food and clothing for the people, and to increase her exports of food and war materials, as vital to them, and to the successful prosecution of the war.

Every ounce by which Canada can increase her food production, and every ounce Canada can contribute to food conservation, is needed for export to the Allies.

Should the war continue for another year, food needs and a rationing system may have to be instituted. It is the duty of Canada to be prepared for whatever situation circumstances may force upon her.

It is probable that before the war is won our Government will have to place restrictions upon the occurrence in which men and women may engage. In such an event the Government wishes to be in a position to render all possible assistance in

Registration Day, June 22nd

These conditions pined to the nervous at Canada knowing that their capabilities of both men and women were being used in the war.

All persons residing in Canada, male or female, British or alien of 16 years and over, will be required to register with the Joint War Reliefs Committee, the government set forth upon the registration card.

It is not the Government's intention to conscript labour in any form, but to assist in directing it wisely.

CANADA AND THE UNITED STATES GOOD NEIGHBORS AND COMRADES

A LESSON TO THE NATIONS OF THE WORLD

Public Relationship Has Been Confirmed For All Time By The New Constabulary Bill of Canadian Will Be Overlooked a Commonplace

It is a fact that a long time ago the world was a very different place from what it is now. It was a world of peace and good will, where the nations of the world were good neighbors and comrades. But then came the war, and the world was divided into two camps. One camp was the camp of peace and good will, and the other camp was the camp of war and hate. The nations of the world were divided into two camps, and the world was a very different place from what it was before the war.

For a hundred years and more the nations of the world have been at war with each other. It is a fact that the nations of the world have been at war with each other for a hundred years and more. It is a fact that the nations of the world have been at war with each other for a hundred years and more. It is a fact that the nations of the world have been at war with each other for a hundred years and more.

Every Farmer Needs a Ford

THE Motor Car is a greater convenience to the average farmer than the telephone, the rural mail or even the grain hauler.

The trailer which is considered as a very useful implement is really only a spare that is few days during the entire year. The rest of the time it is a useless, idle, taking up space, while the automobile is available for use throughout all seasons, and both day and night.

It is ever ready to run down the lane to the back field or the pasture with a pack or a mow, or take you and your family to town for shopping purposes—or on an errand to the neighbors.

The motor car is called upon whenever anything is wanted in a hurry. It is the most useful implement or convenience for the farmer. It helps you conserve your energy and time for productive work and enables you and your family to accomplish more with less energy. You surely find the need of a Ford. Why not order one today?

Every Farmer Needs a Ford

The Ford Motor Car is a greater convenience to the average farmer than the telephone, the rural mail or even the tractor.

It is considered as a very useful implement more than a few days during the entire year. The time it stands idle, taking up space, while it is available for use throughout all seasons, in day and night.

Now ready to run down the lane to the back field or the pasture with a parcel or a message, or take you and your family to town for the shopping purpose or on an errand to the neighbors.

The motor car is called upon whenever anything is wanted in a hurry. It is the most useful implement or convenience for the farmer. It helps you conserve your energy and time for productive work and enables you and your family to accomplish more with less energy. You really find the road of a Ford. Why not order one today?

All prices quoted are for cash delivery, nearest dealer's price.

THE CHURCH CANTOR'S STORY

The church held for last Friday evening in Marmic hall under the auspices of the Red Cross Society was in every respect successful and netted the society a nice little sum. There have been so many calls upon the society's funds required for the maintenance of the various branches of help to our soldier boys, that the society thought that it was time for a social evening to give a jolly time to the contributors. The price of admission was set at the small sum of 15c, with the result of all the result outdistanced their fondest hopes, as the attendance was by far the largest that has assembled in Alix for many a day. A booth had been erected at which ice cream and cake was sold and was freely patronized. The evening was spent in dancing and song, those contributing to the program being: Miss Helen, Mrs. Daxton, Miss G. Suran, Private G. Thompson, Mr. Haining, Mr. Boland, W. B. Mitchell, G. A. Thompson, while the instrumentalists and accompanists were: Mrs. Palmer, Mrs. Suran, Mrs. G. A. Thompson, Mrs. Roland, Mrs. Smith and others were enthusiastically appreciated. The society extend to all who so kindly contributed to the success of the evening, their appreciation, and especially to Mrs. J. Delaney for their generous donation of ice cream. We are happy to meet at so early date.

COMMUNICATIONS

Editor Free Press:
Dear Sir: Kindly allow me space in your paper to correct a false report concerning the recent sale by myself of Mrs. J. W. Taylor, of a farm out of town. The report is to effect that I received an unconditional commitment by accepting the price of 75 cents. The property was sold with me at 2000 yds acre for 1.25 less the tax in my own pocket and I received the sum of \$415.00 for finding the buyer, which is considerably less than the 5 per cent. commission which is considered a high percentage. The purchaser, Mr. Taylor, is particularly satisfied with his purchase and knows the entire transaction from start to finish. The trouble is that a few people, having an unconditional commitment at that time at that amount, have themselves with other people's affairs and are apparently having knowledge

PHOTO TODAY

The Union People of the three congregations from Alix, Mirror and Marmic, will be held in Mirror to-day, Friday, July 19th. We hope that as many as possible will come. A meeting will be held in St. Michael's Church at 2 p.m. to discuss a memorial to the late sister. There will be sports and games on the school grounds. The will be at 4 p.m. to which all will contribute. In Mirror and Alix the Women's Guild are looking after this. Evening and War Intercession in the church at 7 p.m. will bring the day to a close.

HEAVY CUTS ON LIGHT CATTLE

It is reported that at a meeting composed of representatives of the packing interests, the British Purchasing Agent and the Food Control Board, it was decided that the feed ration in meat that the slaughterhouse and unfinished cattle should be discouraged in every way possible. One of the items adopted, and the one that has been adopted at the former, was the decision by the British Purchasing Agent that no carcasses be accepted that weigh less than 500 pounds. That act limits the sale of light and unfinished cattle to the best market, and is very likely to result in a heavy cut of cattle of that class.

It is not too late for the farmer whose pasture is short to protect himself against loss. If he has a place of considerable land or of livestock, and his stock has been forward with a good sale, he can now divert those sheep or white turkeys during the first half of July and pasture them off during the last half of September and the month of October. By so doing, many an animal can be brought to the required weight and increased in price as well.

The heavy weights and high prices for the light weights and heavy cuts in price contrary profits.

Every Farmer Needs a Ford

THE Motor Car is a greater convenience to the average farmer than the telephone, the rural mail or even the grain trailer.

The binder which is considered as a very useful implement is rarely used more than a few days during the entire year. The rest of the time it stands idle, taking up space, while the automobile is available for use throughout all seasons, and both day and night.

It is now ready to run down the lane to the back field or to the pasture with a parcel or a package, or take you and your family to town for shopping purposes—or on an errand to the neighbors.

The motor car is called upon whenever anything is wanted in a hurry. It is the most useful implement or convenience for the farm. It helps you conserve your energies and time for productive work and enables you and your family to accomplish more with less energy. You rarely find the need of a Ford. Why not order one today?

All prices subject to our list changes, except trucks and chassis.

Local Happenings

The annual case Thomas re-Drummen, tried before Justice Parnell in Alx on Wednesday afternoon last, was decided in favor of the plaintiff, Mr. Thomas. The charge was for assault, battery and threats in the defendant's store on June 15th. Mr. Thomas appeared for the plaintiff and Mr. Coulson of the defense.

The auctioning of Vio's Crank, beloved wife of Mr. Parnell, was held on June 20th, 1918, at a check in the value of \$100. The sale was attended by a large number of people and the proceeds were used for the benefit of the Vio's Crank fund.

Those who attended the farm picnic at Haunted Lake on Wednesday report a most enjoyable and profitable time. There was an abundance of refreshments and the runs and baseball game made a pleasant afternoon.

Arrangements are already under way for the Alx Fall Fair which the directors are anxious to make the largest and best yet. The price list is being enlarged and will be in circulation next month. Begin now to get your exhibits, lists and let us know of the exhibits in their endeavor to make the 1918 fair outside all others.

Mr. and Mrs. K. W. Winter and family attended the Edmonton Exhibition last week.

We draw your attention to the fact that the Alx Fair is now open. It is the most useful implement or convenience for the farm. It helps you conserve your energies and time for productive work and enables you and your family to accomplish more with less energy. You rarely find the need of a Ford. Why not order one today?

All prices subject to our list changes, except trucks and chassis.

RED CROSS NOTES

The Bowling Bow will be held in the Town Hall on Wednesday, July 26th, at 1:30 p.m. The bow will be served by Mrs. G. E. Butler. We are grateful to the members of the Women's Institute at Yau for parcel of supplies containing the following:
2 pairs Socks.
2 pairs Pyjamas.
2 Day Shirts.

The following letter has been received from headquarters:

Dear Mrs. Winkler:
We beg to acknowledge a shipment of supplies which has been received at the Depot and herewith enclose official receipt. Please thank all your members most heartily for their efforts on behalf of the Red Cross.

The Red Cross Society is organized for the purpose of co-operating with the Medical Services of our Army, and we can only be of use in the fullest possible sense, if we are prepared to meet the existing needs.

Socks, Day Shirts, Dressing-gowns, Pyjamas. Operating gowns are always much in demand and we may also call attention to the fact that this Province is plagued by forward over 1,000 Personal Protective Suits per month, to meet the need for them there, which are so largely utilized at the Canadian Clearing Station.

Yours faithfully,
Harry C. Wilson

Honorary Superintendent of Supplies and Joint Secretary, Alberta Provincial Branch.

COMMUNICATION

225 York St., Fredericton, N. B.
July 18th, 1928

Dear Sir:
Perhaps you will be surprised at receiving this epistle from me, but I have a small item of news that I felt you would not miss. It is the "New Press" for the month of June of my 5th year around Alix. Born at Fredericton, N. B. on June 18th, to George and Mrs. D. A. Wilson, at present, Alix, N. B. I am a Father now and let me tell you that I would not take off my hat to anyone and even to the Mayor of Alix. I feel too proud to live. The wife and little are doing fine, and perhaps some day I will have back to the old town, but to let you people who have not had the time to know all the friends.
Respectfully,
I remain,
Yours sincerely,
George Wilson.

RANCH IN VIEW THIS EVENING

"A Hot Bed" and Dinner will be held this evening in Merle for the purpose of raising funds for the Red Cross Society. The subscription of \$1 has been set but these proceedings have will have their subscribers for the Red Cross. The popular singing of the Red Cross Society will be the order of the evening and everything is being done to ensure a good time. An invitation is extended to all. COME. Remember this evening, Friday, July 19th.

C. F. W.

The meeting on July 6th was so sparsely attended, owing to the wet weather, that only a short business session was held. It was decided that in place of the flower show, on July 27th, the meeting will be given over to the discussion of business matters that have been laid aside owing to more pressing business on hand at the time, such as Public Health work to the school, girl's club, singing society, etc.

The amount given by the club on June 27th netted the sum of \$10.00

IF A MAN CANNOT GIVE HE CAN EXPRESS HIS SYMPATHY

For the information of those who refused to contribute to the recent appeal for the Y. M. C. A. we would like to state that if they would like the trouble to write one of the boys at the front they would have their own appeal, that is if they so desired. During the past week we have received and read various letters from our boys and in EVERY case they have nothing but praise for this organization. One boy says "Father, anything that you can do for the Y. M. C. A. do it, as this is one of the most important factors in helping with the war" another says "Believe me, the Y. M. C. A. is one of the finest of the nation" and so on. If the large permanent club could do this in the country people who do not believe in this or that for the simple reason that it touches their pocket and it costs them to obtain knowledge from the books that it is useless expense, but you will note that in every instance the club will come from further but interested, someone whom the war has not touched. We do not claim that it is possible for every person to contribute \$5 or \$10 but when a man says as I will not give to give to the organization, that it is useless should be a deterring step, or the Government should be paying him \$1.50 a day. Well, you know the "Electorate" who is peddling the truth at the expense of our boys and we ask you as a patriot to lend him aid as we may know him and have him taught. It is not only deterring but your duty to do so.

RED CROSS DAY AT YVES

Elaborate arrangements are being made for Red Cross Day at Yves on the last day of this month, July 28th. The afternoon's entertainment will commence with a monster parade (the custom of the day) to be followed by a long program of sports. The Women's Institute will also hold a sale of goods on that day. Come and bring the family for a good day's outing.

FOR SALE—Black West Quarter Section 14, Township 18, Range 35, West of Merle. Descriptive terms will be given on this quarter section. Apply Commercial Trust Company, Limited, Calgary, Alta.

Every Farmer Needs a Ford

THE Motor Car is a greater convenience to the average farmer than the telephone, the rural mail or even the grain elevator.

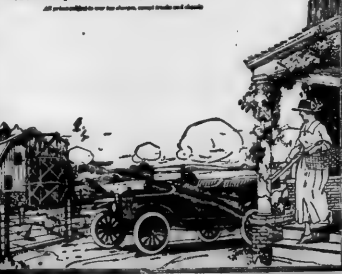

The motor vehicle is considered as a very useful implement in nearly every home some days during the entire year. The rest of the time it stands idle, taking up space, while the automobile is available for use throughout all seasons, and both day and night.

It is now ready to run down the lane to the back field or the pasture with a parcel or a message, or take you and your family to town for shopping purposes—or on an errand to the neighbors.

Why not order one today?

The motor car is called upon whenever anything is wanted in a hurry. It is the most useful implement or convenience for the farm. It helps you conserve your energies and time for productive work and enables you and your family to accomplish more with less energy. You surely feel the need of a Ford. Why not order one today?

There is a prospect that there will be a serious shortage of wheat in the spring of 1919, owing to a larger part of the present wheat crop is threatened than usual in the future. The situation is serious, but it is not yet certain. The wheat crop is not yet in the ground, and it is not yet certain whether it will be a large enough crop to meet the demand. CANADIAN RED CROSS SOCIETY WILL HELP FRANCE

Alberta Red Cross Votes \$25,000 to "France's Day" Appeal

The Canadian Red Cross Society has again received an urgent request from the London Committee of the French Red Cross to take part in an Empire-wide appeal for the Sick and Wounded Soldiers of the French Nation and for the French Prisoners of War. The Society, after due consideration, have approved of such steps being taken by its various Branches throughout the Dominion as they deem most advisable for the purpose of raising funds for France's Day, July 14th. Money raised will be transmitted through the Canadian Red Cross Society as Canadian contributions to the British Empire Funds for the Sick and Wounded soldiers of France.

Alberta To Send \$25,000

The Alberta Provincial Branch has decided to make a Grant of \$25,000 to "France's Day" fund as a contribution from the people of Alberta in this world-wide appeal on behalf of the Sick and Wounded of our gallant ally. This sum will be made up from the Funds of the Society and from such special contributions as are received for the purpose.

Special Contributions Acceptable

It is felt that at this time it is urgent to launch any special effort through the Province in connection with "France's Day" fund, but persons wishing to make special contributions are requested to forward money through the nearest Local Branch of the Red Cross, and it is in anticipation of a generous response to the needs of France, that the Alberta Branch has placed itself to the above mentioned gift.

When we consider the sacrifices that our gallant Allies have been called upon to make and the magnitude of their needs, a generous response from the people of Canada should be the universal answer to this appeal.

Practical Sympathy Required

As already stated, no special appeal will be made throughout Alberta for "France's Day" it is felt that the needs of the Sick and Wounded of the French Nation, must awaken a response in the heart of every citizen in this province. While soldiers of France are fighting side by side with men from Alberta, while the dangers of each face the dangers of all, while the courage of their men, as well as to the heroism of our own Canadian, is due to the fact that they are well content to enjoy prosperity and comfort—because of Alberta, can help to relieve their sympathy for the sufferings of France, by carrying that sympathy in practical assistance. No assistance can be furnished more efficiently than through the channel of the Red Cross, and the aid of the people of Alberta to the Sick and Wounded of France will be the French prisoners of war will remain for all time as an evidence of the devotion and solicitude felt by our men and women for their great ally. Contributions for "France's Day" fund should be transmitted through Local Branches of the Red Cross Society and especially mentioned for the sick and wounded. Contributions may be forwarded at any time between now and the end of October.

A WORD TO THE FARMER OF EMERGENCY

Mr. Farmer, have you ever considered the saving that would result if the man with the thrashing machine would take a little more time and do a little better job for you? Mr. Thresher, have you ever thought of the extra money you would make if you spent an extra hour on each job by feeding your machine a trifle slower and thereby eliminating the throwing of so much grain into the straw pile?

If we ever required careful threshers we used them this year when every bushel of grain will count. To the east and south of us, (the big grain areas) the crops are practical by a failure and you require every ounce of grain that can be produced to further provide the war. We have been looking from all sides and we get the same answer that a large percentage of grain is thrown into the straw pile every year, while a huge quantity is left on the field.

It may be thoughtlessness on the part of the man in charge of the machine, but it is a good many times it is "rye" but through and in to get up to the next." Now we claim that this year it is essential enough to not conserve every ounce of grain possible, and every thrasher should be very keen to do the farmer and the Government. Indeed, the machine man should be told that it was compulsory for him to attend to his business. There are other matters in this connection but we have summed them up in a few articles which we think should be adopted:

1. That every thrasher should carry a shovel to be used on the ground near the field house.
 2. That every thrasher should be compelled to run machine on his horse to prevent them leaving the straw to blow and blowing the grain.
 3. That the slowing of every thrasher or shall be forbidden should be considered of throwing any more than one or two of grain into the straw stack.
- We believe that the output can be greatly increased if proper measures are taken to prevent this waste when thrashing and it would not only pay money in the pockets of the farmer but allow of a larger output of grain supplies. It would not cost any hardly on the thrasher as he works by the bushel, and the job. The products would lead to get the goods ready for the machine and it is deserving of every penny he can make. What do you think of this matter?

TO MEET THE MOST SERIOUS CRISIS THE WORLD HAS EVER WITNESSED

ADJUSTMENT OF LABOR CONDITIONS NECESSARY

The Wiling War Time Spirit Must Prevail in Order to Minimize The Effect of Shortage of Experienced Farm Labor for the Forthcoming Harvest Season

The shortage of farm labor will very seriously hamper the harvesting of the crops in the coming autumn. The situation is so serious that it is necessary to take immediate steps to meet the crisis. The government has already taken steps to encourage the use of women and children in the fields, but more must be done. The war time spirit must prevail, and every citizen must do his part to ensure a successful harvest.

Indians Dig In

Greater Production

Fifty Thousand Acres Under Cultivation in Prairie Provinces

The Indians of the Prairie Provinces are making a determined effort to increase their agricultural production. Fifty thousand acres are now under cultivation, a significant increase from previous years. The government has provided them with the necessary tools and equipment to help them succeed. The Indians are working hard to improve their living standards and contribute to the war effort.

Take Back Revenge

On Prisoners

Has Been Increasing Since War Began

The practice of taking revenge on prisoners has become a common occurrence since the war began. It is a barbaric and inhumane act that should be strictly prohibited. The government has issued orders to prevent such actions, but it seems that some soldiers are still engaging in them. This behavior is not only against the rules of war but also against the principles of humanity.

Decline of British Army

Ships the War Begins

There has been a noticeable decline in the British Army since the war began. The number of soldiers has decreased significantly, and the quality of the troops has also suffered. This is due to a variety of factors, including the loss of experienced soldiers and the influx of new recruits who lack training. The British government is aware of this problem and is taking steps to address it.

Rifle and Bayonet

In the War

The use of rifles and bayonets has become a crucial part of modern warfare. Soldiers must be trained in the proper use of these weapons to be effective in battle. The British Army has placed a strong emphasis on rifle and bayonet training, and this has helped to improve the performance of its troops. However, there is still a need for further training and improvement.

Canadians

Are Making a Difference

Canadians are making a significant difference in the war effort. They are contributing to the production of war materials and are also serving in the armed forces. The Canadian government has provided them with the necessary support and resources to ensure their success. The Canadians are proud to be part of the Allied forces and are committed to the victory over the Axis powers.

War Time

Is a Time of Opportunity

The war time is a time of great opportunity for the world. It is a time when the forces of good are fighting against the forces of evil. The victory of the Allied forces will bring about a new world order, one of peace and justice. We must all do our part to ensure that this victory is achieved.

FATAL AUTO. ACCIDENT

A sad accident occurred near
Beshaw on Thursday of last week
when a car owned by Mr. Hare
of near Teas turned turtle, fatal-
ly injuring Mrs. Hare and seriously
injuring Mr. Ferguson, men-
teaser, who was taken to the
hospital at Beshaw.

Mrs. Hare never regained con-
sciousness and passed away on
Friday. The funeral, conducted
by Mr. J. M. Holden, took place
on Sunday and was largely at-
tended.

The deceased was devotedly
loved by her home and family and
leaves a sorrowful husband and
four sons to mourn her untimely
end.

AN ENJOYABLE MEETING

U. F. W. The gathering of the rich on Saturday, July 27th, was the most enjoyable one we have had for some time. It was opened with a few moments silent prayer for our men at the front, after which the topic of interest was attended to and then followed a social hour during which tea was served by Mrs. J. M. Danbury, Mrs. Wallace and Mrs. Wolfertan.

It was attended with the request of the Alberta Lumber Co. to locate a five-ton platform scale on the corner of Highway Avenue and Prairie Street, it was decided that an acre of land be set aside for such a purpose, but it is not allowed, but it is a permission be granted to our scales on Prairie Street 30 feet back from the junction of the two streets.

We are not given to criticism, but we would like to ask our members how they feel about the Alberta Lumber Co. permission to locate these scales? If we require anything it is a note of the compromise of the holder of land and other regulations on the matter of the thousands if need be. In this instance it is a case of installation in a convenient

SUDDEN PASSING OF MRS. C. S. TALMAN

It is with regret that we are this week called upon to chronicle the death of one of the old pioneers of Alix district. In the person of Christiana Smith, beloved wife of Mr. C. S. Talman, which we went took place on Friday afternoon of last week. The deceased had been on a visit to friends as far east as Montreal and on the arrival of the 12:40 passenger she alighted and in apparently good health, walked to the home of Mr. and Mrs. George Ross, but shortly afterwards was taken ill and became unconscious and at 8:30 she passed away, despite the efforts of Dr. McNeill of Clive who had been hastily summoned and Alix friends.

Deceased was born in Quebec where she spent her girlhood days and afterwards met and married Mr. Talman. In 1881 the family moved to Alberta and Alix district where they have since resided. In addition to a farming husband she was two sons, Murdo and James and William who is serving his country, being now on his way to England.

The funeral on Saturday to the Alix cemetery was largely attended, the services at the Presbyterian church and graveside being conducted by Rev. Osburn. The pallbearers were Messrs. J. Stuart, H. Patterson, J. Waterman, Hamilton, W. R. Brown and C. C. Andrews.

We join in extending sympathy to the bereaved ones.

HOW ARE YOU FIXED FOR HARVEST HELP?

Arrangements have been made by the Grand Trunk System for Harvest Help Excursions from different sections of Ontario to points in Manitoba, Saskatchewan and Alberta. These excursions will reach Winnipeg about August 18th, 22nd, 25th, 28th and September 1st.

Farmers in these Provinces needing harvest help may communicate with the General Passenger Department of the Grand Trunk Pacific Railway, Union Station, Winnipeg, giving number of men required. On arrival of these trains men will be distributed as they are found available. The railway companies are deeply interested in lending every necessary assistance in obtaining necessary help to harvest the crop this year.

Mr. J. Talbot of Hanna has purchased three quarters a head 2 1/2 miles north of town from Andy Dittie.

We understand Mr. Torpy has rented the McNeill house on 11th street and will move his family to town in a couple of weeks.

Get ready for the Fall Work.

Local Happenings

The days are shortening.
Orval Horley of Hargreaves is confined to bed with an attack of Scarlet Fever.

Mr. G. H. Barlow and Miss E. Evans went to Hinton on Tuesday to visit for the balance of the week.

It's getting close to dark closing time.

Only a few turned out on the evening last Friday evening, but despite this fact the object of the gathering was attained, namely a canvassing committee was formed to solicit contributions to the sports on Fair Day. The list is now on its way and to date we are assured cash for the hiring of Mitchell's 31 place band and a good sum for music, etc. Have you signified what you will give?

Mrs. J. A. Archibald of Lethbridge is spending a couple of weeks at the home of her uncle, Mr. C. S. Talman.

A lot of people who think they are making the world better are only making it noisier.

Mr. Otto Topp of Hanna has bought the W. M. J. line, 15 miles south-west of Alix.

ALIX SELECTED

The Provincial Government has decided on Alix as one of its four centres in Alberta at which a District Home will be stationed. The object of this move is to provide medical inspection of schools and people's homes, and the giving of free advice to mothers, etc. This work is under the supervision of Miss Christine Smith of Edmonton and the local nurse will supervise the districts of Alix, Carrol, South Buffalo Lake, Ripley, Stone and Stettin.

LAST DAY OF GRACE

The 24th of August (tomorrow) is the last day upon which pardon is granted to those who are deserters or who have failed to report to the Military authorities. The extreme penalty of the law will be visited upon defaulters after that date.

Mr. Allen Grigg of Calgary who has been spending the summer at Leo is Biche, north of Edmonton, is a guest of Mr. and Mrs. Wm. Grigg.

Mrs. Blount and Miss Eleanor of Edmonton are guests at the home of Mr. and Mrs. A. G. Bickel.

W. F. Point was a business visitor to Calgary early in the week.

Local Happenings

Among those who attended the Battle Fair last week were: Mr. and Mrs. G. A. Thompson, Mr. and Mrs. W. L. Point, Mr. and Mrs. B. Cruikshank, Mr. and Mrs. N. C. Andrews, Mrs. Darlow, Roy Hoppes, Bill Patrick, W. Kraft, Jim Bunker, Andy Allen, Chas. Brown and Larkin Brown.

Mrs. E. S. Bower has returned to her home in Calgary after spending a couple of weeks with Alix friends. She was accompanied by Miss Eleanor Fleck.

Sportspersons, you must have a license and observe the law. The Government is taking every measure to enforce the law. Your neighbor may be a sportsman when you go out on the Red but he is a "little creep of paper."

Some people are not satisfied with working trouble—they multiply it.

LOST—On the Nevis road between Alix and my farm, on the 7th August, a full size complete and good for grain fall. Finder please leave at Hoppes' Livery, J. J. Taylor.

TIME SLIPPING ALONG

Three weeks from today is the Eleventh Annual Fair Day of the Alix Agricultural Society.

Don't forget that the "Boatmen's" Band, composed of 21 players, will provide music for the day.

A good program of sports will be compiled for the day.

Get your exhibits into shape and enter them early with the secretary, W. L. Pettit.

If you haven't a "Plan" List ask the secretary for a copy.

Some more prizes for sheep—Best Worsted Sheep at the Fair 1 gallon Watsons dip donated by Mr. Ferguson.

Best pair of Ewe Lambs—1 gallon Haveling's dip donated by Mr. McDowell.

U.F.W.

Mrs. George Root, one of the U. W. distributors, will address the local association at their regular meeting on tomorrow afternoon August 31st. The subject of her talk will be "Girls' Clubs." All ladies cordially invited.

COMMUNICATION

Secretary Agricultural Society: Dear Sir—

The Department of Colonization and Development of the Canadian Pacific Railway will award a silver cup valued at \$500 for the best breed of hard spring wheat exhibited at the International Fair, Products Exposition at Kamloops, B.C., October 18-20, 1918. It is hoped that Western Canadian farmers will be well represented in the competition and that in this way attention will be drawn to the immense food-producing possibilities of this country.

May I ask that your organization will take this matter up actively in your community and take whatever steps may be necessary to see that your best wheat growers are represented in this competition? The publicity advantage to your district in case it should produce the winning sample will of course be very great indeed.

Will you please let me hear from you in this connection so that I may be of any service to you in this matter?

Yours very truly,
Robert J. C. Beach,
Publicity Agent C.P.R.

SCHOOL NOTES

Alix school re-opens for business (after the summer holidays) on Thursday of next week, September 1st. Mr. W. H. Crawford has been re-engaged as principal for another year with Miss Janet McDevitt of Kenmore, Ontario, as teacher of the Intermediate and Miss Annie Sandberg will instruct the juniors.

Mr. Ed. Hey has again been awarded the contract of surveying the Open Valley children to school.

In justice to the teachers and pupils, parents should see to it that their children shoulder their books the morning of opening, so that the classes will be arranged properly at the start. Don't make it an extra task for your children by allowing them to miss a few days and then blame the teacher if progress is not satisfactory. Remember also that an education is the greatest of all goods which your child will carry out into life. Help the kids to prevent all other things.

We would remind the boys of senior room that the Principal has been making his right arm more fit by the use of a fork handle during the holidays. He will have no trouble handling the fish.

Mr. James Docherty has visited a home on Mt. Stuart for his children to enable them to continue their studies at the Alix Consolidated school. The Misses Sandberg have rented the house recently vacated by Miss Stelmant and will also attend our school for another year.

RED CROSS NOTES

The regular committee meeting will be held in the Town Hall on Tuesday, September 29th, at 8.30 p. m.

A COWARD

Several valuable dogs have fallen victims of the poisoner during the past few months, the latest being the one belonging to W. L. Pettit, which was done for on Monday last.

The poisoning of one of our dumb friends is a despicable trick creditable only to a few down country and a coward. It is a pity the sheep cannot be convicted and brought down with.

YES. BY HEK!

You may think we were peddling the "hot air" but if the Fair to be held on Friday, the 20th day of October, 1918, is not the last by a thousand years in the history of the Alix Agricultural Society, by heh, we'll not only get our hat but your, too.

The sports committee have have doubled both the size of the program and the events on the racing programme and already a number of horsemen have stated their intention of competing. A good program of foot racing has been drafted and a hall game is on tap.

Those who listened to the assistant master at the Boat Race by their head are looking forward to another trial when they visit the Alix. This attraction alone is well worth coming for.

There is good money for the banking contacts with a special prize for the cow boy races.

In the evening the Red Cross will give a dance in the Municipal Hall when good music will be provided.

The Sports Committee are doing their share and it is up to the farmers to fill the exhibit table to its utmost capacity.

Get busy on your exhibits.

Local Happenings

A Week From To-day

One week from today—September 26th—will be a record breaking in the annals of the Alix Agricultural Society.

Everything is now in readiness for a big day and the efforts of the officers of the society will be rewarded for if the weather is favorable we will have beyond question the very best fair ever.

The attraction and of the day has received special attention and in addition to the Stutter Hand (which has been termed the best in Alberta) there will be a good program of horse races, boxing contest, basketball game, sports for men, women and children, and we hope to have the Wild West show now touring the Province.

The refreshment part will be well taken care of as the U. F. A. and Women's Institute will have booths on the grounds and a cafe for stands have been sold to several private parties.

In the evening the Red Cross Society are holding a dance in the Masonic Hall. Refreshments served in the hall.

The famous moving picture "Rialto Chasing" together with nine comic films will be shown under the auspices of the Red Cross. Something for everybody and a day of enjoyment for all. COME

The French Farmers Saved The Day

The saving farmer is a national asset. Canadian progress to-day in all its attainments magnificently in the splendid qualities of thrift that have marked the farmers in all the provinces. The total return from field crops and animal products have not been possible because of the depression to make use in an economical way of all the wonderful gifts of Providence in this good land of ours.

The same was abundantly true after 1870 in France when the frugal, thrifty farmers of that fair land made it possible for the Republic to pay off that hated German war indemnity of two billion francs levied against them. The same spirit of national thrift built up France for the extreme test today—a test that is being tried by us.

Thanks be, French beetles is proving true. The time is holding. The blood of the farmers is driving equally as well through the veins of France's daughters of the soil and so the national strength holds but does not break.

Canada is reaping her harvest of increased returns and money is being made as never before. Our farmers are earning the gratitude of all in their splendid efforts at production. That they will carry into their savings as equal foresight in conserving their resources against the future days of darkness and lower prices will be equally prescient. He is well advised who saves his extra dollar until he can wisely say the wind of tomorrow will blow. Adversity blows a chill blast where there is no dollar in the savings.

STORES CLOSE FAIR DAY
All stores in Alix will be closed on FAIR DAY between 11 o'clock and 5:30 in the afternoon.

WEDDING BELLS

A very pretty wedding took place at the home of Mr. and Mrs. John Goss, Main Street North, at 6 p.m. on Sunday evening last, when their daughter, Miss Amanda, was joined in the holy bonds of matrimony to Frederick Francis Dyer of Edmonton. The ceremony was performed by Rev. W. A. Osborn, pastor of the Presbyterian church in Alix, only the relatives of the bride and a few friends being present. The bride, who was given away by her father, looked charmingly sweet in a white lace and blue chiffon costume and carried a bouquet of white roses and fern. At the conclusion of the ceremony a delicate wedding dinner was partaken of. On Monday morning the happy couple left for their home in Edmonton. The Fair Free joins in extending best wishes.

LOCAL HAPPENINGS

The monthly list on Monday included the same of P. U. G. Murray, Alix, of the Machine Gun section, as wounded.

Our old friend, Mr. G. H. Johnson, has returned to Alix from Delburne and for the present will work at The Big Store. We trust Herb will decide to locate here permanently.

Born—In Alix on September 18th, to Mr. and Mrs. A. G. Dittus a son.

Came around to Uncle Bob's Catcher's Dinner at the Imperial Hotel on Friday Day. He there at noon to pick a wife.

Mr. F. W. H. Hase, General Manager of the Alberta Lumber Co., and Mr. J. C. Berger, General Superintendent, visited the local branch on Tuesday. Mr. Hase, manager Alix branch, has the satisfaction of knowing that his yard stands fast in small towns year for volume of business in the year just closing.

Miss Mary Gillen of Sherbrooke is visiting Alix friends this week.

HELP THE BOYS "OVER THERE" By Saving Gasoline

The Alix need gasoline. Waste none of it on Sunday motor for pleasure. The only use for this purpose is to visit those who are fighting our battles. It is the duty of all motor car owners to comply with the Fuel Controller's request to save "gas."

The safety of the state being the supreme law, personal enjoyment must give place to national necessity during war time. To save gasoline is to save money. It will also ensure a more adequate supply of "gas" for the needs of our machine, which must look no essential. To comply with the Fuel Controller's request will save \$150,000 on a single Sunday. In gasoline it will also save hundreds of thousands of gallons. A word to the wise motor car owner is sufficient.

ON TO THE WAR

EVEN HOME A LESSON

Did Enable the Allies to Carry
Such a Way As To Secure
Wear Down Resistance

The German raids on London have
been home out lesson about the
of air power. A bare superiority
shows that the war in the air con-
siders to be fought over our coun-
try and that of our Allies. To
the war will German territory

such a way as to secure decisive military results, such a conspiracy is deemed as will prevent German aid from being sent to the Allies. However, if we could hold it for three months, would gain a victory in the East. We could bomb Krupp's works presently that no work would be done there for three months. The Government has no right to demand that we supply the arms they could be manufactured. We could reach the German army. The truth would be to decide any treaty that would be made. The Allies have to the German. Had the truth this view been seen twelve months ago, we might at this time have been in a winning position. The Allies have a smaller share of life and a much smaller cost to the industry and finance of the country. The truth was not seen a year ago. The Allies had a smaller share of the Royal Flying Corps and the Royal Naval Air service, both

office and admiralty were too busy in defending their own position to take any long view of all the changes that this new arm would make in the service. The Germans, then, were clearly so slow to see them, that though they were not so slow to study almost any and all the proposals, our catching up to them are very good. Already views about the future of air power which would have been almost a cliché in 1914, are now the commonplaces for discussion upon the war. It is not the least of our debt to America that our energy in this matter has made them so. When air feet has enabled us to look forward with confidence to attaining the superiority required—next year, alas! but next year—the Germans to our war policy that by sending London they have at last

—
Collections Fill Twenty-Two Large Rooms

Paris now boasts a museum unlike any other in the world. This is the *Musée de la Guerre*, the war museum of M. Henri Leblanc, and contains the most complete collection of documents relating to the war instituted anywhere.

The idea of creating a war collection first occurred to M. Leblanc last day of July, 1914, before hostilities actually broke out. He began gathering all the war posters and concerning war pictures posted in Paris. Today his collections fill 22 rooms. Every aspect of the war is there represented in documents and

Alix Fair Satisfactory

Larger Gate Receipts, Larger Number of Exhibitors and
Larger List of Exhibitors

The eleventh annual exhibition of the Alix Agricultural Society was held on Friday of last week and proved highly gratifying to the officers and directors of the association. The day was all that could be desired and consequently the gate receipts took a high plane, being second largest in the history of the society.

In some of the stock class, as there were fewer entries while in cattle and sheep the entries were more than doubled. The total number of exhibitors held last year by 15 and the number of entries exceeded last year by a third.

We are pleased to see the children taking such an active interest in our Fair, their class being well filled, while the exhibits by the ladies were quite numerous and of a high class.

The vegetable and root class was well filled and clearly demonstrated that in few of all drawbacks Alix district is in the front row when it comes to raising garden truck.

All through the exhibits were high class and endorsed our claim as the best mixed farming district in Alberta.

The amusement end of the day had been well filled and every minute, until darkness prevented, was taken up with basketball, horse racing, boxing contests, etc., while the Starline band entertained the crowd with excellent music.

The Fair of 1918 was a step in the upward climb and with a little more energy Alix will have an exhibition second to none.

\$261.00 FOR THE RED CROSS FUNDS

Fair Day was a red letter day for the Alix Red Cross Society, the total amount raised being \$261.00.

Many thanks are due the young ladies who sold: Miss Mary Lawson \$45; Paul Headman \$21.75; Jessie Dunbar \$14.00; Daisy Doherty and Dorothy Doyle \$27.50 making a total of \$118.25.

The Mammie Hall was crowded for the dance at night and dancing was kept up until the small hours of the morn. The music rendered by the Mirror orchestra was very much enjoyed.

Receipts and expenditures for the day were as follows:

RECEIPTS	EXPENDITURES
Tuition \$50.00	Orchestra 100.00
Sale vegetables & children donated by Miss Maryatt 6.25	Box of Mammie Hall 10.00
Percent from picture show 50.00	Flour 1.00
Door receipts at Dance 50.00	Ribbons and pins for tags 6.00
Ice cream, lemonade and soda and coffee of others 51.00	Ice cream dishes .00
	Lemonade 2.50
	Laundry for tag girls 2.50

Of Wounded -- Humanity --

At a time when the world
is so full of war and
murder, it is a good thing
to have a picture which
shows the world as it is.
This picture is a warning
to all who would do
wrong to the world.
It is a warning to all who
would do wrong to the
world.

Every time you buy a thing you
do not read you interfere with
Canada's war work. Every dollar
you spend on things not strictly
necessary is a dollar not sent to
the front. Every dollar you spend
on things that have nothing to
do with our fight is a dollar that
is not sent to the front.

There is a man who is helping
the world to win. He is a man
who is helping the world to win.
He is a man who is helping the
world to win.

GIVE YOUR COUNTRY A LEG UP--SAVE

Canadian patriotism demands the
practice of thrift by all her
sons. The man who is building
the lines at home are they who
are making it easy for the land-
ward of the country to go on with
little or no interference from the
city. The steady pulling together of
all citizens in the production of goods
for the conservation of all
and crop marks the thirty sec-
tion. Saving on the part of one
citizen is a step to the great
insurance we will have to make
against a period of depression
after the war. The combined
savings of the individuals will
make the country will form a
fund of sufficient power to drive
business along in a most satisfy-
ing way in spite of the prevailing
hard times of such a period.

The saving man is therefore a
real patriot. He has Canada's
interests fundamentally at heart.
May his little increase in saving
days when wealth is piling up re-
sulting from the war-time efforts
have because it hits both ways.
It is a high form of patriotism,
and it gives one's country a leg
up in a critical time. Put by
that extra dollar now. The long
prosecution of thirty dollars will
make a line that will not move

Brings the Elevator Nearer the Grower's Grain

On the prairie the miles that separate the grain from the
operator or loading centre often mean a loss to the farmer.
The Ford One-Ton Truck fitted with a dump body fulfills the
grain grower's every requirement. The truck may be loaded
direct from the elevator--it eliminates expensive and un-
necessary handling.
The dump body is only one of the many styles doing efficient
work for the Canadian grain grower, farmer, producer and
distributor. For example, in many districts a suitable body
has been attached to the Ford Truck chassis and is being used
for transporting children to and from convalescent schools.

The Plain Truth about Shoe Prices

LEATHER is scarce and is growing scarcer: A large part of the available supply must be used for soldiers' boots. Importations have practically ceased and we are forced to depend upon the limited quantity of materials produced in Canada.

The cost of everything which goes into a pair of shoes is high, and is going higher. Moreover the thousands have joined the colors, and labor is increasingly hard to get. It is not merely a matter of high prices, but of producing enough good quality shoes to go around.

These are the things that I have seen in these countries. I have seen the same thing in every group of men. They fall on all sides. No one is exempt—neither the manufacturer, the dealer, nor the consumer. You must pay more today for the same quality shoes you did a year ago. Next Spring, prices will be higher still. These are hard facts. They will not yield to argument. They cannot be glossed over. We cannot change them, even as we would wish to do so.

But you, as a wearer of shoes, can help to relieve them, if you will exercise prudence and good sense. I can assure you that you get real value for your money. Spend enough to get it, but spend nothing for "fills."

See that the manufacturer's trade-mark is stamped upon the shoes you buy. High prices are a temptation to reduce the quality in order to make the price seem low. But the manufacturer will stamp his trade-mark upon the shoes, which he is qualified to acknowledge. Remember this, and look for the trade-mark. It is your best assurance of real value for your money.

A letter was received on Wednesday by Mr. W. L. Wright of Brighton, England, stating that his brother, Mr. W. L. Wright, had been killed in action on Sept. 1st.

He had enlisted from Alix and went overseas with a draft from the 48th in the spring of 1918. He went as a private and far surpassed on the field as a second in the military medal. This was the fourth time he had been hit. We were deeply at the loss of a splendid young man who was a favorite in our town.

TAKE THE LEAD!

(Written in May, 1901)
Come, freedom of the land
(Come meet the great demand,
True heart and open hand—
Take the lead!)
For the hopes the prodigal saw,
For the awards your brothers draw,
For liberty and law,
Take the lead!
To lead is of the land,
As ye have the gallant band
Who have done as a soldier's band,
Take the lead!
Who would bring them what else could,
Who would give the soldier food,
Who would wash his brother's blood,
Take the lead!
Take the lead!
All who on our hearts pass by,
All who joined the parting cry,
Waste no time then do or die,
Take the lead!
As ye would lead your triumph team,
As ye hope to meet again,
And to meet their gaze at noon,
Take the lead!
Who would press the great appeal
Of our ranks of service steel,
For your shoulder to the wheel,
Take the lead!
The car prizes in truth may rise
Which we gain with streaming eyes
On the Land of North and West,
Take the lead!
—Edward Everett Hale.

Brings the Elevator Nearer the Grower's Grain

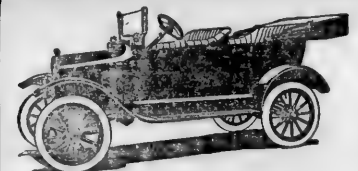

ON the prairie the miles that separate the grain from the elevator or loading center often mean a loss to the farmer. The Ford One-Ton Truck fitted with a dump body fulfills the grain grower's every requirement. The truck may be loaded direct from the thrasher—it eliminates expensive and unnecessary handling.

The dump body is only one of the many styles under efficient work for the Canadian grain grower. Farmer, producer and distributor. For example, in many districts a suitable body has been attached to the Ford Truck chassis and is being used for transporting children and from consolidated schools.

A Ford Car Takes the Place of all These Things

WHEN you own a Ford you can do away with many articles that are a source of continuous expense to the man who will drive a horse. But the single harness, blanket, whip, carriage, bridle, horse-shoe, pitch-fork, feed-bag, etc.

In their place you have a ready, dependable, dignified, roomy Ford Car—complete in itself. It is really superior to the narrow, cramped buggy that travels so slowly. And when a Ford is standing idle it does not cost three cents a day, and it requires no "feeding" at all.

A Ford will save you time, trouble, and money. It is the utility car for the busy farmer and his family.

INFLUENCE OF THE NEWS-PAPER

To the Editor Free Press:

I have I think through your notice in the expression of a few opinions concerning the influence of the newspaper, one of the most important of modern inventions.

As an illustration of the development of the publishing business, it has been estimated that if Benjamin Franklin should step up and take charge of the Editor of Evening Post, as it is now, bringing his facilities with him, it would take him sixteen years to print a single weekly edition.

These would certainly be a time-wasting and dissipated lot of people in the country if all newspapers were discontinued a few weeks for some reason. I cannot think of a class of people, nor of a time-wasting and dissipated lot of people in the country if all newspapers were discontinued a few weeks for some reason.

But, on the other hand, we should not let all the blame to the editors and publishers if we were not time wasting things which are of no value to us. The active paper was not prepared for our special benefit, and we are supposed to use our own wisdom and judgment in reading only those things which we find helpful to us. It is the aim of the editors and publishers to print such a variety of matter in every paper that every reader will find something which more than repays him for the price of the paper and the time spent in reading it.

In this way "at the melting of books there is no end" and when there are more than \$1,000

CANADA HAS NOW ESTABLISHED AIR SERVICE FOR COAST DEFENCE

MACHINES PATROLLING THE ATLANTIC COAST

They Will Carry Bombs and Watch for Submarine Miners

Of Naval Services Acknowledges Head of the United States in Formation of Service

The United States has established a coast defence air service, which will be the first of its kind in the world. The service will be composed of a number of biplanes, which will be stationed along the Atlantic coast of Canada. These planes will be used to patrol the coast and to watch for submarine miners. The service will be under the command of the United States Navy, and will be a part of the United States coast defence force.

The Canadian government has also established a coast defence air service. This service will be composed of a number of biplanes, which will be stationed along the Atlantic coast of Canada. German are Lying to People to Stop Alarm

Quoted by the Associated Press

In the opinion of competent authorities, the German propaganda campaign which has been going on for some time, in order to create a false impression of the situation in Germany, is being exposed. The German government is lying to the people in order to stop them from becoming alarmed.

Greater Part of Wheat in Grading No. 1

War Efficiency and National Prosperity

More than a billion and a half dollars distributed in Canada for exported agricultural produce and the products of labor in the fiscal year ending March 31, 1918, has kept Canada busy and prosperous in spite of the war.

CANADA'S production in such enormous quantities was made possible only by the money received through Canada's War Loans. Canada thus was enabled to assist the Allies in their purchases here by establishing financial credits for their use in this country.

CANADA'S war loans not only have sustained Canada's war effort, but they have kept the wheels of production turning as they never turned before.

This is the flood of cash which poured in to Canada's farms for their exports in the fiscal year 1918, for—

Butter	\$ 2,000,000
Cheese	\$6,000,000
Eggs	2,271,000
Wheat	37,544,000
Wheat	366,341,000
Flour	59,496,000
Meats	70,729,000
Vegetables	19,034,000

Over six hundred and thirty-six million dollars for exported farm products alone!

AND the workers of Canada also shared greatly in Canada's export trade.

For their products there was distributed in Canada, during the year:

Munitions	\$450,000,000
Metals	92,081,000
Vehicles	23,775,000
Wood Pulp and Paper	59,599,000

These huge sums were spent in Canada by the Allies.

-- SOMETHING AND THEN SOME --

Some estimations have been offered of the value of the Victory Bonds, picture show, etc., in combating the epidemic of influenza.

The success of the Victory Bonds is known to everyone who reads the paper, and thousands of them about Canada have died from the epidemic.

We say and say nothing of the epidemic will be as severe in the West as in the East, but it is certainly better to adopt a course of prevention and enable our people to combat it. A little precaution is surely better than a lot of death due to our read in the East.

But human nature is the same the world over. We think if we are ever in a position to prevent the worst from happening, we will, really as hard because we were not governed. Let us be reasonable. Remember what you said about the school board last year when the whopping cough was raging!

Remember, that while the war was in it is not lost. Our men have gone overseas to protect them. Buy Victory Bonds.

Now that the season for the banks has come around we would improve upon our citizens the need of saving protection. It is the duty of the citizen to provide a proper receipt for the banks. A little in time will save.

We have known how Berlin, and late of Berlin, have been in the hands of the Kaiser. They are now in the hands of the Kaiser. They are now in the hands of the Kaiser.

It is announced that in order to encourage citizens to participate in the 1918 Victory Loan, the banks will lead subscribers, on the probable certainty of repayment, within a year up to 90 percent of the loan in the West. The rate of interest charged by the bank is 4 1/2 per cent.

The banks have the effect of greatly stimulating the flow of money during the drive. Many people who were anxious to do their bit towards supporting the boys at the front were unfortunately prevented as to the amount they had available for investment having immediate or future obligations which called for their ready capital. It is such as them that the banks are ready to help.

The banks will also accept from small investors for safe keeping, without charge the Victory Bonds and later the bonds themselves up to a reasonable amount, for the term of one year.

Use Your Dollars To End The War

If my dollar will drive the enemy back from despoiling Europe and threatening America, here it goes! I will put all I can spare into a Victory Bond to help old Canada finance its own war burden and secure for Great Britain a plentiful supply of munitions.

For it is not the risk men's pile that counts most. It is the essential items of purchase made by farmers and rural Canadians on frost over-come of Canada that enable the total and strike terror to the heart of our enemy.

When dollars are tight, let us wheel over one of them into the hands that have the power to count them most when our quill is imperilled across the front lines. He is a patriot and helper indeed who buys Victory Bonds.

NOTICE TO SOLDIERS ON HARVEST LEAVE.

Attention is directed to a recent memorandum published in the Press by the Military Service Branch, Department of Justice, regarding soldiers to be granted to men EXEMPTED AS FARMERS.

It is pointed out that this DOES NOT IN ANY WAY AFFECT MEN WHO HAVE BEEN ORDERED BY THE REGISTRAR TO REPORT to Report Stations and who have therefore received leave of absence from the Military Authorities.

Once a man has been ordered to report for duty by the Registrar he leaves the jurisdiction of the Registrar and comes under the jurisdiction of the Department of Military Service, and is considered as a soldier. This applies to men of the 10 to 12 Class who have been ordered to report by the Registrar in view of the cancellation of exemption by the Order Council of the 10th April last, as well as to those ordered to report in the usual way on release of claim for exemption, or on expiration of exemption grant.

All men, accordingly, who have been ordered to report, and on therefore SOLDIERS, and who have subsequently been granted harvest leave by the military authorities, MUST, NOTWITHSTANDING THE NOTICE ABOVE BE FORWARDED TO REPORT ON THE EXPIRATION OF THAT LEAVE, unless they are notified to the contrary by the Commanding Officer or by general notice published by the Department of Military Service.

Thank God for Peace

The long night of anguish is over and the dawn has come. Though we had been expecting this news for days, even months, not now that it is here it seems almost too good to be true. It will take some little time for us to fully realize it.

After four long years of war we fervently thank God, and our brave soldiers and sailors, for the laws of peace.

REQUEST FROM ALIX RED CROSS FOR NURSES

The Alix Red Cross Society have been requested to organize a nursing association, in case of the influenza epidemic spreading in the Alix district, and volunteers are asked for. A NOVEMBER WEDDING

A very quiet but pretty wed-
ding was celebrated in the pres-
ence of the immediate families, at
the home of the bride's father,
Mr. W. J. Carroll, on Sunday
evening, November 17th, at 8 p.
m., when his youngest daughter,
Iris Ann, became the bride of
Mr. Archibald Loughridge of
Alix.

The ceremony was performed
by the Rev. W. A. Osborne of the
Presbyterian church, Alix.

The bride, who was given away
by her father, entered the draw-
ing room in the strains of the
wedding march played by Miss
Bertha Loughridge, sister of the
groom, and looked lovely in her
wedding gown of rare silk and
radiating a coronal bouquet of
white chrysanthemums. She was
accompanied by her sister, Miss
Iris Carroll who wore a pretty
lattice gown, while the groom was
suggested by Mr. Elmer J. Car-
roll.

After receiving congratulations
a buffet luncheon was served and
the happy couple left for their
honeymoon west of Alix.

The Free Press joins the many
friends of this popular young cou-
ple in extending best wishes.

RED CROSS NOTES

DONATIONS

Mr. and Mrs. R. Todd \$20.00
We are grateful to Mrs. E.
H. R. Pettit for the loan of her
cabinets for lamped purposes.

None, now, beautiful snow.

It is now that there will be
a number of requests for small
amounts of money at the coming
election of some clubs and others
are already being thrown out. The
more the merrier.

NEW HARNES SHOP FOR ALIX

Mr. A. C. Foster is a rented the
building formerly occupied by R.
L. Taylor, one door south of the
Mont Market, where he will open
an up-to-date harness shop and
also repairing services. This
has been Mr. Foster's life work
and our friends are fortunate in
securing his services. He is now
getting into shape and by Mon-
day expects to open his doors for
business.

Local Happenings

Mr. H. G. Plunk was called to
Calgary on Thursday to the hos-
pital of his little daughter, Elsie,
who with her mother, Mrs.
Plunk, had contracted the flu on
returning from a visit to friends
in Ontario.

Mr. George of Burns Lake, B.
C., is spending a few days with
his many old Alix friends.

Mr. W. Kraft left on Thursday
morning to spend a couple of
months with two sisters at Los
Angeles, California.

G. F. Palmer, R. Higgins, J. B.
Smith and G. D. Day went to
Calgary on Wednesday to attend
a pleasure show and have a ride on
the street car. They came back
today.

GILBERT-CANNOLL

A very pretty event took place on November 18th when in the presence of a few of the friends of the contracting parties, Mr. and Mrs. William Gilbert of Alix became the bride of Mr. Elmer J. Cannoll, at the home of the bride's parents.

Properly at 3 o'clock the bride entered the drawing room bearing upon the arm of her father, to the strains of the wedding march played by Mrs. A. S. Bennett.

The ceremony was performed by the Rev. W. A. Osborne of the Presbyterian church, Alix.

The bride was attired in a beautiful dress of tulle and lace and carried a superb bouquet of bridal roses.

Miss Edith Carroll, sister of the groom, acted the bride, while the groom was supported by Mr. Bert Gilbert.

After the ceremony all repaired to the dining room where a sumptuous repast was enjoyed.

The happy couple, after receiving congratulations, left for their future home where a reception was held in the evening, at which a large number of friends gathered.

Mr. and Mrs. Cannoll were the recipients of numerous beautiful gifts which are an evidence of the high esteem in which they are held.

The Free Press joins the many friends of this popular young couple in extending best wishes.

GIVE THANKS

A special service of Thanksgiving for Victory and Peace will be held in the Presbyterian church on Sunday evening, December 1st at 7.30 p. m., in order that we as a people may mutually give thanks to Almighty God for the great victory with which he has crowned the Allied arms.

W. A. Osborne, Minister

On Sunday, Dec. 1st, at 11 a. m., a special service of Thanksgiving for Peace will be held in St. Francis church and all are invited to be present.

The only way to get butter for winter shipments to the Canadian West is either to ship from Vancouver or to ship from the east coast of the United States. In Montreal, New Zealand's butter is sold in Canada through the medium of the Canadian Dairy Board. The price of the air freight is a factor in the cost of the butter, says a spokesman for the board.

School on Monday

Alix Consolidated School will re-open for the first time, after being closed on account of the Flu epidemic, on MONDAY, Dec. 9th. Parents please take note and have their children on desk for the first day.

Casualties Extra Heavy on Alix 1918 Village Council

The Whole Battalion Wiped Out

A meeting of the members of the village took place at the regular session of the council on Monday evening for the purpose of remembering and honoring a band for 1918. The result was the changing of an entirely new band of legislation, namely: J. H. Martin, R. Rogers, R. P. French.

During their term of office the retiring council have carried out a policy of economy in connection with their expenditures and have made considerable savings. Their collection of money of town with the object of getting the village finances into better shape. Under present conditions this is about all they could do, and we are pleased to report that their efforts have met with considerable success, and they will relinquish their office knowing that their time "does what they could" satisfactorily, contributing the complete town all sides.

The two who have their work cut out, as now that the war is over there are bound to arise in every community question which will require careful consideration, but our citizens may rest assured that there is a reliable business man will render every assistance on all matters pertaining to the welfare of Alix.

We must once more point out that the meeting of the village council is a thankless job, for the retiring team told one of the new band, their only compensation in "ball with compensation," but if the rate is 4-5 it is offered the members it will be a large sum in office.

The administering of the act of office, appointing of the chairman and a secretary will take place at the January meeting.

A CHANGE FOR ALL

There are a few people who have been unable to lay even a baby Victory Bond, for these the third stamps will be a boon. The local post office and bank now have third stamps for sale and it is another chance to lend to the Government at a good rate of interest.

You can buy sixteen third stamps, twenty-five cents each, and a card will be supplied to paste them on. When the card is full, four dollars worth of stamps on it, you get a war savings stamp, for which the government will pay you five dollars on January 1st, 1918. If you can save your stamps through before January 1st, 1918, you will be given the savings stamp free. If in February you pay one cent for it and a cent a month for every month after that. You may buy as many third stamps as you wish and keep filling up cards all through the year. But the sooner you hand them in the more interest you get on, for instance, if you finish up a third card and hand it in in Dec. 1918, you will have to pay seven cents for your savings stamps.

This is a good way for people who have but small savings or for children and young people who wish to make a beginning without borrowing. A card is supplied on which to paste your war savings stamps. It is a card which to paste your war savings stamps. It is a card which to paste your war savings stamps.

savings stamps, with space for ten and when it is full will be worth fifty dollars January 1st, 1921.

XMAS GIFTS TO PLEASE EVERYONE

Christmas 1918

The Christmas of 1918 will stand out in the memory of man as the most memorable Christmas since the time when angels heralded the first tidings of "Peace on Earth, Good-will to Men." The peace then heralded has not been fully realized by the nations of the world but it has been brought nearer by the victory of the Allied arms and the downfall of the apostates of "Night is light." Because of this we rejoice this Christmas at the measure of peace that is ours after more than four long weary years of war, but while we rejoice let our celebrations be sobered by the memory of the colossal price that has been paid in lives and the thousands of homes once moved near desolate. We who remain only enjoying the blessings of peace and prosperity because of these sacrifices and our hearts are not right if they do not swell with gratitude to all whose services and sacrifices have made this Christmas of 1918 the harbinger of more peaceful and happier days to come.

B. B. Francis - Here's a suitable
one for you. It's a suit that was
made the first Monday evening in each month.

Gen. Fisher - Don't see how
slippers. Want to exchange them
for a good bluffed one.

Girl clerk - How are the last
of the year. At Alix Store wants to
exchange a book of poetry for a
new one for a month's story.

Red Deer - Here's a big bluffed
Jerkon coat for Christmas. Here
it is. Take the trouble. It
will be just what it is to be a
happy home, no glass in a
half barrel.

O. Pirelli - Want to exchange
a pair of shoes for a pair of shoes.
